sisting of two candelabra, one at either end of the centerpiece, with four mirror like glass candles in each, while in the center between the candelabra was a large crystal bowl filled with branches of holly glowing with bright red berries. The judges were Mrs. Nathan Bard, president of the Stanfield Garden club, Mrs. A. C. Ebert, president of the Echo Garden club and Mrs. H. B. Hull of Umatilla. There were several guests from other clubs in this vicinity.

It was decided that the club will sponsor the Pendleton Male Chorus again this year. The date will be on or about January 19th.

All members who are interested in joining a group who will meet and listen to the Garden club program put on the air over KUJ each Friday afternoon are asked to contact the president, Mrs. F. B. Belt in the near future.

The Christmas lighting committee hopes that it will be possible for every home to have a lighted candle or wreath in the window during the Christmas season or place their tree near a window so that the passer by may share in its beauty.

There will be no meeting this month, but after the holidays we will begin anew with an interesting program ahead of us in preparation for the spring planning and planting.

BULLDOGS WALLOP IONE HIGH 47 TO 13

Coach Ray Critchfield's high school basketball team rebounded from the Pendleton games and defeated Ione at Ione Tuesday night by a 47 to 13 count. The Bulldogs completely outclassed their opponents in all departments, with Pierson, Tiller and Corpe throwing in points from all angles. Pierson swished the net for 17 points, while Tiller and Corpe each made 10.

The Baby Bulldogs, however, got off on the wrong foot and were handed a 10-9 defeat. G. Miller was high man with five markers.

The A team began to click early in the game and the outcome was never in doubt. Pierson was decidedly "on" and sank field goals from all parts of the floor. The boys showed a better offense and handled the ball in mid-season form.

The lineups follow:

Hermiston 47	13 Ione
Holloman 5	5 Palmateer
Pierson 17	F 1 Eubanks
Tiller 10	C 5 Brady
Smith 1	G 5 Bergstrom
Corpe 10	G Ledbetter

Substitutes: Hermiston—Gettman, 2, Ripley, Crampton 2. Ione—Peterson 2, D. Peterson, Hoskins. Official, K. A. McKenzie.

TOWNIES PLAN FOR BASKETBALL YEAR

Organization was completed Tuesday night for a town basketball aggregation. Twelve interested players met in the high school gymnasium and indications were that a fairly strong aggregation could be organized. Fred Reeves was elected as manager and will handle incidental details.

Several inquiries have been received for games with outside towns but to date no definite schedule has been worked out. The next regular practice will be held Monday night, December 18.
