BOARDMAN NEWS

By Ruth Fisher

Clyde Tannehill was called to Long Beach, Cal., by the serious illness of his mother who suffered a stroke. Mrs. Sophia Barlow is carrying the mail in his absence.

The Missionary Society met at the home of Mrs. Walpole Wednesday afternoon. Mrs. Abbie Hills of Baker, president of the Eastern Oregon Presbyterial, was present.

Mr. and Mrs. E. Simila were called to Portland Sunday by the serious illness of their uncle, Mr. Hango. Mr. Hango formerly resided here.

Miss Tilden and Miss McGrew motored to Portland over the week end.

The young people enjoyed a taffy pull at the home of Miss Lois Messenger after choir practice Monday evening.

There is to be a basket social at the Grange hall Wednesday evening. It is for the benefit of the Townsend club.

SOUND EQUIPMENT ADDED TO GYM

A new sound system, consisting of two eleven inch speakers, a Webster sound box, and the latest microphones, has been installed in the gym-auditorium by the Mor-Tone Sound Service.

This type of equipment was recommended by Oregon State College, and is reputed to be peerless for announcing and amplifying purposes. The cost exceeded \$200.00. Installation will be complete with the replacement of the temporary limited sound box this week.

The service will aid in the presentation of programs from the stage, at basketball games, and in the conducting of meetings. As well, it is hoped that dance music can be played from records.

A special attachment is a portable microphone which can be located in any part of the room.

BAND MEMBERS AWARDED PRIZES

January brought pins and prizes to deserving band members. All who had practised one hour per week or 18 hours altogether outside regular school band hours received handsome pins; gold in color and with a chain and standard with the words, "Band" and 40 engraved thereon.

Awards of five dollars each were given the band members who had improved the most during the past semester and to the best all around musician. These were awarded to Bill Belt and Janice Madden respectively.

Mr. Humphreys made a short speech on the difficulties to be encountered by graduating seniors, giving several valuable pointers on how to overcome these. He emphasized the importance of self-respect in one's life and said, quote, "Self respect is your greatest help toward future happiness."

Mr. Humphreys had conducted the band since it was organized in 1937. Every semester prizes such as were just awarded are given.

The band has now some 60 members and is progressing rapidly.

Artist to Illustrate Classes

A well known artist has been engaged to illustrate the studies of typing classes. The artist and the instructor, working in close harmony, have planned a series of weekly cartoons that will depict the new problems taken up by the students. It is expected that the drawings known as "The Key Punchers" will add an amusing note to an already interesting class.

The theme for the week just closed was "His First Eraser" and the one for this week is "Manuscripts."
