

Unite or Perish

By C. E. BANNING

Out of the welter of rumors, claims, lies and propaganda coming to us from the flaming fronts of Europe one message stands out so that however dull we may be we cannot misunderstand, and however skeptical we cannot but believe. Unite or perish!

Hardworking, thrifty, honest peoples are not able to stand alone when ruthless aggression is abroad in the world.

Is there no lesson here for us as individuals? To be honest, capable, thrifty and industrious is not enough in world affairs, neither is it enough in individual affairs. The business struggle for the divisible part of our income is as ruthless and unregulated in many respects as the European war. The taking over of our property and resources is as relentless and complete as any conquest, even though less spectacular.

Will we stand alone and trust in the kindness and fairness of larger and more powerful forces or will we unite and safeguard our interests and use the profits we now scatter among so many agencies to build up our own position?

GARDEN CLUB CHATS

The date of the second annual flower show, April 27, draws nearer and nearer. Anyone interested who does not have a schedule, can obtain one at either The Hermiston Drug Co., Thompson's Drug Co., or the Herald office. Anyone is eligible to enter for competition and the club hopes that everyone in this vicinity will respond.

If you have a plant or flower and there is no classification for it, please bring it and it will be marked "For exhibit only, not for competition." Every entry either for competition or for display only, adds to the size of the show and to the beauty of the displays.

The flower show belongs not only to the Garden club but to the city of Hermiston and the entire vicinity, and everyone is asked to do his or her part by entering in any or all classifications on the schedule. If you do not have anything to enter then do your part by coming to the show and enjoying it with us. There will be no charge. The time will be from 3 to 10 p. m. and the place is the Hermiston high school gymnasium. A silver tea will be served.

Mrs. B. A. Doyle, chairman of the flower show committee, asks all the members to bring the small olive and pickle bottles that they have been saving for use in displaying specimen blooms.

♦ ♦ ♦
This is the time to plant zinnias, the official flower for Hermiston and vicinity. Anyone who would like some home grown zinnia seed saved from choice blooms may have it free of charge if they will call at Stewart's Service Station, as long as the supply lasts.

♦ ♦ ♦
The next regular meeting of the Garden club will be Friday, May 10.

HERMISTON BAPTIST CHURCH

Grayden D. Loree, Pastor

"For whosoever will save his life shall lose it; but whosoever shall lose his life for my sake and the gospel's, the same shall save it." This famous paradox of Jesus works the same today as it did in that day. The Dead Sea is dead because it takes in everything that comes to it but never gives anything out. We shall think about these eternal truths in our Sunday morning service.

Our topic for Sunday evening will be "Five Fools." Sometimes it pays to be a fool—other times it does not. Services at the usual hours.

METHODIST CHURCH

Stearns Cushing Jr., Pastor

The great concern of Christ was men. Following this line of thought our morning worship service will center in the subject, "For the Sake of Others." The duty of building up our brother man in everything that is grand and noble is a constant duty. There is no duty superlative to it. There is no duty that carries such permanent results. Its results are among the eternities of God.

The church can help you. Why not let it? You are invited to worship with us.
