### Hermiston Baptist Church

Grayden D. Loree, Pastor  
Our Sunday morning worship service will be in dedication of the recently remodeled interior of our building. The theme of our message will be "Why the Baptist Church?"

Often we hear said, why don't all the churches unite and make one big church? If we were truly Christians could we not do that? Our answer is that there was a time when there was only one church. We call that period of history the "Dark Ages."

The evening topic will be "Death in the Pot." II Kings 4:40.

Truly, Oh man, death is a mystery. Only God's Word is able to make known to us what takes place at man's death.

### CHRISTIAN SCIENCE CHURCHES

"SOUL" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 18.

The Golden Text was, "I will set my tabernacle among you; and my soul shall not abhor you. And I will walk among you, and will be your God, and ye shall be my people" (Leviticus 26:11,12).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "For the Lord God is a sun and shield; the Lord will give grace and glory; no good thing will he withhold from them that walk uprightly" (Ps. 84:11).

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Day may decline and shadows fall, but darkness flees when the earth has again turned upon its axis. The sun is not affected by the revolution of the earth. So Science reveals Soul as God, untouched by sin and death, — as the central Life and intelligence around which circle harmoniously all things in the systems of Mind" (p. 310).
