

Consumer Cooperatives

are a practical application of the highest social ideals and the soundest economic principles. They tend to correct quietly but surely the fundamental faults of modern business. They eliminate profits and subsequent tendency to exploit the customer and substitute the distribution of goods and services at cost. We submit as obvious that cooperation is a higher, better and more workable principle than competition.

GARDEN CLUB CHATS

By Mrs. T. A. O'Grady

Mrs. B. A. Doyle, chairman of the flower show committee, suggests that when the members receive the flower show schedule that they study it carefully, marking all the classes in which they intend to exhibit, basing their plans on the material they will have in their garden at the time of the show, April 27th.

In most classes the exhibitor may show only home grown flowers. There are some classes, however, in which it will be possible to use flowers not grown by the exhibitor. These classes include the arrangement classes, the miniatures, shadow boxes and dish gardens. This will be plainly stated on the schedule.

The scale if points to be used in judging straight classes, specimen blooms, will be as follows:

Color	25%
Size	20%
Stem	20%
Form	15%
Substance	20%

Total points 100%

The scale for arrangement will be given at a later date. The scale of points to be used in judging the classes for house plants are as follows:

Cultural perfection	35%
Size of plant	20%
Floriferousness	20%
Color	15%
Foliage	10%

Total points 100%

Foliage plants or cacti:	
Cultural perfection	35%
Size of plant	25%
Distinctiveness	15%
Good shape according to variety	25%

Total points 100%

The next meeting will be Friday, April 12th. The class studying judging will have charge of the meeting.

The flower show committee asks that members bring all the small olive or pickle bottles that they have saved to meetings so that they may be used to hold specimen blooms at the show.

PRISCILLA FOUR-H GROUP PLANS SALE

The Priscilla 4-H Sewing club met in the high school Home Economics room Monday afternoon to plan for a food sale to be held in Burnham's store Saturday, April 6. Members include Grace Benschel, president; Donna Saylor, secretary; Lucy Holloman, vice president, and Marion Andrews, Florence Kowitz, Lorene Holling, Lois Williams, Kay Logan, Anne Piersol, Lauree Gimble, Ina Van Arsdale, Barbara Burchett, Anna Belle Moyer and Thelda Milan.

The food sale is for the purpose of sending a member to summer school if possible.

SHEEP CLUB HOLDS MEETING SATURDAY

The 4-H Sheep club met Saturday, March 23, at the office of M. E. Knickerbocker, assistant county agent. Club material was distributed and plans made for the club year. All members were present and one new member added, Kenneth Benschel, who starts his first year with the sheep club. Gaylord Madison talked to the members about care and management of the range flock. The next meeting will be at the Madison farm about April 20.

SHOW BIRDS AND EGGS OFFERED

Do you want to hatch out some extra fine show birds? Here's your chance.

The Oregon State Game commission has a surplus of show bird eggs of the Golden, Amherst, Silvers and Reeves variety of pheasants which will be given without cost to applicants as long as the supply lasts. Applicants must pay transportation costs. The commission also has a limited surplus supply of show birds that will be sold at a nominal price.

Both the eggs and the birds are located at the state game farms at Eugene and Pendleton. Applications should be made to Frank B. Wire, state game supervisor, 616 Oregon building, Portland, Oregon.

TWO FINAL HOME DEMONSTRATION EVENTS PLANNED

Two events which will mark the close of another year's work of the Home Demonstration Agent's program were planned by the County Home Extension committee when they met with Mrs. Dorothy Bishop, acting home agent, at their last bi-monthly meeting held recently.

The Fourth Annual Homemakers' Day will be held April 17 in the Vert Memorial, Pendleton. This is an open meeting for the public. The morning session will be devoted to exhibits and demonstrations; luncheon will be served in the Junior High school cafeteria. During the afternoon session there will be a style review of garments made by women at a recent dressmaking school. Mrs. Buena Maris, extension specialist in family relationships of Oregon State college, will be the speaker of the afternoon program. The awarding of the gavel to the extension unit

ranking highest in specific qualifications will be made by the county committee.

The second event planned by the committee will be the Program Planning day to be held May 3 in the Little Theater of the Vert Memorial. The chairman and one other from each Home Extension unit and cooperating organizations will meet to plan the program for the coming year. Mrs. Azalea Sager, state home demonstration agent leader, will meet with the group. Election of new county committee members will be held at the opening of the afternoon session.

CARD OF THANKS

We wish to thank our neighbors and friends for the kindness and sympathy shown during the illness and death of our husband and father, Frank Leicht. We especially thank those who presented floral bouquets for the funeral.

Mrs. Frank Leicht
Frank Leicht Jr.
