

# FARM CO-OPERATIVE DIVISION

A MESSAGE TO EVERY MEMBER.

## R.E.A. HIGHLIGHTS

**Power Off—**  
There will be an interruption of the power on Tuesday, December 12, affecting ALL MEMBERS. Because of necessary changes in the lines, required for the new Wheatland addition, the power will be off between the hours of 12:00 and 2:00 P. M., and 3:00 and 4:00 P. M.

During next week there will also be more or less interruption for the Columbia, Stanfield, Echo and Nolin areas. These will be between 8:00 a. m. and 12:00 noon, and between 12:30 and 4:30 p. m. A minimum of interruption will occur only enough to allow construction to proceed along energized line east from the substation.

The response to our appeal to the members for payment of bills has been gratifying. Keep up the good work and make your cooperative a sound business organization which will be able to render dependable service.

## New Memberships—

Some one is losing out on new appliances offered as prizes for new members connected between now and December 23. Several new applications have been received but no one seems to have contacted them and earned a prize. You are missing a golden opportunity to obtain some of those things which you need so much in order to take advantage of the best use possible of your electricity. Remember these new members considered now must be along the lines at present in operation.

## COLUMBIA GRANGE ACTIVITIES MANY

Tuesday evening, December 5, Columbia Grange held its first regular business and social meeting for December. Twenty-one members were present. State Deputy and Mrs. Wicklander were welcomed and Mr. McCulley and daughter Eleanor were greeted as visitors from Cold Springs Grange.

Votes were cast and recorded for State Grange officers in the nomination. By Grange balloting, Henry Ott, Eugene Buzzard and Childs Barham were elected to serve as the executive committee for Columbia Grange for 1940.

As agricultural chairman, Mr. Ott suggested cooperative effort at this time of year to rid the project of such rodents as gophers and rabbits. State Deputy Wicklander stressed the importance of program planning for the year of 1940 by calling together a cabinet meeting soon after installation, December 12. He also complimented Mr. Ott on his remarks, showing actual functioning of the Grange agricultural committee.

Grangers are asked to remember joint installation of members to be held this year in Stanfield, the evening of December 12.

Mrs. Henry Ott, lecturer for 1940, appointed the following committees to assist her at the second meeting in December, the Christmas party: Adult games, Mr. Knickerbocker and Mr. and Mrs. Zivney; children's treats, Mrs. Corman, Mr. and Mrs. Panages and Childs Barham; children's games and contests, Mr. and Mrs. Lloyd Goodrich, Mr. and Mrs. Lloyd Fix, Mr. and Mrs. Verne Dunham, Mr. Ott and Mr. Buzzard. Each granger is asked to bring small gift suitable for child gift.

The men served capably as refreshment and program members. Mr. Knickerbocker directed contests and games, and Mr. Buzzard served as chief cook. The men without a hitch came through with their part of the bargain as losers in a recent attendance contest and showed flying colors.

## BACHELOR SEWING CLUB ORGANIZED

Five Columbia boys met with Ann Sommerer on Wednesday, November 29, and organized a Bachelor's Sewing club. Officers elected were: President, Clayton Buell; vice president, Dean Stout; secretary, Theodore Panages; live wire, Clifford Panages, and news reporter, Creston Buzzard. The program committee consists of three members.

The purpose of the club is to teach boys how to patch overalls and shirts, mend clothes and darn stockings. One new member, David Blahm, has been added since its organization. This is the first club of this type in Umatilla county.

## MORSE & JACKMAN DISCUSS PASTURES

High producing cows on the very best of pastures sometimes can not obtain sufficient nutrients to maintain body tissues and continue their milk flow without supplemental feeding of high concentrate feeds, so stated Roger Morse, extension dairyman from Oregon State college, at an extension meeting in the community hall Wednesday afternoon. Such animals will maintain their milk flow for a time by using stored energy "off their backs" but eventually will drop their milk production to a point that will permit rebuilding of body fat, he continued in discussing the importance of good pastures for the dairyman. The science of feeding of livestock has progressed to the point where it is necessary to know the production record of each animal in order to get the highest production from a herd, and obtain the greatest returns from a pasture, Morse stated.

Charts showing the amount of available crude protein and total digestible nutrients in most of the common feeds for dairy animals were shown and explained at the meeting.

