PREPARE NOW FOR MACHINERY LACK IS FARM ADVICE

Faced with a possible shortage of farm machinery for next year, and inability to get prompt delivery of repairs, Oregon farmers are being advised by Robert Taylor, of Adams, chairman of the state U.S.D.A. agricultural defense board to make plans now to foresee their 1942 equipment requirements.

The days when a grower can rush to town and buy a new piece of equipment, or even get the right replacement part on a moment's notice are probably over for the duration of the emergency, says Taylor. On the other hand, the government is making every effort to see that needed farm machinery and repairs are provided for as adequately as possible through favorable priorities.

A statewide equipment survey recently conducted by county U.S.D.A. defense boards shows that Oregon farmers expect to need more than the usual amount of farm machinery next year, both because of the farm labor shortage and the increased production under the "food for freedom" program.

"The big expansion of cover crop seeds, the need for more feed crops to supply the needed increases in pork, dairy, poultry and beef products, and the general farm labor problem are all factors in the indicated need for more equipment," the defense board chairman said.

The results of the machinery survey will be used to establish new priority ratings for materials to manufacture new equipment classed as absolutely necessary. These priorities, the chairman said, are designed to maintain the existing farm plant at a high level of efficiency by assuring supplies of needed repair and maintenance parts and of essential new equipment. Accordingly, he advises farmers to repair old machinery whenever possible and to utilize all suitable farm equipment. Purchases of new equipment, he said, will best be held to a bare minimum.

Farsighted farmers can head off a

lot of harvest time trouble by advance planning now, Taylor declared, pointing out that attention to repairs and ordering of needed parts during the coming winter months will do a lot to prevent hardships arising from shortages or delays next summer.

IRRIGON NEWS ITEMS

By Mrs. W. C. Isom

Mr. and Mrs. Adrian Allen are the parents of a baby girl born at the Hermiston hospital October 13. The little one has been named Donna Marie.

Mrs. Larson entertained the Ladies' Aid members at an all-day meeting at her home Thursday, October 16. Fourteen were present. A potluck dinner was served at noon. The aid gave a shower in the afternoon honoring Mrs. Hoppie.

Mrs. Browning, Sr., has moved to the home of her daughter, Mrs. Emery Bedwell.

Mrs. Harvey of Walla Walla was a guest of Mrs. Charles Steward Sunday.

Mrs. Davis and baby have been quite ill with flu.

BOARDMAN NEWS

By Elaine Fisher

There are now about 75 soldiers stationed here and work has started on the barracks for the bombing field. It is to be located across the canal south of town.

Mrs. Blanch Jones and her son, Phil drove to Pendleton Saturday to visit her daughter, Essie, who is quite ill.

Harry Ford left for the mountains Sunday for a season of hunting. A number of the men worked at the ordnance depot from here have completed their jobs and have been laid off.

This locality was covered with a heavy fog blanket Tuesday morning. This is early for the foggy weather.

Mrs. Joseph Morrison drove to Lewiston, Idaho, last week to visit her daughter there. She returned the last of the week. Mrs. H. Ford accompanied her as far as Walla Walla.

The finance group of the H.E.C. is preparing a play to be presented in the school auditorium Wednesday, October 29.

TOWNSEND CLUB NEWS

By Mrs. Joe Udey

The local club meets Tuesday, October 28 at the Townsend pavilion, 1 mile east of Hermiston. The public is always welcome to our meetings. We announce anyone interested in renting the pavilion either for one meeting or dance or by the month get in touch with either Mrs. Corman, John Miller or Mrs. Udey as they are the rent committee.

We want the public to know that salaries of Dr. Townsend, national headquarters officials, employees and field representatives are all fixed. The additional amount of money will not accrue to the personal benefit of anyone on the payroll. It will only make possible the expansion of our program into new territory and additional means of promoting the Townsend philosophy. Every dollar coming to headquarters is accounted for on the books of the corporation and it can readily be seen that every reasonable safeguard has been taken to protect our people insofar as a misuse

of funds is concerned. This explanation is being made because we have heard it quoted that Dr. Townsend and national headquarters were anxious to secure more money for personal benefit. Obviously this is not the case, and we do not think there is any organization with a finer record in this respect.

"In our manual this is said: 'In the event of any liquidation, dissolution or winding up of the affairs of this corporation whether voluntary or involuntary, the assets be turned over to the government of the U.S.A. for such use as it may deem proper.'

PINE CITY NEWS

By Mrs. Bernice Wattenburger

Mr. and Mrs. C. H. Bartholomew will be at home Sunday, October 26, in afternoon and evening to all their friends, the occasion being their 40th wedding anniversary.

Mr. and Mrs. Johnny Moore of Seattle, Washington, spent the weekend with Mr. and Mrs. Russell Moore. Mrs. John Moore, Sr., is in California visiting her daughters.

ONE-MAN HITCHING—EASIER HANDLING—SAFER OPERATION

WITH THIS **Convenient JOHN DEERE Hand Clutch**

THERE'LL be no call for help when you want to hook up a plow or other implement to your John Deere Tractor. With the convenient John Deere hand-operated clutch you can stand on the ground and put the tractor in position for quick coupling—easier and safer than ever before.

This same hand clutch means easier handling when your feet are occupied with the differential brakes . . . when you operate the tractor standing up . . . when you want to throw the belt in or out from the ground.

Check this and all the other features that have made John Deere Tractors so outstanding. There's no doubt about it—you'll want a John Deere.
