DRUM CORPS EVENT PROVES POPULAR

The Pendleton Junior American Legion drum corps won a close one point decision from a similar group from Pasco Saturday afternoon as a feature of the day's program. The final score read 89 to 88 in favor of Pendleton which had previously been defeated three times by the Washington aggregation.

Smartly clad in green "Western Trooper" uniforms, with the four majorettes in white corduroy cow-girls outfits, the Pendleton group of 40 strutted their stuff, meeting stiff competition from the Pasco corps, 26 in number, in cadet style blue and gold outfits.

Judges were G. C. Humphreys, Music: Sam Moore, Hermiston Legionnaire, Marching; and Mrs. Ray Critchfield, uniforms. The points were based as follows: Music, tone, attack, unison and repertoire; Marching, alignment, pace, smartness and variety; Uniforms, style, taste, posture and correctness.

METHODIST CHURCH

Stearns Cushing, Pastor
One of the church year's highlights is the Rally Day Sunday which is annually observed in the fall of the year. The theme around which all our services will center is, "Behold, I Send You Forth." There will be a special program at the preaching hour which will portray this message. Special numbers will be given by the various departments of the church school. The time is 11 o'clock.

Following the morning service there will be a pot luck family dinner. Bring your basket with your food and share in the splendid fellowship of Christian people. A good time is guaranteed.

The other services at the usual hours. The Epworth League is continuing its fine study of the Lord's Prayer with Robert Pierson as leader.

BRACE-LANGENWALTER

Florence Ruth Brace, daughter of Mr. and Mrs. Frank Brace of Irrigon, became the bride of Allen C. Langenwalter, son of Dr. and Mrs. Langenwalter of Twin Falls, Idaho, Sunday, September 29, in Weiser, Idaho.

The ceremony was performed by Rev. Frye at the couple's apartments in the presence of relatives and friends, followed by a reception at the home of Mr. and Mrs. J. H. Brown, friends of the couple.

The bride, who was given in marriage by her father, wore a soldier blue dress, with wine accessories and corsage of gardenias.

Mr. and Mrs. Langenwalter left for a wedding trip to Seattle and Vancouver, B. C.

TURKEY GRADERS' SCHOOL IS SLATED

A turkey graders' school will be held in Oregon Tuesday and Wednesday, October 15 and 16, at the new warehouse of the Northwest Poultry association at Albany, starting at 9 a. m., Robert Slocum, Washington, D. C., marketing specialist, has informed the state department of agriculture.

All persons who wish to qualify for turkey graders' cards should attend this school, as the state department of agriculture certifies graders from the list of those who do satisfactory work at this school, the only one to be held in the state this fall.

RECRUITING WORK AT PENDLETON ON MONDAY & TUESDAY

Because of reduction of enlisted personnel in the Oregon recruiting district, the Pendleton regular army recruiting station has again been changed from a full-time to a part-time accepting station and will be open only on Monday and Tuesday of each week, according to Lieutenant Colonel H. D. Bagnall, Oregon recruiting officer, Portland.

The local office will be in charge of Sergeant Horace L. Dodd, who will alternate between offices in Pendleton and La Grande. As in the past, qualified applicants will be accepted at the Pendleton station and forwarded to Portland for final examinations and actual enlistment.

Jackson Enlists With Army
Mr. and Mrs. Rex Jackson motored to Pendleton recently to spend the day with Willie Jackson who left that evening for the army camp at Camp Murray. He enlisted some time ago and was at Pendleton during that time. He is the son of Mr. and Mrs. R. W. Jackson of Route 2, Hermiston.

Switzer Now At Stanford

HOW TO AVOID WAR

Aggressor nations attack only when they think they can win. Here are some facts that should discourage such ambitions toward the United States

The same bomber can fly 30% faster and farther in the United States than in Europe. It can carry 20% more bombs.

Why? Because in America we manufacture 100 octane aviation gasoline in quantity—a thing no other nation can do!

But that's only half the story. America's oil companies can expand their refineries to provide aviation fuel for 50,000 planes, or even more, faster than the planes can be built.

Is There Enough Crude Oil?

Yes, thanks to the industry's voluntary conservation program, Pacific Coast wells are operating far below capacity.

No other country in the world can even begin to support a modern mechanized army on its domestic production of petroleum. But the United States can, because we have over half the proved oil reserves of the world.

The Pacific Coast by itself can supply the Navy—even a two ocean Navy—with all the fuel oil, diesel oil and specialized greases it will ever need.

Rubber and Explosives from Oil

Synthetic Rubber, developed by petroleum research chemists, is now being produced in commercial quantities in cooperation with the large rubber manufacturers. Before our present supply of natural rubber is exhausted, the U. S. can be made 100% self-sufficient with rubber made from oil.

Explosives. The petroleum industry has signed contracts with the War Department to produce 60,000,000 gallons a year of toluene, the basic ingredient of TNT. Glycerine is being made in even greater quantities. Production of both these vital materials can be expanded to the requirements of new explosive plants as fast as the plants can be built.

The way to avoid war is to make America self-sufficient—make America strong.

The petroleum industry, on its own initiative and without government subsidy, has prepared itself to do its part without delay in a national emergency.

America's defense will never be "grounded." Petroleum will never let her down.

A report to the public on the PACIFIC COAST PETROLEUM INDUSTRY

Three-quarters of a million people in all parts of the Pacific Coast depend on this industry for their living.

Freshment Enrollment Sets Record

Registration of new students at Oregon State college during freshman week exceeded all previous records by about 10 per cent, and early enrollment of former students indicated a total student body somewhat larger than last year. Enrollment of new students reached 1622 compared with 1471 last year. Of these 1346 were entering college for the first time and 276 were transfers from other institutions. The final freshman class total last fall was 1504, a figure certain to be exceeded this term, says E. B. Lemon, registrar.
