OREGON 4-H CLUB CHAMPS SELECTED; FIVE WIN TRIPS

Oregon will be represented at the National 4-H Club congress, to be held in Chicago December 1 to 5, by at least five boys and girls and possibly more, as nine state winners have just been announced by H. C. Seymour, state club leader in the O.S.C. extension service. The five already assured of trips are those who have won them as a result of their state records. Three will win trips if their entries place first in national contests, and another if he places

first in regional competition. Those assured of trips already are Gordon C. Decker of Parkrose high school in Multnomah county, state winner in the national rural electrification contest; Dorothy Brush of Canby, state champion in the national food preparation contest; Mary Filliger of Astoria, state girls' record winner; Mildred Maassen, Franklin high graduate of Portland, state canning champion, and Mary Helen Alexander, Hood River, state winner in the national style review. All five will compete in the national contests at Chicago.

Geraldine deLancy of Corvallis, now a freshman at O.S.C. has been

entered for the coveted Moses trophy, after having won the Patterson leadership trophy at the state fair this year. Frances Sharp of Milwaukie, state record winner for girls, will compete for the president's trophy in the national 4-H achievement contest. Betty Jo Chastain of Maupin, state winner in home grounds beautification, is entered in the national competition.

Robert Zielinski of Salem, state winner in the meat animal production contest, will receive a trip to Chicago if he places first in competition with other winners in the 11 western states. Misses Sharp, deLancy and Chastain will go to Chicago only if their entries win national recognition.

STATE GRANGE FOR LEGISLATORS BILL

Speaking officially as head of Oregon State Grange and for farmers generally, Ray Gill, Grange president, adds his endorsement to the volume of approval given by labor, fraternal and civic organizations to the constitutional amendment for increasing the pay of legislators which is to be voted on November 5.

"For several years the Oregon State Grange has supported an amendment to the constitution to increase the pay of legislators," Mr. Gill says, "and I urge farmers and citizens generally to support the amendment this year. Considering the important authority vested in the Oregon legislature and the vital effect of the legislation upon all our people, it is essential to the public welfare that we pay a decent salary to those who do this work. Therefore it is important to vote 306 X Yes."

"The proposed salary increase is not unreasonable when we take into consideration the expense of the campaign, the long hours of tedious work, and the time lost from work or business."

Proponents of the measure call attention to the fact that for years it has been impossible for the legislature to complete its labors within the statutory limit of 40 days, and in the 1939 session the legislators were forced to remain 26 days beyond the limit, serving 26 days without pay and at their own expense, resulting in an average pay for the session of slightly less than \$1.82 a day. Among others who have endorsed the measure are the American Legion, the Oregon Railroad Brotherhoods, the W.C.T.U., chambers of commerce, service clubs and numerous other organizations.

The proposed increase in pay, it is pointed out, would mean an added cost to taxpayers, on a per capita basis, of less than 10 cents a year.

COUNTY BUREAU URGES PORT SETUP

(Continued from Page 1) The initial savings are being made only on that volume of grain shipped by water, as the railroads still maintain their old rates on wheat from this area. As compared with the Pendleton rail rate, wheat is being moved by truck and water through the Pendleton Grain Growers plant at Umatilla with a saving of at least one cent per bushel going direct to the farmer. It can be safely estimated that at least 750,000 bushels of wheat will move by this method each year from Umatilla county, accounting for savings of approximately \$7,500 per year to our producers. The program for 1941 will include the movement both in and out of general commodities such as wool, canned goods, potatoes, flour, cement, shingles, steel, automobiles, salt, sugar, groceries and any other commodity that lends itself to barge and truck transportation. The Shaver Forwarding company is now constructing a dock at Umatilla to carry out this program. Proposed tar-

iffs on the above commodities will show a net saving to shippers from 40 cents to 80 cents per ton.

The Umatilla County Farm Bureau is certain that the establishment of a port district will be a distinct and constructive aid to the growth of this new transportation. It is not necessary for the port district to spend a lot of money, but the district is needed to give every possible aid it can to encourage private capital to continue this development. According to Wm. Kupers, president of the Farm Bureau, "We are going to recommend appointment of port commissioners who are large tax payers, who are conservative men, and who will be committed to a policy of not spending over one mill tax the first year. After the first year the port budget would be limited to not over 6 per cent increase, and this six per cent clause protects the tax payers in future years automatically. Now that we are about to realize the great hope that the Columbia river would some day be to us an era of cheap transportation, it is only right that we do everything in our power to hasten this development along. Establishment of a port district is a most important step forward."

FOOD STAMP PLAN MASS MEETING TO BE THURSDAY NIGHT

(Continued from page 1) produced in Oregon, the extension of the plan to this area is viewed as a great boost to state farmers.

At the county committee meeting yesterday a complete merchandising campaign was approved. Designed to assist food stamp customers in purchasing foods at local stores, the campaign and essential display material will be presented at the mass meeting.

With the inauguration of the Food Stamp Plan the direct distribution of the surplus foods through commodity depots and from trucks will be discontinued in the county.

