**MRS. PEARSON IS HONORED GUEST**

It is more blessed to give than to receive was demonstrated last Saturday evening at the home of Mr. and Mrs. Roy Pearson in the Columbia district. More than 70 guests were present to honor Mr. Pearson's mother, Mrs. J. H. Pearson, on her 70th birthday with a handkerchief shower.

Mrs. A. M. Brock read several short biographies of famous women including that of Mrs. Pearson after which the honor guest pulled the long line of handkerchiefs from a paper bag while all joined in singing, "Happy Birthday To You." Mrs. Forrest Steinke sang, "Mother, My Dear," and led in group singing of old southern folk songs. Two numbers of special interest were songs sung by the honoree and Uncle Charlie Rogers. The honoree sang, "The Good-Looking Husband," and Uncle Charlie sang, "When You Have But Fifty Cents."

Cake and punch were served by the hostess assisted by Mrs. James Brake, Marjorie Gray and Annie Pearson.

**HANELINES RETURN FROM 18-DAY TRIP**

Mr. and Mrs. B. Haneline have returned from a trip of 18 days to Klamath Falls where they were joined by their son and wife, Mr. and Mrs. Herbert Haneline, for a trip to the Golden Gate fair.

During the trip they visited many points of the bay region, and on the return trip came by way of Crescent City and the Oregon Caves, and later spent a day at Crater Lake. They escaped hot weather except at Orlando, Calif., where the thermometer registered 112. California roads are good and as traveling in that state is limited to 45 miles an hour, motoring is very comfortable and safe. They enjoyed the trip greatly and were enthusiastic about the scenery of Oregon.

**TOWNSEND FLASHES.**

A good turnout at the last club meeting in spite of the hot weather was evident. Letters were read from both Senator Rufus Holman and Senator Chas. McNary to the effect that they are back of our initiative and referendum, and are working in close cooperation with Senator Andrews and Senator Lodge with a view to securing passage of this proposed constitutional amendment during the present session of Congress.

The next meeting of our club will be August 11th in the Legion hall, and all members are urged to be present and the public is invited.

The Boardman club will have a Townsend picnic Sunday, August 13. Bring your own baskets and enjoy hearing Mr. Despain, our Townsend delegate, give more report of our convention.

**ANNUAL ELECTION OF R.E.A. OFFICERS TO BE THURSDAY**

**NO NEW NAMES ADDED TO DIRECTORS**

A call for the annual election of directors of the Umatilla Electric Cooperative association has been sent to all members along with a ballot for voters who cannot attend the meeting, in Hermiston on August 10 at 2:00 p. m. The member who chooses to vote by mail can write in the names of the person he desires to vote for and seal the envelope and mail the ballot to the office here with instructions to place the ticket in the ballot box.

Up to date no names have been put forth for director and it is assumed that the old board will be returned to the offices. The present board consists of E. D. Martin, president, J. H. Reid, secretary, Hawley Bean, vice president, and A. C. Houghton and R. G. Saylor. The board under the present by-laws will be elected for one year. The National REA has proposed plans for a larger board as soon as the system is completed, including the two new extensions for which appointments have been secured, and a few other additional lines for which electric service is desired.

The by-laws will then be changed to provide for election of a board of seven or nine members of which one third will be elected each year to prevent the possibility of electing a new and inexperienced board every year.

The present board is regarded by the national officials as very efficient and because of this and their experience over a period of two years higher officials have shown a desire for their reelection for the ensuing year.

**LOGANS ENJOY PICNIC LUNCH**

Mr. and Mrs. Wm. E. Logan were pleasantly surprised Sunday when a group of relatives paid an unexpected visit, bringing a picnic lunch. The day was spent in visiting and enjoying the cooler weather.

Present were Mr. and Mrs. Frank Duff and son and Mr. and Mrs. Jack Duff and son, all of Adams, Mr. and Mrs. Eldon Thompson of Grand Coulee, Mrs. W. W. Gordon and two sons of Seattle, Mr. and Mrs. H. O. Thompson of Umatilla, Herb Thompson of Umatilla and W. J. Logan of Hermiston.

