Marble, Miss Snow Mc-Coy, Miss Maxine Faust, Miss Zelda Curtiss and the hosts and hostess.

Sweetheart Cake

You're never too old to have a sweetheart! So, young or old, here's a way to say "Be My Valentine" next Wednesday. Present your sweetheart with a Sweetheart Cake. You can get this delicious Valentine-shaped cake at Shaw's Bakery. It's a real home-style sort of a cake made from a Betty Crocker recipe and is flavored with the juice from fresh oranges. It's topped with a delicious white icing—studded with little red candy hearts. And its crowning glory is that it comes shaped like a real Valentine.

We will start selling these cakes Monday, but whether you are a young one with a "date" or an oldster whose sweetheart's hair is streaked with silver, it is a good idea to order your heart-shaped Sweetheart Cake today! Drop in or phone us to hold one for you.

SHAW'S BAKERY
Hermiston, Oregon

"It takes 5 minutes to adjust the clutch, 15 minutes to reline it."

THE clutch on a John Deere General Purpose Tractor is in the belt pulley—and is instantly accessible. It can be adjusted in 5 minutes or less, simply by removing the cover plate and tightening three nuts. The entire job of relining can be done in 15 minutes, at a total cost of about three dollars. The John Deere clutch is the hand-operated, dry-plate type, and it picks up the load gradually and smoothly. You can operate the clutch when standing on the ground. This same accessibility and ease of adjustment on the John Deere Tractor apply to all its parts.

- FEATURES**
- Simple, rugged, two-cylinder engine
 - Designed to burn low-cost fuels with outstanding economy
 - Thermo-siphon temperature control
 - Belt pulley on the crankshaft—full engine power to belt
 - Rear wheels adjustable from 56 to 84 inches
 - Hydraulic power lift.
