CENTRAL CHURCH OF CHRIST C. Warner, Pastor

There is one day between the darkest and brightest days of history, the day between the Cross and the Resurrection. For weeks we have been worshipping around the Cross, but now the picture changes. Our sermon for Sunday morning will be "He Is Risen", and Sunday evening, "If A Man Die Shall He Live Again". A basket dinner will be served in the basement of the church following the morning worship service.

METHODIST CHURCH Rev. Stearns Cushing, Pastor

"Christ is Risen" is the song on the lips of Christians on the Easter morn throughout the world. It will be the theme of our morning worship service. Fully as important as the declaration that we are "risen with Christ" is the command, "Seek the things that are above!" Special music for the Easter day will be a part of the service which starts at 11 a. m. The church school meets as usual at 10 a. m.

The evening service will be a special program given by the choir and the members of the Epworth League. The choir will present an Easter message in song. There will be numbers by the choir as well as duets, trios and solo numbers.

The Epworth League will present as the closing feature the one-act Easter mystery drama, "—And Peter—". The evening service will begin promptly at 8 o'clock.

HERMISTON BAPTIST CHURCH Grayden D. Loree, Pastor

Our Easter Sunday morning message is entitled "Of What Importance is the Empty Tomb?" Does it make any difference today whether or not Christ actually arose from the grave? Does it have anything to do with our salvation? As a part of our Easter service the ordinance of baptism will be administered.

"Personal Evangelism" will be the subject for discussion at the young people's meeting at 7 o'clock. Mr. Setness will be in charge. At 8:00 o'clock the pastor will bring a message on "The Prodigal". You are welcome to all services.

FIGHT CARD SET NEXT TUESDAY IN SCHOOL GYMNASIUM

Hermiston is entering into the big time fight bracket next week when 30 rounds of professional and 20 rounds of amateur fighting is scheduled for the high school gymnasium next Tuesday, April 15. The coming card lists three or four of the topmost battlers of the west, featuring in the main event Negro R. J. Lewis of Boise, Idaho, and Johnny Taylor of Oakland, Cal.

Of particular interest to the many local fans is the semi-final bout in which Sammy McCracken, local fistic pride, will attempt to defeat Bobby Hayes of Boise, Idaho. These two boys have fought two previous draws in fights at Boise and Sammy is determined to take the third on the home canvas. He has been training diligently during the past few weeks.

Harold Neill, another local boy, will be featured in a preliminary, meeting Chuck Martin of Nampa, Idaho. This will be the first "big time" bout for Harold who is rapidly developing into a first class scrapper. The special event of six rounds, Rock Vincent of Kuna, Idaho, vs. Ray Marino of Oakland, Cal., is expected to be a whirlwind affair. One other professional fight is scheduled, in addition to 20 rounds of amateur fighting between high school lettermen.

The main event is expected to draw fans from all parts of eastern Oregon, due to the extreme popularity of the two fighters. Lewis is the middleweight champion of Idaho and Taylor holds the welterweight championship of Idaho. The two men recently staged a sensational scrap in Boise with Lewis winning a 10-round decision. The latter is expected here this week end to begin training for the Tuesday card.

HEPPNER MAN IS ARRESTED HERE

Something new in the way of local lawlessness was brought to light here Wednesday night when Night Officer B. J. Nation arrested Buz Furlong of Heppner on a charge of impersonating an officer. He was taken into custody at a camp near the Alstott ranch after being traced there through an automobile license number.

Furlong made his first move last Sunday when he stopped Miss Lilly Moyer on her paper route and attempted to fine her for speeding. A companion in the car, however, asked Furlong for identification papers and he then fled. Later in the week he 'arrested' Elza Murphy for drunkenness and asked for \$10 bail. Mr. Murphy gave him a sum of \$5.00 on the account, the man again acting suspicious.

With these cases as a clue Officer Nation made the arrest and Furlong is now in the county jail at Pendleton.

LOCAL GOLFERS LOSE AT PASCO

The Hermiston golf players contingent, bolstered by several out-of-town players, took one on the chin at Pasco, Wn., Sunday when they lost a 29½ to 18½ decision. The local players stated, however, that the trip was well worthwhile because of the royal reception they were accorded there.

The following is the list of scores made with the Hermiston player mentioned first: Todd 0, Heater 3; Harris 0, Neuman 3; O'Conner 0, Shupe 3; Beard 1½, Hull 1½; Sam Moore 1½, Gall 1½; Gray O, McGahey 3; Ed Bensen 2, Makler 1; Mattot 3, Anderson 0; Klages 1, Ness 2; Jackson 1, Glason 2; Fossetti 3, Oliver 0; Hanlon 0, Taber 3; Pinkerton 1, Spreen 2; A. E. Bensen 0, Purdy 3; B. Doyle 3, Beste 0; Van Patten 1½, Linn 1½.

FARM BUREAU TO DISCUSS P.U.D.

A meeting of the Farm Bureau organization will be held next Wednesday evening, April 16, at the Columbia park hall. A. H. Cable, president, stated Wednesday that refreshments will be a part of the evening's entertainment.

H. J. Ott will discuss the recent report of the state hydro-electric commission concerning the formation of a P.U.D. in this area.

RED SOX WIN IN PRACTICE GAME

The Hermiston Red Sox baseball team (minus the red sox) won a practice tilt from Umatilla Sunday afternoon, 11 to 6. The game was scheduled as a practice affair and does not count in league standings. The Umatilla county league will get underway Sunday, April 20. The Red Sox will travel to Umatilla Sunday afternoon for a return contest.

