ine corps to 34,000 enlisted men, its greatest peace time strength. Due to this great increase, promotion will be faster than it has been at any time during the past 20 years, the captain said.

Branch recruiting officers are being opened at Boise, Idaho, and Walla Walla, Wn., to help in handling the increase.

Male United States citizens between the ages of 18 and 30, without dependents, of good habits and character, and in good health, are eligible for enlistment.

### GARDEN CLUB CHATS

By Mrs. Thomas O'Grady  
My garden dear is very queer,  
It gives me no elation,  
The reason why, I'm told is  
I give it WEAKLY cultivation.  
Anonymous.

Is there any recreation which brings greater rewards than gardening? Whether you grow flowers or vegetables you always derive good from growing them. That is why gardeners are happy. While their favorite pastime has its disappointments, even these lead on to interesting and pleasant labor which in the end brings about a happy ending.

It makes no difference if we grow vegetables or flowers either or both afford wholesome pleasant exercise. Whether we grow cucumbers or zinnias we thrill with pride at the final result and that is the greatest reward of gardening.

In the Sunday edition of the Oregonian, June 2, there appeared a list of people who have passed the first in a series of examinations for judging in amateur flower shows, which were recently conducted by Mrs. Daniel Heffner. Throughout the entire state with the exception of the city of Portland, there were sixty women and two men and in the city of Portland there were eighteen women who passed the test. In the Hermiston Garden club three members took the examination, Mrs. W. E. Logan, Mrs. Vera Doyle and Mrs. T. A. O'Grady, and are now accredited judges.

Advanced examinations will be held in Portland in the early part of the winter for all who passed the first test. We understand that there are four examinations in all to be taken.

Shasta daisies are just now coming into bloom but we read recently that when they are thru blooming if they are fertilized and cut back they will produce a second crop of flowers.

We saw a bed of Prince of Orange tulips and chamois colored stocks that was beautiful. The colors blending into each other were soul satisfying.

Next meeting June 14, and at that meeting Mrs. Doyle will give a report on the regional convention.

### CLUB EL SQUANDRO THEME OF PARTY

"Club El Squandro" was the setting for a party given by Mr. and Mrs. Jarvis Durfey for a group of 30 friends Wednesday evening, May 29, at the Hermiston Hotel. Miss Lavina May Lynch and her house-guest, Miss Cathern Weber of Cumberland, Maryland, were guests of honor.

The party motif, a night club somewhere South of the Border, was carried out in Mexican decorations, costumes of the host, hostess and assistants, Mrs. Zona Rogers, Miss Eva

### SUNDAY, JUNE 9

### Hermiston Park

Wilcox and Le Roy Tracy.

The guests were given "pesos" as they entered to play the horse races, chuck-a-luck, black jack and other games. Mrs. Monte Hedwall and Marvin Rankin received prizes for winning the largest number of pesos during the evening.

Dancing until midnight followed the games, after which the guests were asked to "come and get it" at a buffet luncheon "on the house."

### GROUP TO MAKE VACATION TRIP

A party of Hermiston and Portland residents plan to leave June 10 on a motor trip east. Included in the party are Mrs. James Todd and two daughters Virginia and Peggy and Mrs. C. E. Baker of Hermiston, Mr. and Mrs. Henry Gunn and family and Mrs. Roberta Gunn of Portland, and Miss Roberta Ratchford, returning to her home in Kentucky. Mrs. Todd and two girls will accompany Mrs. Gunn and Mrs. Baker to St. Louis, Missouri, where they will visit her parents, Mr. and Mrs. J. J. Casseday. Mrs. Gunn and Mrs. Baker will continue east to Lexington, Kentucky, Mrs. Gunn's old home.

The party plans to go by way of Yellowstone National park and from there Mr. and Mrs. Henry Gunn will return to Portland. James Todd plans to join his wife and daughters later in the summer and return home about the first of September. Mrs. Baker will accompany them on the return trip.

### STIRRING DRAMA IN NEW FILM

What is said to be the most daringly realistic jailbreak ever shown on a screen provides the breath-taking climax of "Johnny Apollo," the new drama, starring Tyrone Power and Dorothy Lamour which starts at the Oasis theatre Sunday.

But then realism is the keynote of this thrilling picture, which tells

in terms of bite and dynamite, the story of the banker's son who turned from college man to mobster when the father idolized was sent to prison and his wealthy friends turned against him.

Tyrone is seen as "Johnny Apollo," while Dorothy Lamour has her best role to date as "Lucky" Du-

barry, the sophisticated night club entertainer, who walks out on her gangster boy friend, Mickey Dwyer, when Apollo walks into the picture. Edward Arnold is the banker father.
