DE MOSS RELATIVE RECEIVES HONOR

The Portland Oregonian in Sunday's edition featured quite an article on Lloyd H. Cornwall, prominent corn raiser of near Paris. Mr. Cornwall is known as the "corn king" of France and is a former Oregonian. The article dealt at length at the exploits of Mr. Cornwall and tells of his experiences during the war times in France.

Mr. Cornwall is a relative of Mrs. J. H. DeMoss of the Columbia dis-

trict. The latter might be called a "cockrel king" as she stated Wednesday that she had at the present time 19,000 little cockrels which she will feed for 10 weeks to sell as fry-

GARDEN CLUB CHATS

by Mrs. Vera Doyle

Friday should be of much interest to all who attend the meeting. What are the All-American selection of annuals for 1941? Where did your flower garden grow?

The meeting will be held in the library basement Friday, February 28, at 2:30 p. m.

P. P. & L. TRUCKS HAVE HIGH RANKING

Pacific Power & Light company's fleet of 107 service trucks placed fourth among 39 utility fleets competing in its division of the National Fleet Safety contest for the last six months of 1940, according to a summary received by George I. Drennan, field superintendent in charge of the company's safety program.

The trucks were driven 553,000 miles, the equivalent of 22 times around the world, with only three accidents.

Average of the 132 truck fleets in the Public Utilities division for the six-month period was 2.33 accidents per 100,000 miles travelled. Pacific company's record was 0.54 accidents per 100,000 miles, 77 per cent less than the group average.

ENGLISH LETTER GIVES EXPERIENCE IN WAR TORN LAND

Some first hand information as to conditions generally in England was received recently by Mrs. H. G. McCulley from Mrs. Dorothy Yaxley, an English friend. Besides the letter, the envelope contained a piece of material which came from a German parachute which landed in a field near the Yaxley home. This may be seen in The Herald window.

The letter follows:
Dear Mrs. McCulley:
Thank you very much for seeds, also letter, it was very good of you to think of me.

You ask me where about I live in England. I don't think I would be allowed just at present to send you a map but will give you an idea. I live in a little village which is rather scattered and four miles from Preston which is called P. P., Proud Preston, and 18 miles from Blackpool, a seaside town; also 30 miles from the city of Liverpool. You speak about telephones, as many as want them can have them over here, for a quarterly payment of a few shillings.

We also have a radio, a 4-valve set. We had a Halloween party and our Institute tea was provided. Then we had games, dancing and singing, and all behaved just like kids again. I think this does you good, especially these times. Could you tell me more about the trick or treat stunt, then perhaps we could play it over here. If you hear that we are starving (like e have heard) from the Nazi lie machine, it is quite untrue. We are rationed but our rations are quite ample. Old Nazi's air force are bombing churches, hospitals and schools, also machine gunning people shopping in the streets, but if they think that will stop us they are sadly mistaken. We would rather die on our feet than live on our knees. Over here we are grateful for the help the U. S. A. are giving us. If we get the machines, our lads sure know how to use them.

In Preston, that's my nearest town, in 3 weeks we have collected 1,18,500 for spitfires, it is the same in every town and village all over England. You ask about air raid shelters, we are very well fit up with them. Some of them will hold thousands of people and are fully equipped with sleeping apartments, washing rooms; also sanitation. They also have concerts down there. We have our own, like thousands of other people. So you see our government is doing all it can for the people.

You can tell them over there that

the morale of the people is splendid, women and children bombed out of home with not a thing and within a few hours are found everything they need in the way of accommodation and clothes. It was rather funny the other day. I bought a tin of loganberries which have been canned in Oregon.

(The remainder of the letter dealt with personal affairs. Ed.)

Methodist Youth Party

The Methodist Youth held a pot luck dinner and party at the Methodist church Tuesday evening, February 25. After the dinner a number of games and contests of mental skill were enjoyed by the large group that was present.

METHODIST CHURCH

Stearns Cushing, Pastor

"The Compassionate Christ" will be the sermon topic for the morning worship service at the Methodist church for March 2, at 11 a. m. In a day which is heavy with feelings of enmity, bitterness and distrust, it is well for us to look unto One whose way of life was a way of love, faith and service.

Other services of the day include the Sunday School under the leadership of competent teachers, and the Epworth League which meets at 7 o'clock.

You will find warmth welcome and friendship among these people.

CENTRAL CHURCH OF CHRIST

C. Warner, Pastor

For our Sunday morning worship services we continue our series of "Near and On the Cross." The sermon for the eleven o'clock worship service will be "The Necessity of the Cross Today," and for Sunday evening, "Mark Eight and Twenty-nine."

The Bible School meets at 10. Morning worship at 11. Christian Endeavor groups for all ages at 7 p. m., and evening worship at 8.

PENITENTIAL TABERNACLE

S. E. Graves, Pastor

Satan promises well, but pays poorly. He promises honor, but pays with disgrace; he promises pleasure, but pays with pain; promises profit, but pays with loss; he promises life, but pays with death.

God pays as He promises, and all His payments fully satisfy. Friends if you are not serving this wonderful Savior, why not start this next Sunday?

10 A. M., Sunday School. A real
