Insurance Policies

ILL-FITTING SHIRTS ARE LIKE SOME INSURANCE POLICIES

THEY may LOOK all right in the package, but NOT when you put them to work. Insurance policies, like shirts, should FIT. When you buy a shirt you try to get your proper size and sleeve length. When you buy insurance you should see to it that the policy is written by an agency concerned with your particular problem. As agents for capital stock company insurance it is our job to fit your insurance to your needs. We are here to serve you.