Three pitchers toiled on the mound for Hermiston Sunday with Courtney Morehouse, Jim Preffer and Bob Woodward taking turns on the rubber. The Red Sox looked fairly well in several spots but will need considerable bolstering to repeat in the Umatilla county league championship.

Other teams in the league are Wallowa, Helix, Umatilla, two teams from Mission Indians and Hermiston.

BUILDING PERMITS BOOM IN APRIL

The "boom" has definitely hit in the office of Chas. Taylor, city recorder, where the blotter shows a total of \$16,000 in building permits issued during the first 9 days in April. March figures stood at \$6,200.

It is expected that the Month of April will establish some sort of record in building in Hermiston.

POWER COMPANY ISSUES DIRECTORY OF BASIN PRODUCTS

Starting another step in a continuing drive to promote the products of the Columbia basin area, a new and enlarged edition of Pacific Power & Light company's directory of manufacturing and processing plants located in its territory has just come off the press and is ready for distribution, according to John A. Clarke, local manager for the company.

The directory, attractively bound and well illustrated, will be placed in the hands of purchasing agents of large concerns throughout the nation, according to H. W. Derry, manager of the Pacific company's new industries department, under whose direction the directory was compiled.

Such a commodity index of the area is particularly timely now because sudden demands of the national defense program have exhausted many normal sources of supply and purchasing agents frequently are hard pressed to find new ones, Derry pointed out. This gives the Pacific Northwest a fine opportunity to establish itself as a dependable new source.

"By placing this ready directory of products directly in the hands of men who do the buying, we are attempting to make it easy for them to use the products of this region. Our idea is to have the answer to the purchasing agent's question, 'Now, where can I get this product?' in his hands even before he can ask it."

More than 80 classes of products are indexed in the directory, running from agates to awnings, blankets to bulbs, cans to coal stokers, draperies to drugs, filters to fishing tackle, and so on through the alphabet. Nearly 500 producers, manufacturers and processors, with their products, covering most of the 130 communities served by the Pacific company, are listed.

UNION MEETING SCHEDULED HERE

A meeting of all those interested in forming a union of workers to be employed at the site of the Umatilla Ordnance Depot will be held Thursday evening at 7:30 in the Hermiston park hall.

All men now employe by J. A. Terteling & Sons an anyone else interested is invited to attend the meeting where matters pertaining to the functions of the union will be taken up.

Library Hours Increased

Quite a number of readers are taking advantage of the extra hours of the Hermiston library. The office hereafter will be open each Monday and Thursday evenings from 7:00 to 9:00 o'clock in addition to the regular daytime schedule. The additional hours have been added to accommodate newcomers in Hermiston.

CITY BOOMS AS WORK PROGRESSES AT MUNITIONS SITE

EMPLOYMENT OFFICE IS BUSY CONCERN

Work at the site of the Umatilla Ordnance Depot is gradually taking shape with some delay being caused due to the shortage of material. Work is progressing on barracks for men to be employed at the site with road construction also being stressed.

Wednesday was a busy day at the local office of the Oregon Employment Agency. A total of 38 men were sent out during the day to be employed at the site of the Umatilla Ordnance Depot. This brings the total to date at 173 men which have been placed through this office, according to Lynne Black, senior officer.

Mr. Black stated Wednesday that he has an order calling for beet topers in the region of Ontario where 200 to 300 men are needed at once to top beets. Further information can be obtained at the office.

Captain R. C. Williams, constructing quartermaster here, is in Washington, D. C., this week conferring with officials there concerning the construction here. No word has been received as to what has transpired.

Temporary office quarters are being constructed at the site just east of town where 83 houses will be constructed for married men with families. Leveling operations have been underway during the past ten days. It is expected that construction of the buildings will get underway as soon as final details as to roads, water and house dimensions are completed. However, no definite date has been set as to when actual building will begin.

Locally business houses are doing a rushing business with almost all concerns hiring extra help. Due to the fact that numerous men have been unable to "get on" as yet, the streets are quite crowded during most of the day.

HIGH SCHOOL TO ADD SHOP COURSE

At a recent meeting of the high school board it was decided to introduce vocational shop in Hermiston. The first step necessary will be to increase the shop space. The present building of 30x36 feet will be enlarged to a floor space of 3900 feet. Vocational shop for a one year course will be started at the fall term.

The addition of a larger building will be made with aid of a N.Y.A. grant wherein local young men will be employed. The details of the project have been under the supervision of Henry Vorlicky of Pendleton. Any boy over the age of 16 who is interested in working on the project is asked to get in touch with W. G. Kersbergen, high school superintendent. It is expected, however, that work will not be started until after the close of school.

N.Y.A. EXPLAINED AT ROTARY MEETING

The local Rotary Club was treated to an interesting program at the weekly meeting Thursday noon under the direction of Harry Cline of Milton. Henry Vorlicky, trector of N. Y. A. work in this district, told of its purpose and organization and presented Fred Lewis who told what the organization was doing. It was pointed out that this project is not a relief organization but rather a bridging agent between school and a job.

This Rotary club will meet temporarily every Thursday noon at the Odd Fellows hall until further arrangements can be made.

HIGH SCHOOL DROPS BASEBALL CONTEST

Hermiston high school kept its record clean this week by dropping its third straight baseball game, losing 5 to 8 at Athena Tuesday afternoon. The home boys packed too much punch although Hermiston made the game interesting for several innings.

A return contest will be played here next Tuesday, April 15. The team will journey to Pilot Rock April 22.
