**MERRY CHRISTMAS**

Another year . . . another Christmas . . . may it be your happiest and most joyous!

**INLAND COOPERATIVE**

**Christmas Cantata Is Enjoyed**

An enthusiastic audience greeted the annual Christmas cantata presented in the auditorium Friday evening. The combined glee clubs rendered admirably a program of thirteen Christmas numbers, interspersed with band music of both the spirited march type and the more classic nature.

The glee club was directed by Miss Ross and accompanied by Miss Phyllis Sires.

Soloists were: Mary Hazen, Eleanor Sires, Barbara and Frances Follett, Virginia Todd, Ellen Hammill, Bob Jackson, Allan Clarke and Glenn Warner. Miss Conner, assisted by Al-

ice McGraw, Elsie Rauch, Naomi Moore, Florence Roberts and Margaret Jones, volunteered refreshments for the members of the band and glee club.

**PENTECOSTAL TABERNACLE**

Rev. E. Dudley Greeley, Pastor  
There was a definite divine purpose in decreeing that the Son of God should enter the world under humble circumstances. The fundamental evil of human nature, in all races, is selfishness. If He had appeared as a mighty prince it would have exalted the rich, and discouraged the poor. If He had come as a great philosopher He would have satisfied the learned, and neglected the unlearned. But He came in that lowly condition which had the most direct influence to destroy selfishness and pride, and foster in their stead, humility and kindness.

Attend church Sunday. Our Bible school meets at 10 a. m. Devotional at 11 a. m., and Christmas Sunday School program in the evening at 7:30, under the direction of Mrs. E. D. Greeley. Our Sunday morning service will be of interest and encouragement to you.

The pastors of this church, Rev. and Mrs. E. D. Greeley, extend to all the people of this community their sincere greetings of the season.

**HERMISTON BAPTIST CHURCH**

Grayden D. Loree, Pastor  
Our Sunday morning topic will center around the words, "I Came!" "But when the fullness of the time was come, God sent forth his Son, made of a woman, made under the law, to redeem them that were under the law, that we might receive the adoption of sons." Gal. 4:4, 5. Christ came the first time as a babe in the manger when "the fullness of time was come", not a moment sooner or later. He will come again at the appointed time set by the Father.

Information on our Christmas program will be found on front page.

**HERMISTON UNION CHURCH**

Rev. C. Warner, Pastor  
Sunday we celebrate the birth of the Savior of the world. He has only one plan for saving the world and that is through the church, so certainly the proper place and proper way to celebrate His birth would be in this church in a worshipful attitude. Let's all avail ourselves of that privilege on Sunday morning and evening in some one of the churches in our community.

Our Bible school meets at 10:00 o'clock, with classes for all ages.

The morning worship service at 11:00, and we shall worship around the theme, "The First Christmas Message." Dan Lindsay, the Scotch singer, will sing "O Holy Night."

The evening service will be given over to the presentation of "Gifts For The King."

**METHODIST CHURCH**

Rev. Stearns Cushing, Pastor  
The congregation of the local Methodist church will be privileged to hear Dr. Sydney W. Hall, district superintendent of the Cascade District, next Sunday morning at the 11 o'clock worship service. His message will be timely, inspiring and interesting. This will help you to celebrate Christmas.

When God said, "Let there be light," and "There was light," He did not completely banish darkness from the physical universe nor from the experience of men and nations. In the fulness of time, the Light of the World burst in the heart of a Judean mother nestling her first-born in a Bethlehem stable and upon shepherds and wise men whose eyes were trained by long waiting to see a dawning light and whose ears were attune by spiritual living to hear the songs of angels.

Other service of the day will be the usual Sunday School hour with a class for every age from the tiny to the aged. The hour is 10 a. m. Start Christmas right by attending a religious service in some church in your community.

**CHRISTIAN SCIENCE CHURCHES**

"The Universe, Including Man, Evolved by Atomic Force?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, December 17.

The Golden Text was, "All thy works shall praise thee, O Lord; and thy saints shall bless thee. They shall speak of the glory of thy kingdom, and talk of thy power" (Ps. 145:10).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "By the word of the Lord were the heavens made: and all the host of them by the breath of his mouth. He gathereth the waters of the sea together as a heap: he layeth up the depth in storehouses" (Ps. 33:3, 7).

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God creates and governs the universe, including man. The universe is filled with spiritual ideas, which He evolves, and they are obedient to the Mind that makes them" (p. 295).

**BOARDMAN NEWS**

By Ruth Fisher

V. I. Mocre, who has been selling and buying old gold and collecting watches for repairs, was arrested here Saturday by Sheriff Bowman and State Policeman Bob Baker. He was charged with collecting the watches on a pretense of repairing them and then keeping them. The police had complaints from five counties, and although no evidence was found, he was positively identified by at least three persons as the man who took their watches. He left a family of six children and a wife destitute in one of the auto camps here. Food has been obtained for them from relief.
