

ESCAPE!

FROM THE DEBT HABIT. Debt is a habit and an extremely dangerous one for many people. With credit easy to get it is correspondingly easy to fall into the habit of being in debt. With an open account established most people have a tendency to buy more freely and without proper deliberation. It becomes easy to say "Charge It."

At the end of the credit period sooner or later (often very soon) many find that they have bought beyond their ability to pay. Now they are really on the spot and the habit is fastening itself upon them. They must, if they are to catch up, buy less for the next period. Now this they find is extremely difficult to do and experience shows that many times it is not done. The protest is that they "just can't seem to catch up." The truth is, they can't discipline their buying.

To find oneself in this condition is very discouraging and depressing and it takes almost exceptional courage, determination and may I say exceptional honesty, especially if one's income is quite restricted, to make the long hard pull out of the hole. Debt undermines a person's financial stability, his freedom and even his character.

Determine now never to be a slave to the debt habit! Pay cash and save! Be independent and be master of the situation. Paul the Apostle, a foremost authority on how to live successfully, put it in these words: "Owe no man anything save to love one another."

the state officers' district meeting recently held at Wild Horse Grange.

The Home Ec club of Columbia Grange will meet with Mrs. Henry Ott Friday afternoon, November 8. Election of officers within that group will take place at that time.

The next Columbia Grange meeting will be held November 19. Visitors are always welcome. It is hoped that every Grange member will be present on that evening, a real "home coming."

GARDEN CLUB CHATS

by Mrs. Vera Doyle
(Continued from last week on the subject of chrysanthemums.)

In cutting flowers, as soon as a single bud on a stem shows a trace of color, you can be sure that every bud on that stem will open in water indoors. The water should be changed every two or three days, and a portion of the stem cut away. Should the stem be very hard and woody, split the stem for three or four inches to aid in the absorption of water. Flowers can be kept fresh for a week to ten days.

Usually disease free but can suffer from rust: eliminate by dusting with sulphur, leafspot: eliminate with bordeaux mixture. Avoid excessive watering and humidity for two blights. These blights cause disfigured and spotty molded flower heads. For mildew which whitens the leaf, dust with sulphur. The same yellows disease that affects asters will harm mums. This virus overwinters in various weed hosts and is carried back to plants in the spring by leaf hoppers that attack them. Bordeaux mixture to repel but a contact insecticide to kill the hopper.

Nicotine, pyrethrum and rotenone soap sprays are reliable contact insecticides. These same sprays are used to kill green, black and red aphids, also red spiders: repeat spray in three or four days. If bothered by grasshoppers use arsenate of lead.

Many choice hard mums will winter kill in severe freezing weather if left unprotected. They can be lifted and held over in clumps in a cool cellar or cold frame, or cover the roots with leaves for outdoor protection.

KILLING FROSTS VISITS HERMISTON

The first killing frosts of the season hit the Hermiston region this week when three nights of below freezing weather were recorded. The frost came with some warning and lovers of house plants and other perishables had opportunity to rescue their blooms.

The following is the report for the week, according to Charles Taylor, weather man.

Date	Max.	Min.
October 31	59	37
November 1	57	31
November 2	58	40
November 3	56	28
November 4	57	23
November 5	47	33
November 6	58	36

A total of .14 in. rainfall was also reported.

HERMISTON SCOUTS TO ATTEND CONFAB

A contingent of local Boy Scouts will attend the 13th annual Green Bar conference for Scout leaders in La Grande November 15 and 16. The conference program will consist of talks by older boys and discussions concerning topics vital to all troop leaders.

The conference will open with a banquet Friday night and sessions will close Saturday noon. Scouts will attend a football game in the afternoon.

A talk on "Leadership Personality" will be given by Bill Belt Saturday morning. Other boys attending will be Jack Jackson, Dick Belt and Julius Gimbel Jr.

F. B. A. PLANS FOR POT LUCK SUPPER

At the last meeting of the Farm Bureau Auxiliary, plans were made to entertain the Farm Bureau members and their families at a pot luck supper Friday evening, November 15 at 7:30. After supper a social time with games and singing will be enjoyed.

All Auxiliary members are urged to come to the meeting in the afternoon to get the tables ready for the supper.

New committees for the coming year have been appointed by the president, Mrs. H. J. Ott.

A discussion on the renting of the club room will be held at the next meeting on Friday, November 15, at 2:00 o'clock.

ART FAIR RULES TO BE RELEASED

Umatilla county will take in the nationwide Art Fair movement which will continue from November 25 to December 1, 1940. Official entry cards are due at the respective centers or places of exhibition not later than November 12, according to Mrs. Cecil E. Freitag, Pendleton, county chairman.

G. C. Humphreys has been appointed local chairman and further information may be received from him. All work which is turned in for competition must be original.

ELK HUNTERS HAVE MEDIOCRE SUCCESS

Hermiston nimrods who braved the cold weather in the mountains in quest of elk report various types of luck. Several parties returned with record kills while others returned with nothing but "lots of fun". True to form, the Folletts returned with several beauties.

Ben O'Conner, who hunted northeast of Enterprise, returned Tuesday night with a bull and a cow. A party, of which Sam Moore was one, returned with four elk. A party consisting of Glenn Ripley and Roy Hale failed to connect.

FAMILY REUNION ENJOYED SUNDAY

A family reunion at which four generations were present was held Sunday at the home of Mr. and Mrs. J. A. Scott in honor of their 47th wedding anniversary. A pleasant day was spent in recalling old time happenings and social conversation.

Those present were Mr. and Mrs. George Franz and daughters of Dar-ill, Wyo., Mr. and Mrs. Merle Phelps and family of Walla Walla, Wn., Mr. and Mrs. Carl Rhea and daughter of Stanfield and Mr. and Mrs. M. T. Matott and Vance.

CARD OF THANKS

We wish to take this opportunity to express our deepest appreciation to our many friends and neighbors for their kind and sympathetic aid during the loss of our loved one. Ray Null and family. Mr. and Mrs. T. A. County and family.

COLUMBIA GRANGE NOTES

Twenty-four members turned out for election Tuesday evening. A radio on hand helped members to hear the national election returns before their own meeting which was election of new officers for Columbia Grange for 1941.

The membership desired to retain P. H. Corman as master for a third term. Mr. Corman has served the Grange well. Columbia Grange members are proud of so capable a person as their leader who with the fine help of Mrs. Corman has helped to build our Grange.

Lloyd Goodrich was chosen Over-

seer for another year: Thelma Knickerbocker, lecturer: Arthur Blinston, Steward; Emmett Knickerbocker, assistant steward; Doris Panages, chaplain; Fern Zivney, treasurer; Emil Zivney, secretary; Theodore Panages, gatekeeper; Jessie Goodrich, cures; Martha Dunham, Pomona; Jessie Corman, Flora; Geneva Blinston, lady assistant; and Marjory Burnham, musician.

The Grange voted to subscribe to a boys' and girls' magazine for Columbia school. This is an outgrowth of a fine program enjoyed in October on "School Days", reminiscent of Grangers' childhood days.

Mrs. Minnie Ott, a most capable and enthusiastic lecturer, has carried out a splendid program during 1939. She represented Columbia Grange at
