SADIE HAWKINS DAY HILARIOUS

Backwoods lingo and garb were everywhere when Hermiston high students joined in the third annual Sadie Hawkins day Friday, November 1. Donned in the typical regalia of "Dog-patchers" and "Skunk hollowers", the self-styled hill-billies from out of the famous Li'l Abner comic strip were at every hand. Even discipline was a problem, for no teacher was safe from the outbursts of gesture and wit, and the entire day felt the influence of the jug-carrying hill-billies and their constant fear of the revenoo-ers.

Friday noon the most fearless of the Abners and Sadies ventured onto Main street where the get-ups provoked many a laugh.

The hilarious day was topped off with the annual dance in the evening. Awards to the costume winners were presented by Bill Belt, Barbara Moore and Mr. Watson were awarded the prizes.

Sadie Hawkins Queen for the day was Donna Saylor.

Admission has been priced at only 15c for adults and 10c for grade school children, so that a capacity crowd may enjoy Mr. Hall's interpretation of Riley's poems. This is Mr. Hall's fourth annual visit to Columbia district and boys and girls anticipate his program.

Since this is National Education week, it is urged that Hermiston and Columbia residents attend this fine program.

1940 Call for Red Cross Recruits

The 1940 Poster of The American Red Cross sounds the call to the nation to serve humanity within the ranks of this army of mercy.

KEEPING step with the boys called to the colors in America's new defense army and navy, will be the American Red Cross, fulfilling its mission of service to the men in the line and to their loved ones at home. Chairman Norman H. Davis announced in Washington.

"Several thousand Red Cross nurses already have been called to the colors," Mr. Davis said, "and Red Cross field directors, and thousands of Red Cross workers in Chapters throughout the nation, are ready to help America's soldiers and sailors with personal problems, just as in the 1917-18 World War period."

"Every patriotic man and woman in the United States, who wants to do his or her share in upholding the national defense of our nation, can do so

by sharing in the vitally important work of the Red Cross. Join as a member of the local Chapter during the roll call, November 11 to 30, and through your support you will strengthen the Red Cross army of mercy.

"Recruits are needed not alone as members, but also as volunteer workers in the Red Cross Chapters."

Red Cross work will continue undiminished in its usual domestic program of relief in disaster; community public health nursing; safety education and promotion of the Junior Red Cross. An individual membership supports all of this work, not only in Red Cross Chapters, but in the nation. Relief to war victims in Europe is financed by the \$20,000,000 war relief fund contributed by the public during the summer of 1940.
