METHODIST CHURCH
Stearns Cushing, Pastor

"The Wonders of Redemption" will be the message of the Sunday morning worship service for February 16 at 11 o'clock. This theme represents the primary purpose of the church. Many questions are being raised in these days as to the power of the church to meet the modern challenge. Let us be honest in giving the church a chance before we condemn. Many new families are moving into our community. To you we want you to know that you will find warm welcome and friendship. Remember a home isn't unless it includes a

church home. Find it soon among one of our several churches. The Epworth League meets at 7 p. m. with Miss Marion Ott as the leader on the topic "Being Christian at Play".

PENTECOSTAL TABERNACLE
S. E. Graves, Pastor

The more you know the Lord, the better you will trust Him; the more you trust Him, the better you will love Him, the more you love Him, the better you will serve Him. Friends, today is the day to start serving our Savior, for we have no promise of tomorrow.

Remember our Sunday School begins at 10 a. m. Classes for all ages. You will enjoy it. At 11 a. m. worship, also special service for the Juniors. At 7:30 p. m., evening service. Wednesday, 7:30 p. m., Bible study and prayer meeting. We give you a hearty welcome to visit our Sunday School and church. "Come thou with us and we will do thee good."

HERMISTON BAPTIST CHURCH
Grayden D. Loree, Pastor

The topic for our Sunday morning service will be "On The Fence". Abraham Lincoln, the great American whose birthday falls in this month, was a man of decision. He was never found "on the fence". We shall center our thoughts about the scripture "A house divided against itself shall not stand." Our Sunday School meets at ten o'clock, morning worship is at 11, the Young People meet at 7 p. m., and at 8 o'clock the pastor will bring a message on the topic "Figs or Thistles". Cottage prayer meeting Wednesday evening will be at the Tilden home.

CENTRAL CHURCH OF CHRIST
C. Warner, Pastor

We continue our series of "On and Near the Cross" for our Sunday morning worship service. For next Sunday morning our sermon topic will be "The Lanterns in Gethsemane", and for the Sunday evening service, "The Lost Ax." Group No. 2 of the Women's Council will meet Wednesday afternoon, February 19. An all-church basket dinner will be served in the basement of the church Wednesday evening, February 19.

Annual Credit Union Meeting Friday

The annual meeting of the Hermiston Oregon Federal Credit Union will be held in the basement room of the Public Library Friday evening at 8 o'clock. All members are urged to attend this meeting. Election of directors and committeemen will take place and other important matters will come before the meeting.

UMATILLA NEWS
 By Mrs. Glenn Ostrom
 (Continued from page 1)

Miss Leta Meyers of Kennewick spent Saturday night and Sunday here going to Pendleton Sunday night where she entered the St. Anthony's hospital and had a major operation Monday morning. Latest reports are that Miss Meyers is progressing very nicely.

Miss Betty McKenzie and Barbara Linfield, nurses at the St. Anthony's hospital in Pendleton spent Sunday visiting at the home of the former's parents, Mr. and Mrs. E. McKenzie. They also put posters up about the nurses' ball.

V. D. Bramer visited his family Saturday and Sunday while working in Rieth.

Mr. and Mrs. Earl Cherry visited at the home of his mother, Mrs. Bertha Cherry Sunday from their home in Heppner.

Mrs. Glenn Ostrom and son Gary Dean spent Monday in Holdman visiting at the Dale Tucker and Dale Montgomery homes.

Mr. and Mrs. George Butterwood and Fred Knudsen motored to The Dalles Monday and then returned with Mrs. Knudsen who has been in the hospital for over two weeks recovering from a major operation.

Mr. and Mrs. Charlie DeHarte and son Alfred spent the week end visiting at the home of her parents, Mr. and Mrs. Al Stephens at Sunnyside.

Mr. and Mrs. John Blair and son Dickie and Mr. and Mrs. Kinney left Monday for Bend where they were called because of the death of Mr. Blair's father, who had been ill for some time.

Mrs. V. D. Bramer spent the first

of the week in La Grande where she is trying to locate a house. The Bramers are planning on moving to La Grande soon.

Mr. and Mrs. Dale Montgomery and son Larry of Holdman spent Sunday evening visiting in Umatilla.

George Barbouletos spent Tuesday in Pendleton on business.

Albert Vieg and Bill Hanson spent Tuesday in Pendleton where they visited Leta Meyers, who is in the hospital there.

Cap. R. C. Williams, in charge of the munitions depot, was in town Sunday to confer with the agent of the O.W.R. & N. about facilities for getting supplies to the scene of operations. Agent Pound immediately got in touch with railroad officials.

Mr. Fetterman of the Hageson Construction Co. was in town Thursday. The construction of the grain elevator is progressing rapidly. The concrete floor is being poured by a crew of 12. The work is to be finished by April 1.

Mr. and Mrs. Joe Stockard drove to The Dalles Thursday after a load of furniture.

Mr. and Mrs. Joe Stockard drove to The Dalles Thursday after a load of furniture.

Harry Barbouletos is working as an apprentice plumber under C. E. Binder.

Mrs. William Conlon and Mrs. Joe Springer went to Pendleton Thursday where Mr. Springer had a medical check-up.

