

THE AIMS

of the cooperative movement include collective ownership and democratic management, and control of the means of production, distribution and exchange of wealth.

We have food and drug acts, standard container laws and similar legislation which control to some extent the vices of cutthroat competition and private ownership. They are some protection for the people against being cheated and poisoned for the satisfaction of capitalist greed.

Consumers should realize however, that effective regulation can only be established through democratic ownership by the consumers themselves.

good blunt-pointed lead pencil for writing the name and you will have as near a permanent label as can be desired. Holes are readily punched in the metal for ganging or tacking up. These labels have been known to last for twenty years."

Clean up days for the city of Hermiston are May 21 and 22, and will be sponsored by the Hermiston Commercial club and the Hermiston Garden club. Mrs. Julius Gimble is general chairman for the Garden club. Mrs. Gimble will be assisted by captains who have been appointed for each block and the boy scouts.

The committees ask that all trash to be hauled away be placed in the alley or at the curb in boxes or sacks, as it will not be hauled if left elsewhere.

The city will pay for the hauling, which will be done on May 22 and 23.

The next meeting of the club will be May 24 when a color film on Flower Arrangement will be shown by a representative of the Coca Cola company. Come and enjoy it. No admission will be charged.

TOWNSEND CLUB NEWS

By MRS. JOE UDEY

Another meeting of the club was held at the Legion hall May 10, at which time important business was transacted. Ted Hatfield was elected to go to Redmond the 12 of May as a delegate to the Townsend State convention. Plans for the Townsend dance at the Columbia hall Saturday the 18th were made, and the club urges the public to come and enjoy the evening dancing and playing games.

A flash from Congressman Homer Angell—160 real Americans have declared they desire to stamp out poverty from America by signing our discharge Townsend petition. He further states "I do not believe that Congress should adjourn until it has been able to solve the unemployment and social security problems, and at least it should before adjourning take up the Townsend plan and give it full and complete consideration with a view of enacting it into law." Mr. Angell is strongly opposed to the under cover movement to bring America to the brink of war.

Our next Townsend meeting will be May 24 in the Legion hall and all those who are interested for late reports of our bill are urged to be present at our meeting.

OFFICIAL CLEANUP DAYS ARE SET

(Continued from Page One)

Hale (Main street proper), Jess Connor, Al Quiring, Julius Gimble and Gwyn Hughes. Across the tracks: Ben Gerking, Alton Sisson, W. W. Felthouse, Dr. F. B. Belt, Dr. W. L. Morgan, B. J. Nation and B. A. Doyle.

Cleanup work should be completed at least by Wednesday night but the trucks will begin work Wednesday morning and those that can, should do some of the work Tuesday. It is requested that all papers and leaves be burned and not placed with the rubbish to be hauled away as this tends to cause an unsightly scene at the dump grounds and also proves a fire hazard.

B. A. Doyle, Hermiston fire chief, advises that all dry grass and rubbish be cleared away from outbuildings as this proves a serious fire hazard during the dry season.

The cleanup program is being aided by the cooperation of the Hermiston Garden club which is attempting to fulfill some of the projects which are being sponsored by the Oregon Roadside Council which lays stress on beautification of roadsides and streets. The Garden club, the Hermiston Boy Scouts and others have volunteered their efforts in making this year's cleanup a grand success.

BASEBALL

Pilot Rock vs. Red Sox

Hermiston is now tied for top position.

Sunday, 2:00 p.m.

Anyone in need of help is asked to get in touch with Julius Gimble, scoutmaster.

PAST WEEK BRINGS WARM WEATHER

Hermiston residents were given a slight warning of approaching summer weather this week when the thermometer jumped to 93 last Thursday but gradually cooled off the first of the week. A slight drizzle cooled the atmosphere Monday morning.

The following is the weather report for the week according to Chas. Taylor, local weather observer.

Date	Max.	Min.
May 9	93	44
May 10	90	60
May 11	80	57
May 12	77	45
May 13	78	36
May 14	79	53

SCOUT CAMPOREE SET FOR MAY 18-19

The All Council Camporee for Boy Scouts will be conducted at Immigrant Springs state park on Saturday and Sunday, May 18 and 19. The Camporee will be conducted on a Patrol basis. Patrols competing must be regular Patrols from registered Troops, and not Patrols chosen for the Camporee only. Each Patrol must have at least six members present in order to enter (two substitutes allowed). To make the Camporee most effective, a system of rating Patrols will be used.

