COLUMBIA NEWS

By Mrs. Baxter Hutchison

Those from Hermiston attending the Conrad reunion held at the Milton Park July 21 were Mr. and Mrs. John Conrad, Mr. and Mrs. Victor Addleman and family, Amanda Shaver and son Lyn, Mr. and Mrs. Lester Hammer and family, Mr. and Mrs. Tilford Stillings and family of Stanfield. More than 100 relatives from Oregon and Washington were present for the affair which is held each year in honor of Mrs. Louisa Conrad, the head of the family who makes her home in Portland. A wonderful dinner is reported with 50 delicious cakes on one table. The reunion was held in Columbia park last year and will be held in Pendleton Round Up park next year.

A Grange picnic was held on the H. J. Ott lawn Sunday. Those present were Mr. and Mrs. Percy Corman, Mr. and Mrs. Ben Fix and son Lloyd, Mr. and Mrs. Arthur Blinston and daughter Reta. Mrs. Elmer Dixon and daughters Donita and La Vonne, Mrs. Annetta Barham and son Childs, Mrs. Ted Panages and children Dulcinea, Clifford and Kelley, Mrs. Nellie Tucker and Kelley Hartshorn.

A small investment in eye correction pays large dividends in efficiency and future security. An examination now will bring you a profitable return in eye comfort.

Mrs. Lloyd Fix and children have been visiting relatives at Twin Falls, Idaho, for the past two weeks.

Mrs. Fix is reported to have become ill and is being treated in a hospital at Twin Falls.

Mr. and Mrs. Hugh Neill and daughter Peggy were visitors at the L. Hammer home Monday.

Mrs. Mary Harr, who was disabled last Thursday by an accidental cut below the knee which sent her to a doctor for treatment, is reported to be getting along fine. Mrs. Harr states she had a head on collision with a pig.

Carl Hammer was a business visitor in Walla Walla Tuesday.

H. M. Sommerer was in Portland on business from Tuesday until Thursday of last week.

Mr. and Mrs. Eddie Kauffman were visiting his parents, Mr. and Mrs. A. T. Kauffman recently.

James Getchell of La Grande spent the week end here with his parents, Mr. and Mrs. E. E. Getchell.

Mr. and Mrs. Henry Garberding and nephew Bill Garberding attended the ball game in Pendleton Sunday evening. Pendleton and Grandview teams played.

Mrs. S. L. Carson who has been in Walla Walla for a number of weeks came home Sunday evening and is with her daughter. Mrs. H. M. Sommerer.

Marx Krause and family, who have visited at the George Liebe home, have moved onto the Harvey Payne farm.

Mr. and Mrs. Peter Norquist, former residents of this district but now of Centralia, Wn., were visiting Mrs. Annetta Barham and son Childs Friday. They were accompanied by their daughter Thelma.

The Misses Mary and Peggy Sommerer entertained a number of friends at a party Saturday evening. Guests were Dorothy Hiatt, Rosemary Keller, Ruth McCulley, Doris Follett and Norma Getchell.

The Bachelor Sewing club led by Ann Sommerer met at the leader's home Monday evening. The club will meet again next Monday evening.

Miss Helen Dunham, niece of Mr. and Mrs. Eugene Dunham, was a week end visitor at their home. She had been attending normal school at Bellingham, Wn., and was en route home to Nezperce, Idaho.

Miss Marion Ott returned home

Saturday from Suttle Lake.

Eugene Dunham and son Coy and Miss Helen Dunham made a trip to Jim Dunham's at Pendleton Monday. Miss Dunham remained for a few days visit at her uncle's home.

Mr. and Mrs. C. L. Upham were visiting Mrs. Mary Harr Sunday afternoon, and they also called at the H. G. McCulley home.

Mr. and Mrs. Elbert Hutchison of Pendleton spent Tuesday and Wednesday with his parents, Mr. and Mrs. B. Hutchison. They were returning from a vacation trip to the coast and into California.

Misses Zana and Alice Dudley who have been visiting at the L. Hammer home the past three weeks will return to their home Thursday.

We are led to believe that James Boylen must be quite an authority on growing sweet peas. His first planting this spring attained a height of around six feet. A later planting now coming into bloom is growing on the east side of a garage and is now about four feet tall. No blight is present and the blossoms are choice.

A mechanical error in last week's items stated that Mrs. T. M. Ellis celebrated her 19th birthday, which should have read 90th birthday.

Mrs. H. B. Simpson and son Kerby and LaMar Wilcox of Portland were luncheon guests Saturday at the Lester Hammer home.

The North Telephone line is out this week.

BOARDMAN NEWS

By Elaine Fisher

Bob and Calvin McCutchen and Dale Russell were visiting on the project over the week end.

Rev. and Mrs. Walpole and daughter Emma Nell motored to Portland Monday, July 15, where Rev. Walpole attended synod and they visited Mr. Walpole's mother.