Mrs. Jess Connell, Mrs. C. E. Binder, Mrs. Earl Bense and Mrs. Lyle Brown were Pendleton visitors this week.

Mrs. George Cooper was ill last week with the flu.

Mardell Gorham, Roy and Albert Partlow, Bob Smith and Alvine Monroe of Boardman visited Umatilla Saturday.

Mr. and Mrs. Harvey Carlyle spent Saturday in Walla Walla where they purchased new steel wire with which to build around their place.

Roy Roberts spent Sunday in Pasco visiting friends.

Harry Grammer has purchased the Edwards place about a mile east of town.

Mrs. Bob Meyers spent Sunday afternoon visiting at the home of Mrs. Bill Switzler. Mrs. Switzler took her to Pendleton Monday to visit her niece, Miss Leta Meyers.

Mr. and Mrs. William Conlon spent Sunday in Walla Walla where they visited at the home of his sister, Mr. and Mrs. Frank Holheren.

Clifford Holdman of Holdman was in Umatilla Monday looking for some one to work for him while his wife is ill.

M. Connell and Tom Haddox of Irrigon spent Tuesday in Umatilla.

Mr. and Mrs. O. E. Rice and daughter Patsy and Mr. and Mrs. Bob Rice spent the week end at the home of their daughter and sister, Mr. and Mrs. O. O. Thomas and family. Harriet Thomas returned with her grandparents for some time.

Arthur Reidel, vice president of the Willamette Dredge Co. was in town the first of the week on business. The dredge has been stationed here for four months while building a dock for the Standard Oil Co. and the Fletcher Oil Co.

"My silent partner and I both work for **NATIONAL DEFENSE!**"

"Sure, this is National Defense! The regulars, the trainees and all the rest of us have to eat, don't we? Thousands of food canning plants like ours—and our silent partner, Electricity—are doing a real defense job nowadays!"

...Today no industry has to worry about its power supply, no matter where it is...

★ National Defense is a many-thousand-sided problem. Nobody knows it better than the plants that are busy with rush defense orders—in Pennsylvania, Michigan, California, the Great Northwest or anywhere else.

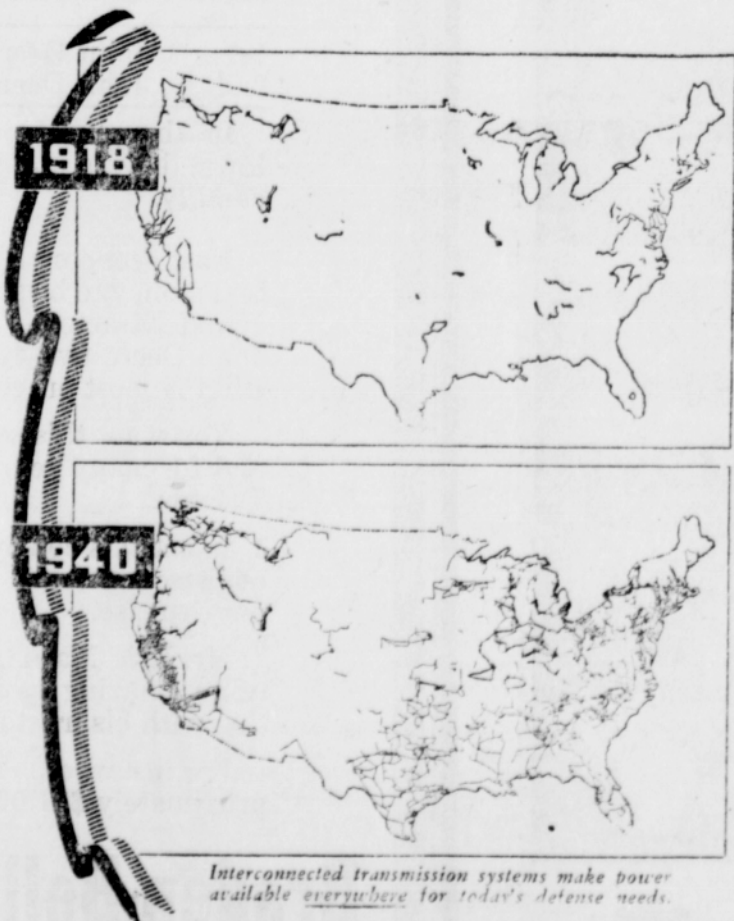

But no manufacturer, anywhere in the nation, needs to worry today about his power service. The vast network of high voltage power transmission lines that you see on the map is a defense system in itself.

America's power systems are ready to supply power wherever it is needed, whenever it is needed, and however much is needed as quickly and efficiently as you get electric service in your own home.

And state lines, county boundaries, city limits are no barrier to the efficient interconnection of America's power systems.

In this national emergency practical men are realizing what these great, efficient utility systems—the so-called "holding" companies—have actually accomplished in integrating the American power defenses since the last war.

They realize, too, that these systems are supplying the nation with adequate power, without the need of diverting a single defense-dollar or tax-dollar of yours away from the real job of building the armaments that we lack.

Interconnected transmission systems make power available everywhere for today's defense needs.
