TOWNSEND CLUB NEWS
By Mrs. Joe Udey

A large crowd attended the Irish Stew Friday night at the Townsend meeting. A very pleasing program was rendered by Mrs. Corman, chairman of the program committee. Interesting flashes from Washington, D. C., and bulletins were read, and action taken on some of them. The dance committee reports that a nice crowd attended the Townsend dance in the Hermiston park hall on March 8. They also report that they are putting on more music at their dance this Saturday night. The next meeting of the club will be Friday, March 28, in the Legion hall. The public is invited to attend our dances as well as all club meetings.

CENTRAL CHURCH OF CHRIST
C. Warner, Pastor

Our Bible school meets promptly at 10 o'clock each Sunday morning. We are well on our way toward our Easter goal of 173, 140 being present last Sunday. The Easter season is one of the highlights of the church. Anyone of the churches will welcome you. Why not take advantage of the opportunity they offer to you, as we look forward to the celebration of the Easter morning? Our sermon topic for next Sunday morning will be "The Power of the Cross," and Sunday evening, "Traffic Signals." Group No. 1 of the Women's Council will meet Wednesday afternoon, March 26.

HERMISTON BAPTIST CHURCH
Grayden D. Loree, Pastor

Is national defense dependent entirely on armaments? We have only to contemplate the fate of France to answer an emphatic no. The Church has an important place to fill in defending our democracy. Support the church of your choice by your attendance.

Our evangelistic campaign continues each night except Saturday at 7:45. Come and hear Mr. Haslam's inspiring messages. His subject Friday evening will be "God Bless America"; Sunday morning at 11 o'clock, "Forward with Christ"; and Sunday evening, "God Gives Proof".

METHODIST CHURCH
Rev. Stearns Cushing, Pastor

"Being Christlike—About God", will be the next sermon topic for the morning worship service at the 11:00 o'clock hour Sunday, March 23. The eminent Swiss psychologist and psycho-analyst, C. J. Jung, has said that of the hundreds of patients from many lands whom he has treated during his years of work, there has not been one among them over thirty-five "whose problem in the last resort was not that of finding a religious outlook upon life." A religious outlook means faith in God. What is our faith in God? How shall we think about God?

Are you among those who are benefiting from our splendid church school? It meets at 10 o'clock with a class for every age. Bring the children and stay. Clarence Cramp-ton will lead the Epworth League discussion at the 7 p. m. hour.

SEVENTH DAY ADVENTIST

Would you like to know how to pay your minister's salary without a cent of your own money? Of course you would, and here's your opportunity to find out about God's way of financing the ministry. This marvelous plan will be presented free of charge Friday night at the Seventh-day Adventist church, Fourth and Ridgeway streets.

Miss Veda Sue Marsh, Red Cross nurse from Washington, D. C., will take twenty minutes in advising mothers how to balance the diet. Many of us are digging our graves
