YEARLY DUES OF PROJECT FARM NOW PAYABLE

Project Farm Bureau members will please note that the annual dues and the Hermiston Herald subscription of \$1.50 total are due and payable on or before March 1, 1941. At the last regular meeting it was decided that county, state and national affiliations would bring greater benefits to the members of the local organization. Such membership would increase the yearly dues by \$1.50 or a total of \$3.00 to be an affiliated member of the local, county, state and national Farm Bureau Federation and includes a yearly subscription to the Hermiston Herald.

All members are asked to make special effort to become active members of these greater organizations. Dues can be paid at the Farm Bureau office or the Cooperative Service Station.

The next regular meeting will be held March 15 at the Farm Bureau auxiliary club house.

—Emil Zivney, Secretary.

TOWNSEND CLUB NEWS

By Mrs. Joe Udey

Another important meeting of the Hermiston Townsend club will be held Friday, February 28, in the American Legion hall. Bulletins and flashers will be read from Washington, D. C. There is no admission charge at the meetings and the public is invited.

The dance committee reports that the piano at the park hall is now in first class condition and better music is promised for the next dance, March 8.

A flash has been received that the chairman of the ways and means committee has promised Congressman O'Connor that a hearing of the Townsend plan will be held at this session of congress. The local club has been greatly heartened by this news and a drive for membership has been started. Townsend followers in congress will make a new effort to pass bill H. R. 1036.
