"Lest We Forget"

Next week we will celebrate another Fourth of July. With Stanfield as a center, the west end of Umatilla county will have the usual festivities with music, dancing, sports and patriotic oratory. In the customary American way we will observe a great event in our history. With events shaping a new destiny of mankind, we wonder, in this yet an hour of peace at home, how we may conduct such ceremonies a year from now.

With the flag of freedom still floating from our mountain heights, we are called upon to still defend our standards of democracy, and uphold the principles of liberty and justice for all mankind. We hope that when the tumult and the shouting dies and, with Kipling, when "The captains and the kings depart", there will still stand "Thine ancient and a contrite heart".

"Lord of hosts be with us yet,
Lest we forget,—lest we forget".

More And More Housing

The housing situation is growing more acute every day. In spite of the fact that something like 50 housing units are being built, or assured in Hermiston, trailer houses are rolling in and tent houses are rising, there yet remains a great need apparent in the very near future. So far no one has been required to sleep under a sagebrush, though many have curled up in their cars for a night's lodging.

As citizens of the community areas, we urge everyone who can provide rooms, small housing facilities, and camping grounds, to assist in every way possible to aid the government authorities in taking proper care of the hundreds of strangers and visitors that are yet to appear here to work on the defense project.

BOYS' AND GIRLS' AID SOCIETY NEEDS ADDITIONAL FUNDS

Portland—Ten dependent children from Umatilla county are receiving care from the Boys' and Girls' Aid Society of Oregon at the present time, according to a report released this week from society headquarters. Under the supervision of the society, which provides clothing and medical and dental care, the children are placed in private family homes throughout the state.

The Boys' and Girls' Aid reports that since 1914, it has provided for 35 homeless and neglected children from Umatilla county.

Fifty-five per cent of the society's wards come from counties other than Multnomah, yet substantial financial support from private sources is provided by no other county, officials of the organization point out. Without additional funds from the counties to meet the increased cost of living, services to dependent children will have to be curtailed.

The agency is asking the cooperation of every Oregon community in meeting present needs which total \$5,000. The fund-raising appeal, organized on a state-wide basis, is going forward rapidly in Umatilla county under the chairmanship of Miss Eva Nelson of Pendleton.

Established in 1885, the Boys' and Girls' Aid Society has cared for more than 7,300 Oregon children since its inception. At the present time 355 boys and girls are receiving care under its supervision. C. C. Chapman is president of the organization and Mrs. Myrtle C. Dalziel serves as state director.