Families receiving public assistance in one form or another will, after November 1, select surplus foods from their grocer's shelves and present blue surplus Food stamps in payment. Orange colored Food Stamps which are purchased by the family head can be used to buy at local stores any and all foods for human consumption.

Stamps are sold in small books, with fifty cents of blue Surplus Food

9 REASONS For Retaining OREGON'S MILK LAW

1. It has resulted in better quality milk at less cost to the consumer.
2. Under it the producer receives a greater share of the consumer's dollar.
3. It costs the taxpayer nothing.
4. It is the means by which farmers and distributors settle their differences without strikes, violence, disruption of milk deliveries, or inconvenience to the public.
5. It has been proved constitutional.
6. The orders under it have proved equitable and just.
7. It is administered by men of character and business ability.
8. It assures an adequate milk supply at all times.
9. It discourages heavy surplus production.

R. E. BOB GOAD
 DEMOCRATIC
 NOMINEE
 FOR
 SHERIFF

- Honest, economical law enforcement and courteous treatment to all, and special privileges to none.
- A man who has proved himself for Umatilla County and its people. If re-elected, he will continue the duties of the office as in the past.

R. E. Goad, the present sheriff, has collected approximately seven and one-half millions of dollars in taxes in the past eight years.

One of his campaign promises eight years ago and again four years later was 24-hour service, which has been maintained religiously.

He has numerous letters of commendation from attorneys of Oregon on his promptness and efficiency in handling legal service.

Eight years ago and again four years ago he was elected on a platform of economy in office, and he has made good this promise. He has saved the taxpayers of Umatilla County thousands of dollars, and we feel that the voters should take this into consideration and go to the polls on November 5th and vote for R. E.

(Bob) GOAD, Sheriff.

UMATILLA COUNTY DEMOCRATIC
 CENTRAL COMMITTEE

Guy H. Johnson, Chairman
 Grover C. Sibley, Secretary.

(Pd. Adv.)

Stamps free with every dollar of orange colored Food Stamps purchased.

Members of the county committee who are instructing and coordinating with the food retailers' participation in the Food Stamp Plan are: J. C. Parr, chairman, Manley Backinson, F. V. Graham, Charles Goodyear, all of Pendleton; Lew Yandis, Freewater, and Ben Gerking, Hermiston.

PINE CITY NEWS

By Mrs. Bernice Wattenburger

The Home Economics club of the Lena Grange met at the home of Mrs. Marion Finch with Mrs. Clayton Ayers as hostess. There were eight members and two guests present.

Robert Smith of Irrigon spent a few days last week with Mr. and Mrs. Russell Moore.

Mr. and Mrs. C. H. Bartholomew made a business trip to The Dalles Wednesday.

Mr. and Mrs. Floyd VanOrsdale and Miss Othelia Brandhagen of Pendleton spent Sunday with Mrs. Van Orsdale's sister and family, Mrs. E. B. Wattenburger.

Mr. and Mrs. George H. Brewster, Mr. and Mrs. C. Townsend and Mr. and Mrs. R. L. Brewster were weekend guests of the R. E. McGreers.

Mr. and Mrs. Alan Ritchie and daughter of Stanfield, Mrs. Mary Ritchie of Hermiston, Mr. and Mrs. Fred Rauch Jr. and Mr. and Mrs. Marion Finch spent Sunday at the Clayton Ayers home. The men enjoyed the day hunting pheasants.

Three men eligible for conscription in the Pine City community are Jasper Meyers, number 272, Russell Moore, 507, and Burl Wattenburger, 398.

Mr. and Mrs. Buck Winters attended a surprise birthday party for Mrs. Tommy Lenhart in Hermiston Monday night.

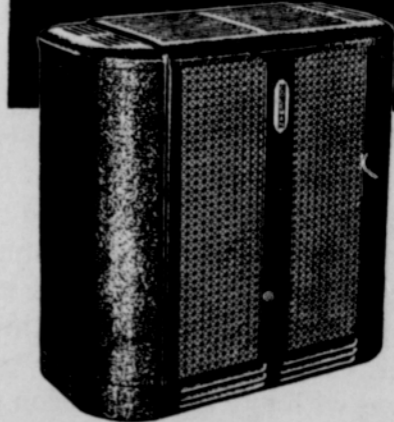

Mrs. Ray Neill spent from Wednesday until Friday with her daughter Mrs. Ethel Knighten of Hardman.

Roy Neill spent a few days in Portland last week with Clifford Conrad of Heppner.

BIG HEATER CAPACITY PLUS SMALL HEATER LOW COST

All in One Beautiful Coleman Console

IT'S SURELY A BEAUTY AND IT HEATS UP FAST!

Twin Burners!
 —Double Burner High Heat!
 —Single Burner Low Heat!
 Both RADIATES and CIRCULATES!

Come in and see this new Coleman Console! It's a beauty! Has wide heat range, too. Gives more heat than a big heater's high heat, yet actually turns down to single burner's lowest heat output, for mild days. Circulates heat through rooms, and gives you close-up "hot-stove" heat, too!

Automatic fuel and draft controls. Burners operate independently. Low flame fuel saver burner rings. Clean, work-free, uniform heat! See this heater and other Coleman heaters at our store.
