Grayden D. Loree, Pastor
For our Sunday morning meditation we shall consider the theme, "I and We". Individualism can go only as far as it is limited by society. One can neither live to himself nor die to himself. The philosophy of so-called "rugged individualism" is largely responsible for so many ragged individuals. Jesus came to set all men at liberty.

LOCAL BOYS MAKE GOOD IN ARMY

Announcements and letters being received by Hermiston residents indicate that local boys are doing their jobs well in the army. Mr. and Mrs. W. G. Dyer received word this week that their son, Pvt. Chet Dyer, in a recent contest had scored a 230 out of 250 in a rifle range contest. This mark placed him high for his squad. Chet and his brother Gilbert are stationed at San Diego, Calif.
Recent word from Chas. Hodge Jr., who is stationed at Pearl Harbor or thereabouts, is short and to the point. "I am O.K., well and happy," is the meager (but very pleasant) message from Charles, son of Mr. and Mrs. Charles Hodge of Hermiston.

The United States has somewhere near 400 boom towns, as a result of defense industries or nearness to military posts.
