and praise received, this second show in larger quarters and with many new additions, should be outstanding. Schedules may be found at the Hermiston Drug store. Mrs. Doyle asks that all who will help please report at the school Thursday evening and early Friday morning.

The Fraser zinnia show for Garden club members will be held in conjunction with the flower show on September 8. The display will be in a separate section at the show and there promises to be some stiff competition. The blooms are from the seeds sent to Garden club members earlier in the season, and will be judged by rules furnished by the seed company. Rules are stated in another section of the paper.

When you come to the flower show at the high school gym on the 8th, don't say, "Why, I had some as good as that in my own garden! Mine are even better than that." Bring them in for entry, show them, help the committee make this a fine show.

The Echo Garden club has a schedule out for its first flower show to be held in the Dorn building on September 6. Anyone is eligible to enter for competition.

The flower division at the county fair will grow from year to year. Do your part to make this a display that will win praise from county visitors for the flowers of this community.

VACATION BIBLE SCHOOL CLOSSES

The Daily Vacation Bible school sponsored jointly by the Hermiston churches came to a highly successful close last Friday morning with the presentation of certificates and a surprise treat of ice cream.

A fine interest and activity were sustained throughout the season. Out of a total registration of 154, the average attendance was near 120 per day.

The program presented to the public on Thursday night was interesting, entertaining and instructive. A fine crowd turned out to see the work that the children had done. Besides a number of songs, and Bible drills, several short skits were given.

Plans for another school for next year were set up by the committee. A hearty thanks is extended to all who helped make this year's school such a success.

SPECIAL SERVICES AT PILGRIM HOLINESS

There will be special missionary services at the Pilgrim Holiness church on Thursday, August 31, at 7:45 p. m. Rev. W. R. Miner will be the speaker. He has completed a trip into Mexico and has also been a missionary in the British West Indies. There will be special music by the speaker, besides pictures and curios from Mexico.

On Friday, September 1, at 7:45, Rev. O. F. Hampton, principal of the Bible school in Spokane, Wn., will speak. The public is invited to both services.

Rev. Stearns Cushing Jr., Pastor
The subject of the Sunday morning sermon at the Methodist church for August 27 will be, "Bringing the Live to Life." The special music for the day will be a solo by Miss Mary Burnham. The hour is 11 o'clock.

At 10 o'clock the Sunday school meets. A class for everyone. Evening services begin with the Epworth League at 7 p. m. followed by the worship service at 8 p. m. You are invited to enter this church to worship God, and depart to serve your fellowman.

On Friday evening at 8 p. m. at the home of George Sale in Stanfield the official board and the Sunday school boards will meet for their monthly meeting. Friends and members of the church are invited.

HERMISTON UNION CHURCH

C. Warner, Pastor
Freedom of worship today is denied in Germany and Russia. Africa is begging for a true God to worship and a place of worship.

America has freedom of worship, the opportunity of knowing the only true God, and a place appointed for worship, the church. Is it possible we are too busy on that day of worship to praise Him for the wonders of His hand?

The sermon for the 11 o'clock Sunday morning service will be: "The Red Blood of Jesus," and for the evening service will be, "The Gospel Contents."

We extend to one and all a hearty welcome.

HERMISTON BAPTIST CHURCH

In the evening we shall discuss the story of Christ calming the storm as found in Mark 4. Gilbert Dyer will be leading B. Y. P. U. You are welcome.

BOYS' GROUP PAYS OVERNIGHT VISIT

A group of 50 boys and five leaders made an overnight stop at the Stewart cabins south of Hermiston last Thursday. The group hailed from Rock Island, Ill., and was on a tour of this section of the United States. The boys were under the supervision of L. V. Burch, Boys' Secretary, Y. M. C. A., of that city and this was the sixth annual trip of this nature. One boy in the group had been on five previous tours.

The ages of the boys ranged from 14 to 19 years and were very polite and orderly, according to Mrs. Thomas O'Grady. A charge of \$50 is made which covers all costs of lodging and food. The boys seemed to be enjoying the excursion to the fullest extent.

ECHO SCHEDULES FIRST FLOWER SHOW

Anyone from Hermiston and other nearby towns is welcomed to exhibit at this flower show. No charge will be made for entries or for admission. Exhibits must be delivered and arranged between 8:30 and 10:30 a. m. Other rules are similar to those of the Hermiston club published last week.

Miss Clarke Returns From Trip

Miss Edith Clarke, daughter of Mr. and Mrs. John Clarke, returned this week from Sault Ste. Marie, Mich., where she had gone for the marriage of her sister some time ago. She will teach again this year at Ontario high school. She was accompanied west by Fred Hallett, a friend of the Clarkes. He will visit a short time here before continuing on to Silverton to visit a son, Harvey H. Hallett.

Galloping Tea Enjoyed.

Several ladies of the Methodist Ladies Aid held one of their galloping teas at the home of Mrs. Emery Cox Wednesday afternoon. Those present were Mrs. M. L. Watson, Mrs. O. O. Felthouse, Mrs. Simmons, Mrs. Sater, Mrs. Brierley, Mrs. R. B. Wilcox, Omega Sater and the hostess. Refreshments of fruit salad, cake and punch was served.

GARDEN CLUB CHATS

Because of lack of space last week a resume of Mrs. Heffner's talk had to be omitted but we will try to give from time to time a few facts that she brought out. Her talk was particularly helpful in view of the coming flower shows, and along that line we quote the following: "the so-called coarse flowers, such as zinnias, calendulas, etc., must be placed or arranged in pottery, copper, brass or bronze containers. The fine flowers, like sweet peas, snapdragons, etc., require crystal or silver vases."

Mrs. Heffner stated that in order to prepare the stems of Oriental poppies, dahlias and some forms of iris, it was well to burn the ends of the stems, as the water absorbed through the carbon thus formed seemed to act as a preservative. A candle flame can be used.

E. P. Dodd spoke at the meeting Monday afternoon, giving an idea of

the thought to be expressed in the float which the Garden club will have in the parade on August 30. The subject will be "Beauty" and a committee has been appointed to arrange for the float. Mrs. T. A. O'Grady is chairman and will have as helpers Mrs. W. E. Logan, Mrs. B. A. Doyle, Mrs. Julius Gimbel, Mrs. Emil Zivney. All members will be contacted for flowers, etc., as soon as plans are made.

Many flowers in appropriate containers were brought to the meeting for criticism of arrangement on Monday. Mrs. O'Grady repeated the rules for flower arrangements and rearranged material as suggested by members. This was a very interesting and instructive part of the meeting and may be repeated at each meeting.

Mrs. B. A. Doyle, in charge of the flower show to be held at the high school gym on September 8, went over plans for that event. With the start made last spring at the first flower show, and the interest shown
