## PACIFIC QUINTET SCHEDULED HERE

One of the outstanding basketball games of the current season will be played here next Thursday when Pete Miller will bring his Pacific university five to Hermiston to match skills with an all-star aggregation picked from Stanfield and Hermiston. The contest is getting to be an annual affair and always proves to be interesting.

The Stanfield-Hermiston five to date has defeated such strong squads as Athena, Domestic Laundry and First National Bank teams of Pendleton, and the Mission Indians.

The starting lineups for Pacific, according to word received here by Gerald Keller, will be: Forwards, Reed and Mathis; center, Newby, and guards, Haller and Ireland. The local starting lineup will probably be: Forwards, Guy Clark and Orville Kensler, center Fred Rankin, and guards, Gerald Keller and G. Clark. Kensler and the two Clark boys are from Stanfield. Others who will see action are B. Evans, F. Huddeman and D. Gronquist.

## P. P. & L. PRESIDENT ON ADVISORY BOARD

Paul B. McKee, president of Pacific Power & Light Company, has been invited by Secretary of Commerce Jesse H. Jones to serve as a member of the business advisory council for the Department of Commerce, according to A. M. Thrasher, local manager of the company.

Appointment to the council has been accepted by McKee and he will attend its next meeting in Washington, D. C., on January 30, when Price Administrator Leon Henderson and Soviet Ambassador Maxim Litvinoff will be among the guest speakers.

Formed in 1933, the business advisory council meets in Washington every five or six weeks. Its activities are now centered on the nation's military program.

Of the 60 members of the council, four are now from the Pacific coast. Other coast members are Roger D. Lapham, San Francisco; Reese H. Taylor, Los Angeles, and H. B. Friele of Seattle.

### BLINSTON-HUNT

Mr. and Mrs. A. R. Blinston announce the marriage of their daughter Maxine to Lawrence J. Hunt, son of Mr. and Mrs. Harold Hunt of Hermiston. The wedding took place in St. Anthony's church at Oakland, Cal., January 24, with Father John Lally performing the ceremony.

The bride wore a tailored suit of military blue with beige and brown accessories. She wore a corsage of orchids.

Mr. and Mrs. Jack Fitzgerald of Oakland were the only attendants. After the ceremony the party was joined by a (surprise) group of ten friends of the couple and the party continued on to San Francisco where the wedding supper had been arranged.

Mr. Hunt is employed in the Alameda ship yards but will reside at 2220, 10th Ave., Oakland, Cal.

Both Mr. and Mrs. Hunt are graduates of the Hermiston high school. Before their marriage, Mrs. Hunt was employed at Ruby's Beauty shop and Mr. Hunt at Sitka, Alaska and Portland.

## FORMER RESIDENT ACQUIRES BUSINESS

Morris S. Pierson, a graduate of Hermiston high school with the class of 1930, was recently honored when he was given the opportunity to acquire an active interest in the Kinman Business University in Spokane. Mr. Pierson was appointed vice president and dean of men, in addition to his regular duties as head of the bookkeeping department.

Mr. Pierson, who is a son of Mr. and Mrs. Sylvan Pierson, formerly of Hermiston but now of La Grande, was employed for two years in the Oregon Hardware & Implement Co. here. For the past six years he has been associated with the Kinman school. The business has experienced an all-time high in employment, placing 2,200 positions this year. Because of the war situation, employment demands have been much greater.

## MAC HIGH DEFEATS LOCAL BULLDOGS

The Hermiston high school basketball team received a good lesson in the art of basketball Tuesday night when Rufus Fox coached Mac High courtsters ran up a two to one count, 44 to 22, on the latter's floor. Magruder and Co. proved just too much for the listless Bulldogs and scored almost at will.

The first quarter started slowly with Mac High leading 4 to 2. However, from there on it was mostly a one-sided affair with Coach Fox sending in his second and third strings late in the game. Holloman and Cullen led the Hermiston attack, each scoring seven points during the contest.

The lineups: Hermiston (22) (44) Mac High  
 Wilcox 4 F 15 Magruder  
 Noughton F Rand  
 Holloman 7 C 10 Heidenrich  
 Cullen 7 G 1 George  
 Rugg 4 G Yantis  
 Substitutes: Hermiston — Miller, Null, Mac Hi—McRae, Monahan 6, Ellis 9, Wheeler, Metsker 2, Town, Mansfield.

Score by quarters:  
 Hermiston ..... 2 4 7 9—22  
 Mac High ..... 4 11 19 10—44

## FOUR WINNERS IN 'JAP' BOND SALE

The past week proved quite profitable to the Bond Group at the Hermiston Food Store but was rather difficult on the Japanese air force. A total of 52 planes were downed by American bombers during the seven-day period which meant that each participant placed \$5.20 in the "Jap Bank". The money is spent in purchasing U. S. defense bonds.

The four winners this week were Jim Boylen, H. E. Hanby, Lee Quiring and Al Shaw, who received \$25 bonds, and Edith Wells who received \$3.00 in defense stamps.

## ALIENS TO SIGN FEBRUARY 2 TO 7

Mailed from the U. S. district attorney's office in Portland, instructions have been received by state, county and local authorities regarding the new regulations concerning certificates of identification for all German, Italian and Japanese aliens. It is required that all aliens of these three nations, which are at war with the United States, apply at the nearest first or second class, or County seat, post office for a certificate of identification. The requirement applies to all enemy nationals 14 years of age or over who have not yet taken the oath of allegiance before a federal judge, the final step in acquiring American citizenship.

Aliens of the three nations residing in the western states, including Oregon, Washington and Idaho, are required to file applications between February 2 and 7, inclusive. Failure to comply may be punished by severe penalties, including possible internment of the enemy alien for the duration of the war. The regulations require enemy

aliens to provide a photograph of themselves and also to answer a number of questions concerning their current activities. Printed directions for the filing of applications soon will be available at post offices.

After a careful check has been made of each application, the applicant will be provided with a certificate of identification bearing his photograph, index fingerprint and signature. He must carry this with him at all times.
