'NIG' BORLESKE TALKS TO ROTARY

Talking before the local Rotary club, "Nig" Borleske struck a keynote when he said that there were four important words in everyone's life, which are: "I", "I Wish", "I Can" and "I Will". He pointed out the necessity of young people staying in the small community and working out their lives there.

He went on to show how in the past 10 years Germany has spent over a hundred billion dollars in preparation and that if we expected to overtake and surpass Germany we must spend more than 25 or 30 billion even if it means that we must "give up something".

EMPLOYMENT HALL HAS NEW QUARTERS

The local office of the Oregon State Employment agency will be moved in the near future to the lower floor of the Cronk apartment building across the street from the Dan Lindsey building west of the tracks. The present location in the Wm. Shaar building on Main street is somewhat crowded, according to Lynne E. Black, senior officer.

The concern is enjoying a brisk business and to date have placed 484 men with J. A. Terteling & Sons, contractors of the Umatilla Ordnance Depot. This includes 125 carpenters, 122 laborers, 102 truck drivers and numerous smaller classifications.

HERMISTON AND WALLULA LEAD

(Continued from Page One)

gomery, pitcher, is showing great improvement and held the Hermiston sluggers well in hand until the last few innings. Rankin was in rare form and his fast ball kept the Umatilla batters guessing. The final score was 6 to 3 for Hermiston.

Wallula apparently looks like the class of the league at the present writing, having a field day at Texaco Chiefs Sunday, winning 29 to 4. Helix came to life and presented Mission with its second defeat of the season.

TEMPORARY OFFICE NOW AT STANFIELD

Temporary offices of the Ordnance Department of the Umatilla Ordnance Depot were opened at Stanfield the past week. These offices are located in the Stanfield Irrigation building under the supervision of Captain James M. Piercy, the commanding officer. Although these offices are of temporary nature only until such time office space will be available at the ammunition depot, it indicates another advance of the defense project now in progress.

Captain Piercy is assisted by Master Sergeant Ronald A. McLain and Leighton C. Smith, administrative assistant of the Ordnance Department.

Catholic Services Scheduled

Bishop McGrath of Baker City will give the service of confirmation at the Hermiston Catholic church Sunday afternoon at 4:30. Morning services are at 8:30. Other services include Umatilla at 8:30 and Boardman at 10:00 a. m.

May 1, or thereafter, for \$18.75. In ten years, this bond will be worth \$25.00. This is an increase of 33 and one-third per cent, equal to an annual interest return of 2.9 per cent compounded semi-annually. Any time after sixty days from the date of purchase, the bond may be redeemed for cash, in accordance with a table of redemption values printed on the face of the bond.

To spread investments widely among all the people in America, a limit of \$5,000 has been set on the amount of these bonds to be bought by any one person in one year. The bonds are in denominations of \$25, \$50, \$100, \$500 and \$1,000, all of which are sold for 75 per cent of their maturity value and all of which mature in ten years.

For larger investors who can afford to purchase up to \$50,000 worth of bonds a year, the Treasury Department has issued two additional kinds of Defense Savings Bonds, but these will be sold only through banks

and by direct mail from Washington, D.C. They are intended for associations, trustees and corporations, as well as individual purchasers.

For the smaller investor who wants to buy a Government Bond on an easy payment plan, the post office will have a new series of Postal Savings Stamps, at 10, 25c, 50c, \$1 and \$5. Each purchaser of any Savings Stamp higher than 10c will be given, free of charge, an attractive pocket album in which to paste his stamps until he has enough to buy a \$25 bond or one of higher denomination. Thirty million of these albums are now being prepared.

The cover design of the album is in color, featuring a United States battleship and an eagle bearing the American flag. On the back cover is a painting of the Minute Man statue by Daniel Chester French, which symbolizes the American citizen ever alert in defense of his country. The inscription is "America on Guard".

Secretary Morgenthau said that even a boy or girl who saved 10c to buy a Savings Stamp would help the country. He added that "you can safeguard your own money and your own future, while helping the national defense, by buying United States Savings Bonds now".

RODEO PLANNED SUNDAY, MAY 18

The first celebration of the summer season is scheduled Sunday, May 18, when George Attebury is

southeast of Stanfield. Mr. Attebury, an experienced showman and considered a good judge of horses, is preparing for a big crowd on that date.

Included on the day's program will be bucking, wild cow milking, bareback riding, bull riding, calf roping and other events which make up a wild west rodeo. An admission price of 75c for adults and 40c for children will be charged.

Anyone having bucking horses to try out during the next few weeks is asked to get in touch with Mr. Attebury at the ranch.

Further details will appear soon in this paper.