**PENTECOSTS HAVE NEW MINISTER**

Rev. Everette D. Greeley of Heppner has been transferred to Hermiston as the new pastor of the Pentecostal Tabernacle. Rev. A. B. Turner who has been here will move to Pasco, Wn. Rev. Greeley has been pastor at Heppner for the past three years.

Mr. Greeley's family consists of his wife and six children. The oldest boy will be a sophomore in high school.

**Home Ec. Club to Meet.**

The Westland Home Economics club will meet at the home of Mrs. Chas. Showen for an afternoon meeting August 8, 1939. All members are urged to be present. Margaret Seeliger is the chairman.

**DAIRY MAN TO SHOW PICTURES AT 4-H CLUB MEETING TUESDAY, AUGUST 8TH**

A 4-H club meeting has been planned for Tuesday, August 8, at the Hermiston Experiment Station under the direction of M. E. Knickerbocker, local assistant county agent, and Harry F. Cline, agent at Milton-Freewater. Interest has been quite keen in 4-H work the past year.

The morning will be taken up with inspection of dairy cattle, sheep and hogs. Various instructional demonstrations and talks will be given and matters discussed concerning livestock. In the afternoon, Ted R. Warren, western field man of the American

**1939 COUNTY FAIR PREMIUM LISTS READY THIS WEEK**

Premium lists for the 1939 Umatilla county fair to be held here on Monday, Tuesday and Wednesday, August 28, 29, 30, will be printed this week. The list has been somewhat re-arranged due to the fact that this year's fair will cover the entire county.

A portion of the premium list will be found on page three of this issue of the Herald. More will be published next week. Anyone desiring a booklet may have one by calling at the assistant county agent's office in the reclamation building or at the Herald office.

It will be noted that nearly 2000 ribbons have been offered, including the 4-H club list. The list is larger this year because of the spread to a county fair, and many classes have been added to suit the interests throughout the entire county. Much interest is being shown by the 13 Grange organizations of the county and a special award will be made and announced later for the best Grange booth. Some additional funds have been secured for the fair. Farmers are urged to begin the preparation of exhibits.

They should save what they can from crops now being harvested and also select plants that can be given special attention from now until fair dates.

**WEATHER COOLS OFF OVER WEEK END**

Following the extreme maximum of 112 last Thursday, the weather moderated over the week end and registered only 88 Monday. The high mark of 112 is the highest recorded for the last 32 years.

The following is the weather report for the week ending Wednesday, August 2.

Date	Max.	Min.
July 27	112	61
July 28	108	66
July 29	102	58
July 30	95	52
July 31	88	72
August 1	91	48
August 2	98	47

**NORTONS RETURN FROM LONG TRIP**

Mr. and Mrs. A. H. Norton son Bruce and Marvin Ranku returned Monday from an extended eastern trip which took them to many parts of the mid-west. They were gone just a little over three weeks and report excellent weather throughout with crop conditions fine along the way.

Mrs. Norton spent some time in Illinois visiting her people while Mr. Norton continued on to Iowa where his relatives reside. Of interest to the Nortons were the Black Hills and other historic points along the way.

**RUBY BEAUTY SALON HAS NEW INTERIOR**

A new celo-tex interior has been installed this week at Ruby's Beauty Salon. All booths and fixtures were removed in order to do the work. The walls are of deep tan while the ceiling is of a fawn shade. The effect is very pleasing and gives an artistic touch to the interior.

It is expected that the celo-tex will aid in keeping the Salon much cooler.

**PLANS COMPLETED FOR COMMUNITY BIBLE SCHOOL**

**LOCAL TEACHERS ASSIST IN PROGRAM**

The community daily Bible school sponsored jointly by the Baptist, Methodist, Pentecostal and Union congregations will get underway next Monday morning, August 7, at 9:00 o'clock. The school will continue for two weeks, closing August 18. The opening feature will be a big parade Saturday night, August 5, at 8:00 through the business district. The Hermiston Union high school band under the direction of W. G. Humphreys will lead the march. All children planning to attend the sessions are asked to register at the Methodist church sometime between 6:30 and 7:45 p. m. just before the parade on Saturday evening.

Rev. Robert Tindall, recent graduate of the Eugene Bible Institute, will superintend the work. Local people will head the various departments. The beginners, those from four to six years or who have not attended school will be under the leadership of Mrs. W. Hinehine, assisted by Opal Stockard.

