

Visitors are cordially invited to a special event in the form of a meat school which is to be held at the Pendleton Junior high school gymnasium on Monday, October 16, at 1:30 p. m. The easy new methods of rendering even the less tender cuts of meats tender and delicious, will be demonstrated in an authentic way by Miss Jessie Cline, an experienced demonstrator and head of the Home Economics Department, University of Missouri.

Miss Cline comes to Pendleton from the National Livestock and Meat Board, who are cooperating with the Oregon State college extension service to make this demonstration possible. The stage is being set with two stoves, and a large number of meat dishes will be prepared, including beef, pork, veal, lamb and accessories. How to render economical cuts of meat tender and flavorful will be emphasized.

No charge will be made at this meeting.

### FORMER HERMISTON RESIDENT PASSES

Funeral services were held Tuesday at Spokane, Wn., for Nicholas Codd, 73-year-old Palouse country utility pioneer, who died late Saturday. Codd was well known in this district and was former president of the Hermiston Light & Power Co. here.

Codd first located in Colfax, Wn., in 1888 and successfully established electric systems there and at Pomeroy, Dayton, and then at Hermiston. He is credited with the formation of the first electric lines in this area.

He moved to Spokane in 1910 and retired from active business in 1928.

### F. B. AUXILIARY TO ELECT OFFICERS

The annual election of officers of the Farm Bureau auxiliary will be held at a regular meeting at the Columbia park clubhouse Friday. The usual program will not be held but discussion as to the completion of the park project will be held.

The refreshment committee consists of Mrs. Alice Hammer, Mrs. Avis Keener, Mrs. Blanche Ryland and Mrs. Annette Barham.

### WIND USHERS IN COOLER WEATHER

A fairly strong southwesterly wind blew all day Wednesday and probably will be the breaking point of the continued warm weather of the past few weeks. No rain, however, has been reported.

The following is the weather report for the past week according to Charles Taylor, local weather man.

Date	Max.	Min.
September 21	95	52
September 22	92	48
September 23	88	46
September 24	81	47
September 25	81	47
September 26	85	38

### Cooks Pay Visit Here.

On their way to visit a son in North Powder, Dr. and Mrs. J. W. Cook spent late Thursday afternoon and night with the Stearns Cushing family. The Cooks, who now live near Portland, are former parishioners of the local Methodist minister when he was in Sutherlin, Ore. Dr. Cook is well known among the veterinarians of the state, having practiced in the valley for many years before his recent retirement. They left Friday morning.

### Mrs. Mayer Completes Work

Mrs. K. M. Mayer, who has spent the past week working in the local REA office, returned to her home in Lebanon today (Thursday). She had come to help in office procedure in the office here where she had been employed before moving to Lebanon a few months ago. The Mayers are now engaged in the 5-10-15c store business.

### Boardman Endeavors Visit.

Hermiston Union Christian Endeavor was attended Sunday night by three carloads of Endeavors from Boardman. They remained for the evening service. A full house enjoyed the Indian preacher's message.

### Ruby's Float in Umatilla Fair Parade

### PHEASANT SEASON OFFICIALLY OPENS SUNDAY MORNING

Unsuspecting Umatilla county residents will be awakened early Sunday morning with a barrage of gunfire when pheasant-hunters from all parts of Oregon will officially open the season in this district. The Hermiston area has proven a mecca for upland game bird hunters in past years and with the best prospect in 10 years it is expected that the city will be crowded this week end.

All available campgrounds and housing facilities have been filled and any local residents having available rooms to rent during the opening week are asked to get in touch with Roy Hale. All lunch counters in Hermiston will be working at top speed over the week end.

Open season for Chinese Pheasants will be October 1 to October 15, both dates inclusive. The bag limit in this county is four male pheasants in any one day but not more than eight birds in any seven consecutive days or in possession at one time and not more than one female pheasant in any limit of eight birds.

The same dates hold true for California or Valley quail. Ten birds may be taken in any one day but not more than 20 in any seven consecutive days or in possession at any one time. Open season for Hungarian partridge is also October 1-15 with a bag limit of six birds in any one day but not more than eight in any seven consecutive days or in possession at any one time.

Duck season opens October 22 and will last till December 5.

### LOCAL MEN ATTEND DAIRY CONFERENCE

H. R. Hartley, cow tester, and M. E. Knickerbocker, assistant county agent, left Sunday for Corvallis to attend a series of meetings of the Dairy Herd Improvement association for herd testers. Mr. Hartley represented Umatilla county.

### Bowman To Make Trip

W. H. Bowman and daughters Hazel and Sylvia and Mrs. E. C. Chaney of Irrigon are leaving Saturday for a two-day trip to Yakima. His son, Allen, will be in charge of the shoe shop during the absence of Mr. Bowman.

### LOCAL STUDENTS BEGIN ANNUAL TREK TO INSTITUTIONS OF HIGHER LEARNING

The past two weeks have been busy ones for prospective local college students. Many institutions of higher learning will register local students this year with Oregon State leading the list. Only six members of last year's graduating class will continue their studies at colleges or universities this year. Several, however, have returned to high school for post graduate work.

