

Get in on the
BIG DEAL
you can make on the
Big New Ford right now!

YOU HAVE TO GET two things to complete a really good "deal" when you get a new car — and your Ford dealer would like to have you try him out on both! First, you want a good allowance for your present car — and all he asks is a chance to make an offer! And next, you want a lot of value in your new car — and that means a Ford this year more clearly than ever before!

This is the biggest Ford and biggest value in all Ford history. Its passenger room exceeds anything else in its field. Its soft and quiet new ride is one of the motor year's most talked-about improvements. Its engine is a smooth V-8, which you enjoy at no extra cost for either gas or oil. And its bodies and style are really new this year, all the way through.

If you're trading cars this year and want to be sure you make the most of your trade... the man to see is your Ford dealer. Now is the ideal time.
