TOWNSEND CLUB NEWS

By Mrs. Joe Udey

A very pleasant evening was spent at the Townsend social meeting last Friday night. A short business meeting was held and flashes of interest were read. Mrs. Corman, chairman of the program, rendered a very pleasing entertainment. The meeting closed by serving coffee and doughnuts.

The building committee announces that the foundation was ready for the sub-floor to be laid, and all those that are willing to help on the work are invited. The money made from the dance at Stanfield this week Saturday will help pay for the new Townsend home, so we need your cooperation.

The next Townsend meeting will be June 27, and we hope to have it in the new hall. A notice will be in next week's Herald, so read your paper.

Navy Recruiter Scheduled Here

A Navy Recruiter will be in Hermiston at 11 a. m. on June 28 at the local post office. The navy is offering increased opportunities unmatched in past history. A total of 23 new naval training schools are immediately being made available to equip enlisted men of the regular navy and the naval reserve as petty officers. Ten basic subjects will be given in the courses.

STATE CAMP TO DRAW LOCAL BOYS

Four Hermiston boys will leave Sunday to participate in the American Legion's annual Beaver Boys' State camp at Corvallis. The camp, a week in length, through a varied program of education and recreation, endeavors to, as its stated purpose, "inculcate a sense of individual obligation to community, state and nation".

An effort is made to choose outstanding representatives from the various communities of the state to join in the session, which is directly under the supervision of the American Legion, and well trained and experienced leaders of boys. During the camp period a trip will be made to the state capital at Salem, that the boys may have a chance to see the workings of their government. A separate boys' government is operated at the camp, with a governor, mayors, and other officers.

Those attending from Hermiston include Dave Hamm, Bill Penney, Gale Felthouse and Bill Belt. The boys will return June 30.

Hutsell Loses Middle Finger Willard Hutsell, who is employed with O. O. Felthouse, received injuries at the sand pit last Thursday which resulted in the loss of the

DEARBORN, Mich.—This big aerial dreadnaught coming out of the clouds for a landing at Ford Airport is the new Consolidated B-24. It is regarded by the U.S. Army as the world's most formidable bomber. The Ford Motor Company, under government contract to produce sub-assemblies and parts for five complete B-24D bombers a day, is erecting an \$18,000,000 plant for the job, 25 miles from here.

Henry Ford examined this huge bomber when it visited Dearborn recently. It weighs 56,000 pounds loaded and carries four tons of bombs at a speed of 300 miles an hour. The ship has a cruising range of 3,000 miles.

The close-up photo (right) of one of the plane's main landing struts indicates its great size. This gear which folds into the wing is one of the intricate sub-assembly projects Ford will handle.

Master's Use". Group No. 1 of the Women's Council will meet Wednesday afternoon, June 25, and Group No. 3 on Thursday afternoon, June 26.

Scouts from over Eastern Oregon and Washington will meet in the "Switzerland of America" for a three week period devoted to Scoutcraft, hiking, swimming, boating, games and contests.

The camp is under the leadership of O. E. Hoover, district scout executive, and a staff of experienced leaders. Hikes will be conducted into the high lake region, and while in camp boys will be given the benefits of a full and active camping program.

Bill Belt, a member of the Camp Wallowa staff, and Scouts Jack Jackson, Allan Pankow, Dick Belt, Bruce Norton, Vance Matott, Harry Brown and Alfred Gilpatrick are among those attending from Hermiston. The camping season closes July 26.

UTAH WOOLEN MILLS STORE HAS OPENING

According to Fred Wickham, local representative of the Jack Frost line, Utah Woolen Mills, the opening of his concern in Hermiston has been well received. Mrs. W. T. Bray of Umatilla, John Canoy and Arnold F. Webber, both of Hermiston, were awarded merchandise prizes during the past week by Mr. Wickham. Another prize still awaits the lucky customer who is asked to come to the store for the prize. Due to postal regulations the Herald is unable to publish the winning number.

Mr. Wickham states that he is well pleased with the opportunities in Hermiston. A page advertisement in this issue tells of the policy of the new establishment.