Leaving for Oregon State this week were Richard Cox, Lois White, Stuart Rankin, Esther McMullin, Nina Rae McCully, Harold Marble, Thelma Swarner, Lawrence Swarner, Lawrence Hunt, Bernard Jendzrejewski and Geraldine Mullins.

### BULLDOGS FIRED UP FOR KENNEWICK CONTEST FRIDAY

### COACH ANNOUNCES STARTING LINEUP

Newspaper reports coming from Washington to the effect that Kennewick is coming to Hermiston Friday afternoon for a "breather" has stirred up Coach Critchfield's warriors to a fighting pitch and they are all set for a rousing welcome. The past two weeks have been spent in intensive drilling and the team is expected to make a stronger showing than against Pasco two weeks ago.

A squad of 30 has been turning out each night with several of the second stringers pressing hard for starting berths. The loss of Bob Dawson will be felt Friday although Harry Connor is again in uniform and is expected to fill the center hole. Dawson has been called back to Fort Lewis to complete papers for his release from the army.

Coach Critchfield was far from discouraged Wednesday night and indicated that Kennewick might be in for an interesting afternoon. Although his team is fairly light, they have shown a willingness towards teamwork. The backfield will be fairly fast.

The following is the probable starting lineup against Kennewick: right half, Ripley; left half, Bense; fullback, Rugg; quarter, Bernie Corpe or Dyer; left end, Bill Corpe; left tackle, A. Buell; left guard, Bob Pierson; center, Connor; right guard, E. Blahm; right tackle, L. Mulkins; right end, Davis.

### HOME EXTENSION UNIT MAKES PLANS

The Hermiston Home Extension unit met at the Legion hall Tuesday afternoon to plan the year's work. The project is a part of the Oregon State college extension service.

The following projects will be presented the coming year: "Buying Readymades"; "Testing of materials and alterations of readymades and of patterns"; "Parent Education"; "Behavior Problems of Adults"; "Care of Floors and of Woodwork"; and "A Vegetable Plate Dinner." Cold storage clinics will be held during May.

The next meeting will be an all day affair on October 24, beginning at 10:30. Luncheon will be served at noon. The subjects will be "Care of the Hair."

### LOCAL STUDENTS BEGIN ANNUAL TREK TO INSTITUTIONS OF HIGHER LEARNING

The latter is entering on a four year scholarship awarded for high scholastic work in the local high school last year.

Entering University of Oregon will be the two Stuart brothers, Jim and Tom. Miss Edna Kay Turnblad and possibly several others. Vera Sisson plans to enter Kinman Business College.

Pacific university will register Gerald Keller, Bill Jackson, Elbert "Eg" Moore, Helen Ralph and Fred Rankin. Miss Rosemary Serell left Sunday to resume her studies at the Eastern Oregon College of Education at La Grande. This will be her last year.

### PLANS FOR RURAL FIRE PROTECTION ARE DISCUSSED

The possibilities for the formation of a farm fire district were discussed at a meeting of the executive committee of the Farm Bureau last Tuesday. H. K. Dean and H. M. Sommerer were named to investigate the matter in connection with state laws and other rulings.

Numerous grass fires were put out during the past summer with the help of neighbors and townspeople. Hermiston fire fighting equipment answered several calls and was instrumental in saving severe property loss in the Columbia district when a grass fire started near the Beletski farm and raced east.

If such a farm fire district could be organized, under state law, equipment of the district could be housed at strategic points and be available at all times. No definite information has been received on the matter.

### TOWNSEND CLUB TO SPONSOR FISH POND

The next meeting of the Hermiston Townsend club will be held Friday, October 13, and all members are asked to bring articles to the value of 10c to put in a fish pond. The public is invited to partake in the "fishing" party.

Townsend banks were distributed at the last meeting. Each member will put one cent in the bank each day and the last meeting of each month will be bank night at which time banks will be opened and money sent to national headquarters to send out Trail Blazers.

M. C. Brooks, Townsend speaker from Virginia, recently addressed 60,000 members of the national grange at the annual picnic.

### IRRIGATION WATER TO RUN THIS WEEK

Hermiston lawns will have at least one more irrigation, according to E. D. Martin, manager. The usual rounds will be made Friday and Saturday unless unforeseen difficulties arise or a shortage of water occurs.

The announcement comes as a relief to local residents who were beginning to see favorite lawns suffer. This, however, will probably be the last irrigation of the season.

### CONNOR OPENS UMATILLA STORE

Harry Connor of Hermiston has opened a cash grocery store in Umatilla and will operate there as Connor's Cash Store under the same plan as followed here. Benny Evans will be in charge. The store is located adjoining the Duncan Hotel in old Umatilla.

Evans has had considerable experience in the grocery business and has worked on several occasions in the local store.

### SLOAN THOMPSON GETS LARGE DEER

One of the largest deer reported in Hermiston to date belonged to Sloan Thompson of the Butter Creek district. The animal was a four pointer and weighed in the neighborhood of 233 pounds. The buck was in good condition.

Mr. Thomson bagged his buck in the Arbuckle country and was accompanied by Otis McCarty.

