May I take this opportunity to re-affirm my intention to conduct the office of County Treasurer in the most efficient manner possible.

I appreciate the trust given me in the past, and it is my sincere hope that I may have your support in the coming Primary Election.

It is my belief that the affairs of the County Treasurer have been handled in a proper and business-like manner during my tenure of office. At any time I have been unable, because of illness, to be in the office, it has been in charge of a capable deputy, at no expense to the County.