Those of the primary grades, first three grades of school, will be under Mrs. Stearns Cushing Jr., with Mrs. A. E. Marble assisting. Mrs. Greeley will head the Junior department and will be aided by Rev. Grayden Loree and Mrs. Howard Montgomery. This group will include the fourth, fifth and sixth grades. The Intermediate grades will be under Miss Florence Moyer and Mrs. Cecil Warner, with Rev. Greeley assisting. Mrs. Grayden Loree will have charge of the music.

The Beginner and Primary groups will meet in the Methodist church while the Junior and Intermediate classes will meet in the Baptist church. It has been arranged to provide transportation from the various outlying districts. If there are children needing a ride, get in touch with Rev. Loree or the pastor of your church.

This is a community project and local citizens are urged to cooperate.

**SEWING CLUB HAS MEETING**

The Columbia Stitcher's Sewing club held their regular meeting July 28 at the Henry Sommerer home. Discussion was held regarding the pennies secured in the penny drill. Plans were made for the next meeting on August 11 at which time the club will entertain Mrs. Bishop, who is substituting in the Home Economics extension office in the absence of Miss Clinton.

The meeting will be held at the home of the leader. The attendance at the meetings has been very irregular.

Dorothy Knox, club reporter.

**VARIETY STORE HAS 2ND ANNIVERSARY**

Brierley's 5-10-15c store will celebrate the end of the second year's business on August 10. A store-wide sale has been planned by the proprietor, Miss Jessie Brierley, to celebrate the occasion.

The variety store handles all sorts of notions usually found in larger stores of this type.

**Scouts Leave for Wallowa.**

Bill Belt, Jack Jackson, Julius Gimble Jr., Dick Belt and Phillip Gilliland left Sunday for Wallowa Lake scout camp where they will spend two weeks in scout activities. The Blue Mountain Council is sponsoring the camp which will be in charge of Executive Oscar E. Hoover. C. J. Jackson took the boys down.

**Hinelines Have Visitors**

Mr. and Mrs. H. A. Hineline received unexpected visitors Tuesday when his brother and sister, C. X. Hineline and Nora Ike, stopped for an overnight visit. They had not seen each other for over 30 years. They were accompanied by Martha Prutt. All reside at Valpraiso, Ind. The group left again Wednesday.

**SERIOUS DAMAGE AVERTED WITH HELP OF VOLUNTEERS**

**HERMISTON MOTOR COMPANY OWNER LEAVES BUSINESS**

A warrant for arrest has been issued for H. Oakes, owner and manager of the Hermiston Motor Co. for the past few months. Mr. Oakes left town rather hurriedly over the week end leaving a long trail of bills in Hermiston and Pendleton. No information has been received by local officers as to his whereabouts but it is thought that he went to Walla Walla, Wn., from here.

In Hermiston among other bills was a board bill amounting to approximately \$60. The Pendleton Auto Parts, Inc., has filed suit in circuit court against Oakes for the sum of \$291.94 plus costs and disbursements of the action, alleging defendant owed plaintiff said sum.

**MRS. A. P. GARNER**

The Hermiston community lost one of its honored and revered citizens with the passing of Mrs. A. P. Garner at her home Sunday evening, July 30. The deceased would have been 76 years old on her next birthday, August 4.

Besides her widower, A. P. Garner, there are left to cherish her memory two sons, Claude of Denver, Colo., and Louis of North Bend, Ore.; and a daughter, Mrs. Florence Davis of Hermiston. Also, there are a number of grandchildren.

The Garners came to this locality in 1906. To them much credit is due for the pioneering done on the project. For several years Mrs. Garner has been proprietor of a local dairy. She was a charter and life member of the local Eastern Star, serving more than twenty years as the secretary. When a young lady in Pennsylvania, she was confirmed in the Lutheran church.

The final rites were held in Prann's Funeral Parlors, with the Rev. Stearns Cushing, Jr., conducting the services, in which the Eastern Star participated.

The pallbearers were chosen from friends in the local Masonic Order. They were W. W. Felthouse, F. B. Swayze, Curtis Simons, David Miltendorf, Tom Fraser and Tom Campbell.

