COUNTY IMPROVES ACCIDENT RECORD

Umatilla county was second in its group in the county traffic accident improvement contest for July, it was announced by Earl Snell, secretary of state, who sponsors the contest.

Standings in the three groups, which are designated according to population density, were as follows:

Group 1—Yamhill, Benton, Portland (the only city included in the county contest), Marion, Clatsop, Columbia, Clackamas, Washington, Multnomah (outside Portland).

Group 2—Jackson, Coos, Tillamook, Hood River and Lincoln tied, Lane and Linn tied.

Group 3—Wasco, Umatilla, Union and Douglas tied, Klamath, Baker, Josephine, Deschutes.

Rankings are given on a basis of improvement in the number of accidents, fatalities and injuries, for July this year as compared to July, 1938. Counties which reported no traffic fatalities to the secretary of state's office this July were Baker, Columbia, Crook, Deschutes, Gilliam, Grant, Harney, Hood River, Josephine, Lake, Morrow, Sherman, Tillamook, Union, Wasco, Wheeler.

Fatalities for the month of July this year totaled 31, a reduction of 14 per cent from the total for the same month last year. A reduction was affected in the injuries too, there being 590 persons hurt in July this year compared to 642 last July, a decrease of eight per cent.

AMERICAN BOY MAGAZINE COMPANION TO THOUSANDS

Hundreds of thousands of boys and young men read The American Boy magazine every month and consider it more as a living companion than as a magazine.

"It's as much a buddy to me as my neighborhood chum," writes one high school senior. "The American Boy seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in The American Boy."

Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in The American Boy magazine. Virtually every issue offers advice from a famous coach or player. Football, basketball, track, tennis, in fact every major sport is covered in fiction and fact articles.

Teachers, librarians, parents and leaders of boys clubs also recommend The American Boy enthusiastically. They have found that as a general rule regular readers of The American Boy advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in The American Boy, the sort of reading matter boys like best.

The American Boy sells on most newsstands at 15c a copy. Subscription prices are \$1.50 for one year or \$3.00 for three years. Foreign rates 50c a year extra. To subscribe simply send your name, address and remittance direct to The American Boy, 7430 Second Blvd., Detroit, Michigan, adv.