E. R. Jackman, extension specialist in farm crops, discussed types of pasture grasses and legumes suitable for this area. Sweet clover produces the most pasture of any of the legumes with the exception of alfalfa, but in many cases it is advisable to plant a mixture of such grasses as brome and English rye or orchard grass to increase the palatability, he stated.

Assistant County Agent M. E. Knickerbocker gave a resume of the pasture improvement project in this area, citing the fact that the present plantings of approximately 1500 acres of sweet clover or sweet clover with other mixtures had considerably increased the average per acre carrying capacity of our pastures.

## COLUMBIA GRANGE NOTES

Forty-eight persons were served a full course anniversary banquet last Saturday evening in Columbia school house. Mrs. Mary Harr, on whose birthday the Grange also observes its birthday, was special honor guest. Two gifts, one from the Farm Bureau Auxiliary and one from the Grange were presented to Mrs. Harr.

Fourteen persons, who have declared their desire to become Grangers by submitting membership cards along with the usual two dollar fee, sat at the master's left around the banquet table as guests. A number of boys and girls whose parents are members were welcomed too.

The long banquet table was attractively set, red and white as the predominating color scheme. An interesting lighted santa, standing on a round mirror, encircled with rich red apples, served as the centerpiece. Lighted candle tapers, artificial miniature Christmas trees and dainty sprigs added to the festive picture.

Without a doubt, in every way, Columbia Grange anniversaries are getting bigger and better each year. Following the banquet the group numbered off and four leaders, Childs Barham, Emmett Knickerbocker, Emil Zivney and Fern Zivney directed games, the groups moving progressively so that scores from four contests and games could be recorded on individual score pads. Marion Ott won first place, with Arthur Blinston and Henry Ott winning second and third prizes.

Mrs. Henry Ott and Mrs. Thelma Knickerbocker baked the two decorated birthday cakes. Mrs. Tucker and Mrs. Goodrich roasted the turkeys, one of which was donated by Eugene Buzzard. Other tasty foods furnished by the grange ladies, all of whom proved themselves excellent cooks, included mashed potatoes, gravy, dressing, cranberry relish, olives, pickles, vegetable salads, celery, hot rolls, butter, jellies, ice cream, cake and coffee.

Attractive ginger cookies shaped as stars and bells with grangers' first names scrolled, directed each to his respective seat at the banquet table. The Home Economics club will meet Friday afternoon at the home of Mrs. T. G. Panages.

**Tractor Demonstration Given**  
Rohrman Motor Co. held a tractor demonstration near Boardman Tuesday showing the new Ford tractor recently put on the market by the Ford company. A fair sized crowd was in attendance during the day.

## IRRIGON NEWS ITEMS

By Mrs. W. C. Isom

Mr. and Mrs. Jess White moved to their new home from the Eggleston place last week.

Mrs. Fred Rieks was a Pendleton visitor Monday.

The Ladies Aid of the Community church held an all day meeting at the home of Mrs. W. C. Isom last Thursday. Those present were Rev. and Mrs. Walpole, Mrs. Messenger and Mrs. Warner from Boardman, Mrs. R. V. Jones, Mrs. Geo. Rand, Mrs. Clara Slaughter, Mrs. Walter Grider, Mrs. Fred Rieks, Mrs. Don Isom, Mrs. Earl Isom and Mrs. James Arnberg. The day was spent in preparing for the bazaar which will be held soon.

Mr. and Mrs. Ben Nettor and Mr. and Mrs. Sam Umiker are at the home of their parents, Mr. and Mrs. Frank Leicht. Mr. Leicht was taken to Kennewick for medical treatment Sunday.

The children of Mr. and Mrs. Earnest Stevens are ill with the chicken pox.

As the result of a car wreck near the O. Coryell store Saturday, Mrs. Massey from Ukiah suffered a broken collar bone and other slight injuries.

Mrs. Ruker and Mrs. Suddarth are employed at the turkey picking plant at Hermiston.

The state examiner for auto licenses was in Irrigon Monday.

Bert Dexter and Ray Sparks are employed across the river picking turkeys for Mr. McNealey.

Miss Casteel, primary teacher, was called to Portland Wednesday by the serious illness of her sister with pneumonia. Mrs. Ralph Jones is substitute teacher during her absence.

