R. E. McGreer made a business trip to the Heppner country Tuesday.

Tom Boylen Jr. was on the Creek Monday, visiting his ranches.

**AMERICAN BOY MAGAZINE**  
COMPANION TO THOUSANDS

Hundreds of thousands of boys and young men read The American Boy magazine every month and consider it more as a living companion than as a magazine.

"It's as much a buddy to me as my neighborhood chum," writes one high school senior. "The American Boy seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in The American Boy."

Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in The American Boy magazine. Virtually every issue offers advice from a famous coach or player. Football, basketball, track, tennis, in fact every major sport is covered in fiction and fact articles.

Teachers, librarians, parents and leaders of boys clubs also recommend The American Boy enthusiastically. They have found that as a general rule regular readers of The American Boy advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in The American Boy, the sort of reading matter boys like best.

The American Boy sells on most newsstands at 15c a copy. Subscription prices are \$1.50 for one year or \$3.00 for three years. Foreign rates 50c a year extra. To subscribe simply send your name, address and remittance direct to The American Boy, 7430 Second Blvd., Detroit, Michigan. adv.

**WESTLAND GRANGE**  
CONFERS DEGREES

The Y. G. A. degree team conferred the first two degrees on a class of three candidates for the Westland Grange at the last regular meeting. Those taking the degrees were K. D. Pierson, Louis P. Pierson and Don Alstott. They will be given the third and fourth de-

grees at a later date. In the order of business the agricultural committee made several announcements pertaining to benefit payments, and other matters, and the cooperative committee discussed decisions made at a recent meeting of the board of directors of the Inland Cooperative.

Following the degree work and regular business a St. Patrick's day program was given by Mrs. Margaret Seeliger, and A. E. Rugg. Mrs. Seeliger led several games in which both old and new members participated, and Mr. Rugg conducted a "Prof. Quiz" program in which Mrs. J. D. Corliss took high honors. Mrs. Seeliger announced that the social meeting of the Grange on March 28 would be open to Grangers and their friends, and that motion pictures of local events would be shown. This meeting will, as usual, be held in the Odd Fellows hall at 8:30 p. m.

Following the program refreshments consisting of pie a la mode and coffee, were served by the committee headed by Mrs. A. E. Rugg.
