U.S.O. BUILDING OPERATIONS BEGUN

(Continued from Page One)
building is being constructed under the supervision of the United States army but will be operated upon completion by the United Service organization.

For the time being, the recreational program for Hermiston is being sponsored by the U.S.O. and W. P. A., the latter organization represented by George Wallace. Miss Johnson and Mr. Wallace have prepared the Hermiston reclamation building for use of the public until the new building is completed.

Available now are ping pong tables, darts, numerous games, reading material, letter writing facilities and countless other features. Later on it is planned to organize volleyball, badminton and other teams which will utilize the high school gymnasium. The facilities are free to the general public.

Miss Opal Boynton, national staff representative of U.S.O. and Y.W.C.A., and Miss Florence Boester, field representative for the west region of the same organization, arrived in Hermiston Thursday (today) to survey the local field and to assist the local workers in the project here.

The personnel here wishes to extend a cordial invitation to the general public to partake of the facilities available. There is no charge of any sort connected with the project.