### UMATILLA GARDEN CLUB TO DANCE

The Umatilla Garden club will sponsor a dance in the Umatilla gymnasium Saturday night, September 30, according to members of the committee who were in Hermiston Monday arranging details. The Troubadors will be featured.

This is a second of a series of dances sponsored by the Umatilla Garden club.

## MANY UMATILLA COUNTY FARMERS TO HAVE POWER

### EVANGELIST COMING

W. F. DROWN

A series of revival meetings have been scheduled at the local Pilgrim Holiness church, according to the pastor, Rev. Stanley Weber. W. F. Drown, noted evangelist from Colorado Springs, Colorado, will be the speaker. Services will be held each evening at 7:45 beginning October 1. The public is invited to attend.

### P.T.A. MEETING TO BE HELD AT SCHOOL FRIDAY EVENING

The first regular meeting of the Hermiston P. T. A. association this year will be held in the high school gymnasium Friday evening at 8:00 o'clock. The meeting will be in the form of a reception for the new members of the faculty. All patrons of the school are cordially invited to attend whether members of the association or not.

Committee chairmen and officers have been busy arranging for the event which has proven popular in past years.

### LETTER WRITING WEEK ANNOUNCED

The week of October 1 to 7 has been selected for national letter-writing activities. The slogan as given by the Post Office department reads, "Write today to those away." The week was celebrated last year and met with a large response over the entire United States.

Wm. E. Logan, local postmaster, urges Hermiston residents to take part in writing letters to friends and relatives during next week.

### STUART TO START TROJAN CONTEST

Hermiston football fans will be listening at radios and watching the newspapers Saturday for news concerning Jim Stuart's activities in the University of Oregon-Southern California game to be played at Los Angeles. Jim is a local boy who has made good in football at the University.

Coach Tex Oliver's starting lineup was announced this week and included Stuart at left tackle.

### NEW FORD TRACTOR CREATES INTEREST

The new lightweight Ford tractor with a built-in Ferguson hydraulic mechanism has created considerable interest among farmers in this district the past week. An impromptu demonstration was held a short distance west of Hermiston Sunday.

Another demonstration will be announced in the near future.

### Irrigon People Make Trip

Miss Jackie Foster of The Dalles and Dolores Haberlein and Robert Brace of Irrigon motored to Wallowa Lake where they were joined by John Swearingen, for a week end of speed boating and other sports.

### NEW 32 MILE REA LINE COMPLETED; JUICE AVAILABLE

The new REA extension of 32 miles has been completed, according to R. L. Woolley, manager. Activities the past few days have been centered towards checking the lines and preparing for energy which will probably be released the first of the week.

When the lines have been thoroughly gone over and checked, juice will be turned on and be ready for use as soon as a sufficient number of users have wired their homes according to REA specifications. The announcement comes as good news to many farmers who have been waiting for some time for the advent of electricity to their homes.

Mr. Woolley and J. H. Reid attended a public utility meeting of Wasco county at Bonneville this week where Dr. Paul Raver, new Bonneville administrator, addressed the group on general news concerning Bonneville power.

The name of Hawley J. Bean was left off from the published list of new board of directors elected Tuesday, September 12, at the annual meeting of the Umatilla Electric Cooperative. The complete list should read: E. D. Martin, Fred Houghton, J. H. Reid, H. J. Ott and H. J. Bean. R. L. Woolley, manager, is in charge of the local office.

### COMMUNITY CHORUS ELECTS OFFICERS

A group of singers, under the direction of Ted Roy of Pendleton, organized this week as a community chorus which will welcome singers from this area. The only requirement is that the member be able to carry a tune. Mr. Roy states, "I would rather have untrained voices who are faithful at rehearsals than the finest voices in the country who are not."

Members believe that the chorus will be a community asset of which Hermiston will be proud. Officers elected Wednesday night included: Jack Smith, president; Norma Percy, librarian, with the secretary job undecided. Rehearsals will be held each Wednesday evening at 8:15 at the Legion hall.

### FARMERS SUPPLY OPENS OFFICE HERE

The Farmers Supply Co., formerly of Stanfield, has opened an office in Hermiston in the Wm. Shaar building formerly occupied by Ruby's Dress Shop. According to Horace Smith, owner, he has closed his business in Stanfield and will operate from the Hermiston location. Associated with him are Sam Nye and Haig Burnett.

The office will be used mainly for display purposes with other goods stored in a warehouse. The men will continue their residence in Stanfield until they can find suitable living quarters here.

### SECOND SAFETY FILM FRIDAY

The second of a series of three safety programs being sponsored by Columbia Grange will be presented Friday evening, beginning at 8:00 p. m. in the Columbia school building. An interesting round-table discussion of safety on the farm, in the home, and community, will be points discussed.

There will be special music and the showing of a 30 minute safety film. Admission is free and the public is invited.

Mrs. Fraser Leaves for Visit. Mrs. Tom Fraser left Wednesday for a visit with her son Hugh Fraser in New York. The latter is an auditor with the Anaconda Copper Mining Co. of New York.
