GREAT FOREFATHER TODD HONORED BY KENTUCKY COURT

R. C. Todd, sage of Hermiston, is in receipt of an address recently given by Edward C. O'Rear, president of the Franklin County Bar Association of Kentucky, at exercises held in the Chamber of the House of Representatives at the Kentucky capitol, Frankfort. The address dealt with the life history of Justice Thomas Todd, former justice of the United States Supreme Court. Justice Todd was a great grandfather of R. C. Todd of Hermiston.

Included in the address was the following, dealing with the estate left by Justice Todd to his children: "Besides his home on Wapping St., valued at \$25,000, he owned a farm of 50 acres adjacent to South Frankfort, another farm of 100 acres in Woodford county; 1485 acres in Garrard; 400 acres in Muhlenberg; 1666 acres 'on the Mississippi below the iron works'; 2500 acres west of Tennessee; 1000 acres on Green River and some 20 odd pieces of real estate in the City of Frankfort. After having provided for his elder children their full proportion, the remainder of his estate, at the low values then put on out lands in Kentucky, totaled \$70,429."

R. C. Todd states, however, that his father who inherited a considerable portion of the estate, lost all of it in the panic of 1873 when conditions became much worse than they were in the recent so-called depression.

PILGRIM HOLINESS CHURCH

Alice Norris, Pastor
We, as a people, not only invite but urge that you find yourself Sunday under the sound of the Gospel. There is a question we all must solve, "What shall it profit a man if he gain the whole world, and lose his own soul?" Have you counted the cost? This is the most important thought to which you can give attention. "How shall we escape if we neglect so great a salvation?" Heaven or hell awaits us at the end of our journey.
Special services all day Tuesday, May 28.

METHODIST CHURCH

Stearns Cushing, Pastor
"The Ladder of Faith" will be the sermon title for the morning worship service Sunday. In these days when the forces of evil and might seem unconquerable, we need to reaffirm our belief in the power of God; trust him and do our part. Hear this timely, positive, encouraging and challenging message.
Remember the study of God's Word in the Sunday School hour. Also the evening services of the Epworth League and the meditation hour.

A cordial welcome awaits you in this friendly atmosphere of Christian worshippers.

HERMISTON BAPTIST CHURCH

Grayden D. Loree, Pastor
Sunday morning our topic will be "What Should the Christian Do About War?" If our country should be drawn into the present war, what should your position as a Christian be? Would you bear arms? Would you support the war in civilian service? These are questions which we may be called upon to decide.
B.Y.P.U., which meets at 7 o'clock, will be led by Jean Follett. This will be followed by our evening service at which time we shall begin a series of studies in the book of Genesis.
