LOCAL STUDENTS PLEDGED TO FRATS

Rushing for freshmen on the University of Oregon campus came to an end this week with the pledging of 500 students to Greek letter fraternities and sororities.

Out of the 350 women who took part in rush week activities, 256 were pledged, according to Hazel P. Schwering, dean of women. Pi Beta Phi led the list with 30 and the next high were Alpha Gamma Delta and Chi Omega with 23 each.

Official figures released by Virgil D. Earl, dean of men, show that 244 men out of the 331 registered were pledged to fraternities. Top houses were Sigma Nu with 24, Sigma Chi

with 22 and Phi Sigma Kappa with 18.

Students from Hermiston who were pledged include: Tom Fraser, Chi Psi; Gale Felthouse, Phi Gamma Delta.

VACATION DAYS SET NEXT WEEK

Thursday and Friday, October 9 and 10, will be vacation days for students in Hermiston but will be just another working day for the teachers who will attend the annual meeting of the Oregon Federation of Teachers in Pendleton.

W. G. Kersbergen, superintendent, will accompany his corps of instructors to Pendleton.

CRIPPLED CHILD HELP AVAILABLE

Miss Margaret Simpson, orthopedic field nursing consultant of the Crippled Children's division of the University of Oregon Medical School, held a conference at the Umatilla public health unit last week to make arrangements for the biennial crippled children's clinic to be held in Pendleton October 16.

In Umatilla county, application for this service may be obtained through the Umatilla county health unit after the recommendation of the family physician. In the Hermiston and Umatilla district, Miss Ethel Bruce, public health nurse, will be in charge. In Echo and Stanfield, this work will be directed by Miss Vera Todd. Miss Ann Maurice is the public health nurse in Morrow county.

BULLDOGS PLAY HEPPIER FRIDAY

The undefeated Hermiston high school Bulldogs travel to Heppner Friday for the first of two games with Heppner. The Morrow county team will come to Hermiston for the annual Armistice day classic. These ball games always turn out to be nip and tuck battles and this year's tilts promise to be no exception.

Coach Ray E. Critchfield's squad seems to be in fine fettle except for some minor bruises. Tiller, hard-working back, is "serving" a bruised ankle but is expected to be in shape by Friday. Cullen, who has led the attack in the two previous wins, is in tip top shape.

MRS. IDA JEWETT PASSES AWAY

Mrs. Ida L. Jewett, widow of Frank Jewett, passed away at her home in Umatilla Friday at 12:30 p. m. after a lingering illness. Funeral services were held in Pendleton Monday afternoon at 2:30 with Rev. F. C. Wissenbach officiating.

Pallbearers were Llewellyn Brownell, Pete McNabb, Geo. J. Kandler, W. C. Cutting, Henry Thompson and Ervin Chapman.

Mrs. Jewett was born at Atherton, Ontario, Canada, and married Mr. Jewett at Circle, Alaska. They came to this district from Alaska 23 years ago and have resided at their farm east of Umatilla since then. Mr. Jewett died several years ago.

She is survived by a brother, Norman Thompson, who has lived with her several years.

HERMISTON GETS FEDERAL GRANTS

John M. Carmody, federal works administrator, announced in Washington, D. C., Monday that President Roosevelt has approved 68 new defense public works undertakings, of which 60 were recreation centers.

The total estimated cost was \$5,648,321. Tentative financing arrangements called for \$517,204 in DPW grants, \$608,800 in sponsor's funds and \$4,522,317 of federal construction.

Among the community facilities and services, with the tentative financing plans, was Hermiston with \$8360 for school facilities and \$36,050 for recreational centers.

Just what this news means here has not been ascertained. Official word is expected in the near future.

P. I. DRAWS BOYS FROM THIS AREA

The annual Pacific International show in Portland, October 4 to 11, will again draw several youths from this area. The boys will be accompanied by Assistant County Agent Gene Lear to Portland this week-end.

Those going and taking livestock follow: John McMullen, two fat steers; Howard Henderson, two fat steers; Bob Attebury, two fat steers; Creston Buzzard, one fat steer and five head of hogs; Gordon Shown, one milking shorthorn heifer and five fat hogs; David Dufur, five fat hogs. Several others from Umatilla county are also making the trip.

BULLDOGS WIN OVER WAITSBURG ELEVEN

(From The Bulldog)
Hermiston was victorious in its second tilt of the season 19-6 with Waitsburg as the victim. Things looked bad for the locals in the first quarter when Waitsburg pushed the ball to the two-yard line and early in the second quarter pushed it over, however, they failed to convert.

The Bulldogs then rallied their offense and on three plays carried the ball from the 40 into paydirt with Tiller carrying it over. Cullen then put a beautiful kick between the

bars and the half ended 7-6, Hermiston with the ball deep in their own territory. The second half Hermiston pushed it over twice more with Cullen and Tiller packing the ball. They failed to convert either time, the final score being 19-6. Outstanding in the game was B. Cullen who was in on nearly every play, offensive and defensive.