Scoutmasters, Assistant Scoutmasters, Junior Assistant Scoutmasters and Troop Committeemen will be used as observers and judges. Each Troop should furnish part of the adult leadership and enter one or more Patrols.

The purpose of the Camporee is to have Patrols of Scouts come into the Camp carrying all of their equipment necessary for the duration of the stay, set up their camp under the direction of the Patrol officers, carry out a satisfactory Patrol camping program, doing everything on a Patrol basis, and, at the close of camp, pack their equipment and carry it off as though they were packing it home.

PINE CITY NEWS

By Mrs. Bernice Wattenburger

Those attending "Gone With the Wind" in Heppner included Mrs. Chas. Bartholomew, Mrs. Emil Grochen and Mr. and Mrs. Marion Finch. Pine City school enjoyed their annual school picnic on the lawn at the Roy Neill home. The Alpine school joined them for Friday and contributed to the lunch.

Mrs. R. E. McGreer returned from a week's trip with Mr. McGreer Friday.

Mrs. R. E. McGreer spent Saturday afternoon in Pendleton. She took

Mrs. Lois Kent, John Edward Harrison and Bob Gronvold with her. The boys enjoyed the carnival.

Mr. and Mrs. E. B. Wattenburger and family spent Saturday in Pasco and Walla Walla, transacting business.

Mrs. W. A. Moore of Ranier, Ore., spent the past ten days with her daughter, Mrs. Russell Moore. Her daughter and family, Mr. and Mrs. Clay Hiemuller and son from Portland spent Wednesday and Thursday here and took Mrs. Moore with them.

Mr. and Mrs. Clayton Ayers and family were Heppner callers Sunday. Mr. and Mrs. Bert Young and son and Mrs. Wilma Roberts and son of The Dalles are visiting their parents, Mr. and Mrs. Bill McCarty.

A group of Pine City friends including Mr. and Mrs. Clayton Ayers, Mr. and Mrs. Russell Moore, Mr. and Mrs. Marion Finch and Mrs. R. E. McGreer surprised Burl Wattenburger on his birthday Monday evening. The evening was spent playing pinochle, and refreshments were served by Mrs. Wattenburger.

A surprise handkerchief shower was held at the Chas. Bartholomew home Tuesday afternoon, honoring Mrs. Frank Helms. Mrs. Helms is leaving the last of the week for her new home in Spokane.

Parents attending baccalaureate services at Heppner from Pine City included Mr. and Mrs. Harold Wilkins, Mr. and Mrs. Roy Neill, Mr. and Mrs. John Healy and Mr. and Mrs. Jim Daley. The graduates are Gordon O'Brian, Cecilia Healy, Mary and Patricia Daley and Guy Moore. Graduation exercises will be held Saturday evening.

Mr. and Mrs. Chas. Bartholomew spent the week end in Spokane, returning Monday evening.

Mrs. Ethel Knighton spent Sunday evening with her mother, Mrs. Roy Neill.

Mr. and Mrs. Roy Neill spent Thursday in Pendleton. Commissioner Neill spent Monday visiting in Irion and Boardman.

The Pine City school district met jointly with the Alpine school board Monday evening to discuss joining the schools for the coming year.

GARDEN CLUB CHATS

This is the ideal time of the year to make a pool. We have just seen one made from three galvanized wash tubs set in the ground in the form of a three leaf clover, which was very effective. This pool took very little labor and was ready in short notice. The new tubs were thoroughly washed and soaked to remove all particles of metal which might injure fish or plant life before placing them in the ground. Rocks were placed irregularly around the outer edges of the tubs to hold the soil and to hide the rims. Small annuals such as sweet

alysium and dwarf phlox with one of the trailing sedums were planted in between.

The Garden Encyclopedia, which will be found in the library, will furnish directions for making a pool, also advice for pool-side plantings as well as a list of water plants for planting inside the pool. Summer will bring a keen appreciation of even a small pool.

We have all wished for a good cheap plant label that we might mark special plants. Here are directions for making some which were given in a recent number of the Horticulture magazine: "Secure a narrow strip of galvanized metal and cut it in any width and length you desire. Use a
