## STANFIELD FARMER GETS FIRST FORD TRACTOR THIS WEEK

The first new Ford tractor with Ferguson wheelless implements to be purchased in the Stanfield territory was delivered this week to Don and Emil Zivney by Rohrman Motor Co., dealer for this district. Mr. Zivney's farm is located east of Stanfield and already many interested farmers of the neighborhood have visited the farm to see the new tractor in operation.

"Although it weighs only about 2000 pounds, the new Ford tractor will do all kinds of farm jobs, from plowing with a two-furrow plow to supplying belt power for threshing," said Mr. Rohrman. "It is very compact in design and when equipped with the Ferguson hydraulic wheelless implements it will work right up to the fences and into corners."
