

New Model Insurance

Yes—there are new models and important improvements in insurance policies as well as in motor cars.

For example, automobile liability insurance recently has been liberalized to cover — at no extra charge — husband and wife while driving another person's car.

Notable new plans in insurance are available in other lines also—greater protection at less cost in many instances and written with strong capital stock companies—your guarantee of security.

TOWNSEND CLUB NEWS

By Mrs. Joe Udey

The club election was the important issue of the meeting Friday evening, December 20. Wm. Kik was elected president. The council selected consists of Mrs. Guiwits, Ted Hatfield, W. Morehouse, F. W. Lenz, A. Carter, Mrs. Ira Geer, Mrs. Corman, Mrs. Churchman, H. Hartley, Mr. and Mrs. Joe Udey. At the next meeting, which will be January 3, the president will be elected from the council, also the 1st and 2nd vice presidents, secretary-treasurer and chairmen of the various committees.

Following is a Christmas greeting from Dr. Townsend: "This will be a Merry Christmas for all the aged and young of America if we all make up our minds to go out, work hard, and achieve passage of our Townsend legislation in the year to come. Let's go to it. Meanwhile, to each and everyone of you, all of us at national headquarters wish a Merry Christmas and a Happy New Year."

The dance committee announces that plans are being made for a Townsend benefit dance in the Hermiston park hall on Saturday, December 28. The fair board has repaired broken windows and put in a different stove, so we are sure it will be comfortable. A good time is promised.

DAIRYMEN PREPARE FOR BIG SESSION AT GRANTS PASS

Dairymen of Oregon are planning on holding one of their most important state meetings in Grants Pass early in the year, when the 48th annual convention of the Oregon Dairymen's association will be held January 8, 9 and 12.

As is becoming the rule quite generally among state-wide agricultural groups, the first day of the convention will be devoted to committee meetings, with the main public business and educational addresses of the session scheduled for the second and third days, according to an advance announcement just issued by Roger Morse, extension dairyman at Oregon State college and secretary of the association.

A new feature of the convention this year will be meetings of three purebred cattle clubs in connection with the convention. The Oregon sections of the Jersey, Guernsey and Holstein breed associations will hold meetings on the afternoon of Thursday, January 9.

Two principal committees which will hold sessions on the opening day will deal with the subject of sales promotion and disease control. Unusual interest is being shown in the latter subject this year because of the thorough discussions scheduled to be had on the newer developments in Bang's disease control, including calf vaccination.

The annual banquet will be held the evening of January 9. Details of the educational program will be announced soon, says Morse.