Mrs. Turner Bond and small daughter Nancy Kay are visiting with Mrs. Bond's parents, Mr. and Mrs. John Fisher. They will be here a week.

The Christian Endeavor held a carnival at the Grange hall Friday evening to obtain funds to send delegates to the young people's convention on Lostine river.

Rev. Walpole and a group of Christian Endeavorers left Tuesday for Lostine to attend the C. E. convention. Those going were Marvin Walpole, Eugene Massey and Elaine Fisher.

An open meeting was held at the Grange hall Saturday evening where County Judge Johnson of Heppner discussed the establishment of the bombing field and the closing of the lone-Boardman road.

Genevieve Blinston of Hermiston visited with Elizabeth Christianson over the week end.

Lois Messenger has returned home from E. O. C. E. where she attended summer school.

Ray Lewis who was fourth grade teacher at the Boardman school during the last year has resigned here and taken a position in the Baker schools.

Miss Laverne Baker visited her parents over the week end. Miss Baker is completing her work at E. O. C. E.

CHAS. SMITH NOW COUNTY AGENT LEADER FOR STATE

In a reorganization of the extension service administration at Oregon State college, made necessary by the elevation of Frank L. Ballard to the presidency, the state board of higher education has just approved the appointment of W. L. Teutsch, formerly assistant county agent leader, to be assistant director of extension, effective at once. C. W. Smith, also an assistant county agent leader, was promoted to county agent leader.

Under the organization of the division of agriculture established some years ago, William A. Schoenfeld has filled the triple role of dean of the school of agriculture and director of the experiment station and extension service. Mr. Ballard served as vice-director in immediate charge of extension, and R. S. Besse as vice-director of the experiment station. Later F. E. Price was appointed assistant dean of the school of agriculture.

The new arrangement just confirmed by the board abolishes the title of vice-director and, instead, Besse and Teutsch become assistant directors of the experiment station and extension service, respectively, and Price remains as assistant dean.

Teutsch is a graduate of Oregon State college, where he was student body president in the year before his graduation in 1920. He served three years as county agent in Lake county and one year as editor of the Lake County Examiner. In 1924 he was appointed district agricultural agent to work in Marion, Coos, Polk, Yamhill, and Linn counties. Three years later he was appointed county agent leader, which position he has filled ever since.

Smith is a graduate of Washington State college, came to Oregon as a Smith-Hughes agricultural teacher at Dufur, and was from 1927 to 1934 county agent in Morrow county. He was moved into the central office in connection with emergency AAA work, and later kept on in a supervisory capacity.

Both President Ballard and Dean Schoenfeld spoke in highest terms of the two men. Both have been offered federal positions at substantially higher salaries than they are receiving.

American Express Travelers Cheques

The seasoned traveler carries AMERICAN EXPRESS TRAVELERS CHEQUES and enjoys the comfort of knowing they will be accepted readily the world over . . . that prompt refund will be made if they are lost or stolen un-countersigned. There is no red tape . . . a countersignature, for identification, is the only requirement. Issued in convenient denominations of \$10, \$20, \$50 and \$100 at 75 cents for each \$100 purchased.

ing in Oregon. Both are fully familiar with the state and national extension organization, and are well qualified to give vigorous and intelligent leadership to the extension program in this state, said Schoenfeld.

TAKEN UP NOTICE

Notice is hereby given that I have taken up and have kept for about 30 days at the Lewis Fales ranch, four miles north of Hermiston, the follow-

ing described animal:
1 three-year-old heifer, light red color,
said animal will be sold, unless re-deemed, at public auction to the highest bidder for cash in hand on the 10th day of August, 1940, at the above described ranch at 2:00 o'clock p. m.

Dated at Hermiston on this 20th day of July, 1940.
Signed, Lewis Fales.

JOHN DEERE MODEL "H"

THE new John Deere Model "H" has won a mighty welcome with thousands of farmers everywhere because it combines BOTH two-row capacity and amazing small-tractor economy—handles all jobs on the small farm and the lighter jobs on the large farm, completely replacing animal power.

You cultivate 20 to 30 acres in a day, pull a two-bottom, 12-inch plow at 3-1/2 miles an hour, handle other jobs at equally big capacity. And, depending upon the price of low-cost fuel in your community, your per acre fuel cost runs as low as 1-1/2 to 2-1/2 cents when cultivating, with other jobs in proportion.

The Model "H" with its simple, two-cylinder engine design gives you longer life, lower-cost maintenance. It's a quality tractor in every respect, with every feature of the larger John Deere General Purpose Tractors . . . power for every job . . . rear wheel adjustability to fit all crops . . . unexcelled vision . . . and a wide range of forward speeds. And, best of all, it's the lowest-priced tricycle-type tractor John Deere has ever built.

The Model "H" pulls your present horse-drawn tools and is available with a complete line of special, low-cost equipment to handle your work faster, easier, better, and at far lower cost than with animal power. Investigate today.
