**BUREAU OF LABOR
ISSUES NEW ORDER**

Lynne Black, senior employment officer at the Oregon State Employment office here, has received instructions concerning wages and hours concerning women and minors in industry which become effective July 23, 1941. Mr. Black has had several requests for information concerning these matters. Anyone wishing instructions is asked to see him at his office.
The past week has been an extremely busy one at the employment office. Hundreds of men have been put to work during this time. At the present time a total of 2,649 men have been placed at the ordnance depot and 307 men have been given other employment. This runs the total to 2,956 men who have been cleared through the local office, according to Mr. Black.

**HOT WEATHER IS
POPULAR SUBJECT**

Newcomers in Hermiston are asking the question, "Do you think it will get much hotter?" Old timers merely shrug their shoulders and say, "Ya ain't seen nothin' yet." Be that as it may, the weather man did bear down a little this week. Sunday he raised the thermometer to 101.

The weather report for the week, according to Charles Taylor, follows:

Day	Max.	Min.
July 2	97	57
July 3	93	62
July 4	90	64
July 5	95	59
July 6	101	55
July 7	92	68
July 8	92	61

**TRAFFIC COUNT
REVEALS FIGURES**

A. D. Smith, old time resident of West Hermiston, has compiled some interesting figures during the past few weeks in connection with auto traffic to and from the Umatilla Ordnance Depot. One day recently he listed one car every two seconds for one hour. Earlier in the week he counted an average of one car every two minutes for a 24-hour period.
This increase in travel is quite a contrast to that of a year ago, according to Mr. Smith.

**FOUR-H YOUTHS
TO MAKE TOUR**

Assistant County Agent M. E. Knickerbocker and a group of 4-H boys from this district will leave July 16 for a three-day trip sponsored as the Eastern Oregon Livestock tour. The group will begin the tour from Union.
Those going from Hermiston are Gordon Shaw, Charles Seelinger and Don Ploured and those from Stanfield are Billy Gilbert, Jim and Wendell Hogg, Jim Barber, Jim and Andrew Lamont.

BOARDMAN NEWS

Gerald Seerist, who makes his home at the Jayne farm, had the misfortune to be kicked in the head by a horse last week. He was taken to Hermiston to a doctor. He is now able to be around at home.
The Filbin tractor was loaded onto a truck and moved to the McCarty ranch to be used in the wheat harvest the last of the week.
The Robertson men left Monday morning for Suttler's Flat for the harvest. The women are caring for the ranch in their absence.
The farmers in this locality are experiencing great difficulty in getting help for haying, therefore causing it to be a long drawn-out process.
Mrs. Albert Baker has returned from Portland where she was caring for Mr. Baker's mother, who passed away last week. The mother, Mrs. Erickson, was 86 years old and had been ill for some time. Mr. Baker and son, Willard, went down for the funeral.
Mrs. Willard Baker and daughter, Connie Lou, are visiting her parents, Mr. and Mrs. Jesse Allen, in the valley.

**TROUBADORS TO
PLAY SATURDAY**

The ever-popular Troubadors will play Saturday night at the dance in the Hermiston park hall. The committee in charge states that good sized crowds have been attending.
The series of dances will continue throughout the summer months.

**BILL BELT WRITES
FROM SCOUT CAMP**

A letter was received this week from Bill Belt who is attending Scout camp at Wallowa lake, near Joseph. The letter follows:
"Camp Wallowa officially opened Sunday, July 6, for a three week period. Clifford Hanson, Assistant Scout Executive, is Director, with a staff of older Scouts to assist.
"Scouts are here from over Eastern Oregon and Washington, with the peak of enrollment expected to near 100. Activities are centered around a busy program in camp, with at least one day each week devoted to hikes, which will be taken into the high lake region, where 53 lakes are found.
"We just got the tail end of the storm which we read hit other portions of the region, and we hope the damage will not be too great to Hermiston.
"Dick and I are the only Hermiston Scouts here now, but others will arrive later.
"My duties are Canteen Officer, Craft Instructor and General Secretary, as well as a hike leader. The weather has remained good here, and prospects are good for a very successful season."

**ICE LAKE TRIP IS
PROFITABLE ONE**

A party composed of Dr. and Mrs. W. L. Morgan, Mr. and Mrs. C. J. Ainscough and Eddie Benschel left last Friday morning for the Wallowa lake region where Dr. and Mrs. Morgan have a lodge. Dr. Morgan, Mr. Ainscough and Mr. Benschel made the tedious climb to Ice Lake and returned with a record catch of trout although the size of the fish was smaller than in former years.
Mrs. Ainscough and Mrs. Morgan remained at the lodge. The group returned home Sunday night.
