**HOW CAN HOGS MAKE MORE GAIN ON LESS FEED?**

Our test hogs always make more gain on less feed when Dr. Hess HOG SPECIAL is added to the ration. They gain as much as 4 lbs. more per hog per month on 1/10 less supplement and 1/10 less grain.

Hog Special is a two-job product. First it supplies tonics which help stimulate body functions. And the hog is usually able to make better use of feed.

Hog Special also supplies essential minerals. These Hog Special minerals are iron, iodine, copper, calcium and phosphorus. These minerals are needed for good health and good gains.

Tonics and minerals—a two-job product. Don't let anybody try to convince you a product containing only minerals is as good as Hog Special.

Oregon's 4-H club members will join 250,000 other 4-H'ers throughout the nation in responding to the call for greater production of meat this year to supply home and national defense requirements, says H. C. Seymour, state club leader. Many club members are enrolling in the 1941 livestock projects, where they will produce all kinds of meat animals.

All those enrolled in such clubs are eligible to share in the benefits of the national 4-H meat animal competition. Last year the nation's four sectional winners, which included Robert Zielinski, Salem, reported gross returns on their enterprises, totaling \$24,618 and cash prizes on exhibits totaling \$3,247. **CHRISTIAN SCIENCE CHURCHES**

"GOD THE ONLY CAUSE AND CREATOR" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 8.

The Golden Text was, "Great and marvelous are thy works, Lord God Almighty; just and true are thy ways, thou King of saints" (Rev. 15:3).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "For the word of the Lord is right; and all his works are done in truth. For he spake, and it was done; he commanded, and it stood fast" (Ps. 33:49).

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "In the material world, thought has brought to light with great rapidity many useful wonders... Belief in a material basis, from which may be deduced all rationality, is slowly yielding to the idea of a metaphysical basis, looking away from matter to Mind as the cause of every effect" (p. 268).