The starting lineup: Foss, left end; Elwood, left guard; Allen, left tackle and captain; Longhorn, center; McCracken, right guard; Borhwick, right tackle; Holloman, right end; Buell, quarterback; Miller, right half; Tiller, left half; Cullen, fullback.

Camera Club To Meet Soon

The Camera Club, under the direction of Mr. Werth, will hold its first meeting in the near future.

There will be a dark room provided in the laboratory for developing pictures. Besides the regular routine of developing pictures, new processes of toning will be taught. All students interested are urged to join.

Majorettes Elect Officers

Election of officers for the majorette corps was held during band in the gymnasium Wednesday afternoon, September 10. Officers are: Captain, Bonnie Toffer; first lieutenant, Lorene Holling and second lieutenant, Leona Davis. Tentative plans for the coming year include organizing a corps of nine majorettes to do drill work, also various baton antics and instruction by a professional baton twirler. The majorettes are a valuable asset to the school and are expected to be better than ever this year.

THREE DIE AT HANDS OF KILLER THURSDAY

(Continued from Page One)
Control of the law. Upon questioning by the officers, the killer freely told his story after several attempts to throw "fits" and otherwise attempting to dissuade the officers.

Sota admitted the greatest flaw in his attempt to escape was that he talked too freely to Mrs. McKenzie, Mrs. Murray and Mr. Todd at the mail box. He figured that this was his biggest "giveaway." When asked by officers whether he had intended

to shoot any of the trio, he replied, "I was out of shells."

Sota was taken to Pendleton that evening and lodged in the county jail. His wish was that he be taken directly to the state penitentiary. No disposition of his case has been announced by state officers.

Funeral services for the slain trio were held Monday and Tuesday. Marvin Adams' services were held Monday afternoon at 2 o'clock at Walla Walla. Burial was at Touchet, Wash. Services for Mrs. Tobin and Kenneth Gorsuch were held Tuesday afternoon at the Hermiston Baptist church with Rev. Grayden Loree in charge. Burial was in the Hermiston cemetery.

Cora Adams Tobin was born in Johnson county, Missouri, September 21, 1868. Kenneth Gorsuch, her son, was born August 29, 1899. In 1901 they came west, spending the remainder of their lives in eastern Oregon and Washington. In Adams county, Mrs. Tobin settled on a homestead working hard to provide for not only her father and mother and her own children, but also for four children of a sister who had died previously.

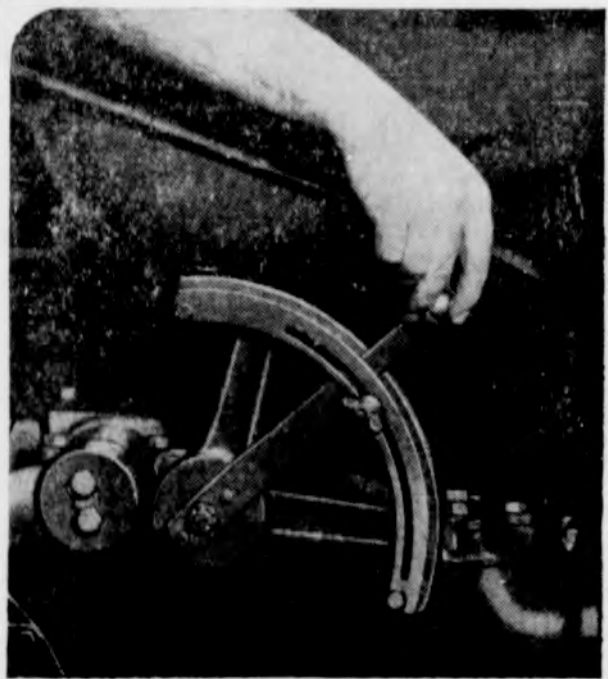

For the past 11 years, they have been residing near Hermiston. Sur-

living are two brothers, Ed Adams of Benton, Wash., and Everett Adams of Walla Walla. Kenneth Gorsuch was a member in good standing in Paul Revere Lodge No. 205, Othello, Washington, at the time of his death. His Masonic record read as follows: Born August 29, 1899. Date of petition, July 15, 1929. Elected, September 2, 1929. Initiated, October 21, 1929. Passed, January 20, 1930. Raised, February 17, 1930. Died near Hermiston September 25, 1941.

The above episode ends with due credit to city, county and state officers who wrote a quick finish to the story.

NO OTHER TRACTOR HAS IT!

FINGER-TIP IMPLEMENT CONTROL

• Some tractors have hydraulic lifts, but only the Ford Tractor can offer the additional advantages of the Ferguson Hydraulic System of implement control. You set the depth at which you want an implement to work and the Ferguson Hydraulic System automatically maintains that depth. It gives you instant control of the implement right at your finger tips. It lets you keep the implement working at a uniform depth in spite of holes and ridges . . . and it automatically decreases traction when an obstruction is hit.

BEST OF ALL, these extra advantages are yours at no extra cost.

Be sure to see for yourself how and why the Ferguson System makes tractor operation easier and cheaper than you ever thought possible. Stop in or call us any time . . . but make it soon!
