

GAMBLE STORES?

THEY ARE STORES THAT WERE ESTABLISHED SIXTEEN YEARS AGO IN A SMALL TOWN IN MINNESOTA BY THE FOUNDERS—

BERT GAMBLE AND PHIL SKOGMO

THE GENERAL OFFICE NOW IS IN MINNEAPOLIS, MINN.

From that one store they have grown to about 2000 stores from Ohio in the East to your Oregon in the West. The stores are mostly in the smaller towns so that the people in these towns can enjoy as low prices as those living in the larger cities.

They are called the Friendly Stores and the founders are not known to us as Mr. Gamble and Mr. Skogmo, but as Bert and Phil, and we to them as Bill, Tom, Jack, etc., not as Mr. So and So.

If the Gamble Stores had not served the people with Quality Goods at a Reasonable Price, and in a Friendly Way, they could not have progressed as they have. The people that have dealt with the Gamble Stores for years know that the name "Coronado" (our trade name) means "Quality", as much as other highly advertised names, but at a Lower Price (Because you do not have to pay for the high priced advertising).

The local dealer has been connected with the Gamble Stores for over six years, and tries to serve his customers as the Founders expect them to be served.

We will soon put on the yearly sale known as "Founders' Sale". Watch for that and profit by the Special Low Prices offered on many items.

If you are not yet acquainted with the Gamble Store, come in and look it over. Bill and Harry will be pleased to meet you.

METHODIST CHURCH

Rev. Stearns Cushing, Pastor

Looking backward into childhood one sees the time spent at his mother's knee as a time of comfort and meaningful experiences. The religion and comfort gained at our mother's knee is lost because we have neglected the lessons learned there. In our lives there seems no place to pray—no place for communion with God in privacy and seclusion.

Honor your mother by being in the worship service this Sunday.