**Schell Ships Melons to LaGrande.**  
 Ed Schell of near Hermiston made his second trip to LaGrande Monday with a load of watermelons. Mr. Schell and Enos Martin are raising Striped Klondikes and have an excellent crop. They are picking again today (Thursday).

**Connors Return From Vacation Trip**  
 Mr. and Mrs. Harry Connor, Harry Jr. and Robby returned Thursday (112 degrees) from a 10-day trip into California. Stops were made at San Jose, Palo Alto and the San Francisco fair. Excellent weather conditions added to the pleasure of the trip.

**Missionary Society To Meet**  
 The Missionary society of the Union church will meet next Wednesday at the home of Mrs. J. A. Clarke at 6 o'clock for a picnic lunch. The husbands are invited. A business meeting and the lesson will follow the lunch.

**CARD OF THANKS**  
 We are deeply grateful to the members of the Masonic Order, our kind friends and neighbors and the Eastern Star for help and comfort in our bereavement. Thank you for the lovely flowers you sent Mother.  
 Alonzo P. Garner,  
 Louis, David, Florence.

**CARD OF THANKS**  
 We wish to express our appreciation and thanks for the kindness shown us during the illness and loss of our beloved husband and father. We wish to especially thank those who presented floral offerings.  
 MRS. R. H. ELWOOD  
 and family.

**CARD OF THANKS.**  
 We wish to express our appreciation for the help given us Sunday in saving our turkeys from the sage fire which occurred about noon. Without this help the flock might have been destroyed.  
 J. H. DeMOSS and family.

**BRISK WIND BLOWS FLAMES TOWARDS FARM DWELLINGS**

Another grass and sage brush fire threatened to do much damage Sunday but fortunately passed up several turkey and chicken ranches and confined itself to burning brush, some tree rows and considerable fencing. The fire started near the farm of Mrs. Theo. Beletski and fanned by a brisk wind headed east toward several turkey and chicken ranches.

Two alarms were sounded in Hermiston and a large crew of volunteer fire fighters answered to the call. Several attempts were made to back-fire but this proved unsuccessful and the crew confined its efforts to saving buildings along the path of the flames.

After leaving the Beletski place the fire headed for the H. J. Ott farm where it just barely missed his large chicken buildings and did little serious damage. From here the fire continued across vacant land and spread to the H. McCulley and O. O. Buell places.

With no signs of subsiding the rushing flames continued towards the John Jendrzewski turkey ranch. After burning through a grove of locust trees it spread on both sides of the road and raced towards the DeMoss farm. A herd of turkeys were rushed to safe territory by helpful neighbors. Had the birds not been moved they would have perished in the flames.

A field of corn saved the Jendrzewski ranch buildings. It was thought that if the corn had been just a little dryer it would have been burned and spread the fire to the buildings. A large crew of fighters was centered at this point and prevented any serious damage except for about a mile of fencing.

Considerable anxiety was occasioned at the DeMoss farm when a flock of turkeys was found in the direct path of the advancing fire. However, with the help of a large group of neighbors and friends, the birds were rushed to safe ground and disaster averted.

The fire burned itself out near the Edwards farm with the aid of a drain ditch and a ploughed field. It was thought that the flames covered a total area of approximately 500 acres.

**GARDEN CLUB CHATS**

The thermometer readings of the past week have settled us firmly in the intention of building a pool, whenever we build one, of such proportions that we can get into it with the goldfish!

Speaking of garden pools, there are several of them about, and beautiful things they are, with goldfish, cool green lily pads and lovely pond lily blooms. There are many articles in magazines to aid one who wishes to undertake a project like this, and has the facilities for water, etc. Those who are interested will find pools at T. A. O'Grady's, Mrs. Beletski's place and the M. L. Watson home, and we would like to know if there are others on the project.

We have found that the flower garden is much easier to take care of when it is outlined with 1x4's sunk into the edge even with the grass. This keeps the bluegrass from creeping into the bed and does away with that extra amount of weeding, and makes the outline of the bed neat at all times.

We note that Pendleton has carried in a big way and that measures for their control have been made the chief activity of the Pendleton Garden club. They are also receiving the cooperation of the city government. As we understand that they have been found even closer to us than the county seat, we would appreciate very much a notification of any found in the immediate vicinity at once. They can be brought in by bouquets, packages, and cars from affected areas, and cause great grief.