Mr. and Mrs. Robert Smith left Tuesday for Lansing, Michigan. They will return with a new car.

The Irrigon basketball team won the game with the Ione team Friday night with the score 18 to 21.

Mr. and Mrs. Ora Hathaway, Mrs. Anna Cork and son Glen and L. L. Cork, all of Hood River, were Saturday night and Sunday guests of Mr. and Mrs. W. C. Isom.

The high school play given Saturday night was attended by a large crowd and much praise was given the cast of characters and their director, Miss Mary Crooks.

Mr. and Mrs. Darrell Cork from Mitchell, Ore., visited their aunt and uncle, Mr. and Mrs. W. C. Isom.

**Miss Benseel Club Secretary.**  
An item appearing in last week's issue gave Ann Sommerer as secretary of the recently organized Hermiston Club Leaders' association. The story should have read Grace Benseel, secretary.

**Engagement Announced.**  
Mr. and Mrs. A. J. Rueber announce the engagement of their daughter, Alice, to Myrnie E. Caldwell, son of Carl J. Caldwell of The Dalles. No definite date has been set for the wedding.

**HERMISTON BAPTIST CHURCH**  
Graydon D. Loree, Pastor  
The Sunday morning worship begins at 11 o'clock. Sunday school is at 10. B. Y. P. U. at 6:45 p. m. Evening service begins at 7:45. The topic will be, "A Place of Refuge." Prayer meeting Wednesday, 7:30.

**METHODIST CHURCH**  
Stearns Cushing, Pastor  
The theme for Universal Bible Sunday this year is "The Truth That Makes Men Free." The local Methodist church will join in this observance on Sunday, December 10, at the 11 o'clock worship service. Our own nation, born of devotion to the Bible, is forgetting its great heritage. In much of Europe the Bible is either banned or supplanted by other books. In vast areas of the eastern world the Bible is scarcely known. Bible Sunday offers thousands of worshipping congregations the opportunity, through gifts to the American Bible Society, to carry out more extensively its time-honored pledge to Christian people everywhere to "encourage the wider circulation of the Holy Scriptures."

At 10:00 a. m. the Sunday school meets with competent teachers in every department. You shouldn't miss this chance of studying God's Word.

The Epworth League meets at 7 o'clock with Leonard Mopps leading. The meditation service will feature the "Greatest Thing on Earth."

**TOWNSEND CLUB NEWS**  
By MRS. JOE UDEY  
The club met Friday night, November 24, and transacted many important business issues. Official Club Bulletin No. 112 was read and in this was instruction to members in regards to the salute to the flag. The instruction follows:  
"There seems to be a little doubt in the minds of some club members on how to salute the American flag. The following procedure is prescribed by public schools in Washington, D. C.: Standing with right hand over the heart, repeat the pledge, 'I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands. One nation, indivisible, with Liberty and Justice for all.' At the words 'to the flag,' the right hand is extended, palm upward and this position is held to the end."

There is no more patriotic organization than the Townsend group and the club officers should give the correct procedure for the salute to the flag to all members.

A report from California papers giving Dr. Townsend credit for the defeat of the Egg and Ham bill was given. Dr. Townsend made several radio addresses in opposition to the bill and immediately the odds rose 2 to 1 against the measure.

Throughout his broadcast he appealed to the rank and file of the Ham and Eggers as follows: "I want you to know that I sympathize with your objectives as far as they include prosperity and security for all people of our state and nation. It is only with your methods that I am in disagreement. I hope you good people who have mistakenly supported it will not be too downcast for I would like to welcome you into the Townsend movement for that is the only way you can get what you want—it must be a national movement."

The next meeting at which time more topics of national interest will be discussed will be held in the Legion hall on Friday, December 8, at 8:00 p. m. This meeting will be of great interest, not only to Townsends but to all citizens of the community. A most cordial invitation is given to the public and, of course, there will be no admission charge.

The next meeting will be nomination of new officers. Members are urged to be present. The nomination committee will present its nomination slate but all members have the right to make nominations from the floor. The election of officers will take place the last meeting of the month.

**WANTS**  
1c a Word - Minimum 20c

**FOR SALE—USED SINGER SEWING** machine. In excellent condition. Inquire Hermiston Food Store. 16-3c
