HERMISTON HIGH SETS EXERCISES

Commencement exercises for the graduating class of Hermiston Union high school will be held Thursday, May 21, in the high school auditorium, according to W. G. Kersbergen. Baccalaureate services will be held Sunday evening, May 17, with Rev. C. Warner of the Central Church of Christ delivering the address of the evening.

Prof. John Miller of the Eastern Oregon College of Education will be the principal speaker for the graduation exercises. Henry M. Sommerer will present the diplomas to the graduating seniors.

An interesting feature of the approaching commencement exercises of high and grade schools will be the use of professional and recessional marches composed by students. In the high school graduation, Jack Jackson was the composer, while June Myrick, high school student, has written the grade school march. Both numbers are strong and well written.

TEA HELD FOR WAR MOTHERS

The U.S.O. was the scene of a very lovely tea Saturday for mothers of sons in service both in World War I and the present war. The room was beautifully decorated with many flowers and the tea table had white tapers with silver candelabras with a floral centerpiece.

Before the tea there was a program for the mothers of which there were 25 present, representing 35 sons. The program consisted of two songs by Molly Ann Ripley, accompanied by Mrs. W. M. Pearson; two songs by a soldier from the depot, also accompanied by Mrs. Pearson; two piano solos by Ann Piersol, and two songs by Peggy Todd, accompanied by Mrs. Floyd Coxen.

Mrs. Rena Waterman, who has the same son in both wars, and Mrs. Annie Carson who has had a son in both wars, poured.

FINE PROGRAM AT WESTLAND

Interesting committee reports and a lively lecturer's program furnished education and relaxation for Westland Grange members at the meeting on May 8th. J. D. McKay stressed the ever-increasing need of cooperation. Clarence Kennison explained the new government regulations of electrical installations, and D. H. Sherwood called attention to the fact that grange leaders are opposed to farmers becoming involved in labor unions. The agricultural committee also urged even greater care of cream and milk utensils.

Several members reported on the recent Pomona meeting at which Clara Thornburg and Mr. and Mrs. J. W. Rice were among the 23 grangers initiated.

Mrs. Don Alstott, acting in behalf of the home economics club, presented a past master's pin to A. E. Rugg. Clara Thornburg was elected Westland's delegate to State Grange.

"The Cycle of Life" was presented under the direction of Marian Rice, Grange Lecturer.

The Home Ec. club will meet with Mrs. Chris Sturm May 20th, and every member is urged to be present, as several items of importance are to be discussed.

NOTICE

TO THE REPUBLICAN VOTERS OF UMATILLA COUNTY, OREGON:

It is a well known fact that our County Treasurer's office is being sadly neglected under the present management and is being used as a side issue to a personal business enterprise. We believe that any County official should devote their entire time to the office to which they have been elected. The electorate of this County now have an opportunity to select a candidate who will devote her entire time to the office. Pauline Mosgrove comes from an old pioneer family of this County: she is the daughter-in-law of the late Matt Mosgrove who devoted much time and hard work to the up-building of Umatilla County and the Republican party.

Pauline is worthy of the office she seeks: she is fit, competent and qualified for County Treasurer and if nominated and elected she will give her undivided time and attention to the office. As a taxpayer in this County, from a pioneer family, deeply interested in good government and efficient officials, I ask the electorate to give this matter serious consideration, go to the polls on May 15th and cast their ballot in the interest of better service in the Treasurer's office.

Signed, ARETA BARRETT, Athena, Oregon.

CLARK ENLISTS WITH MARINES

John G. Clark, 23, son of Mr. and Mrs. Leo F. Clark of Stanfield, was accepted Monday for enlistment in the U. S. Marine Corps at the Walla Walla recruiting station and transferred to Portland for completion of his enlistment.

Outstanding in high school athletics, upon graduation from Pendleton Senior high school, he received an award as the outstanding boy of his class, and is now a member of the National Honor society. Clark attended Eastern Oregon College of Education at La Grande for two years and was employed as an agent of the Union Pacific railroad before deciding to become a "leatherneck".

LODGE APPROVES PAY RAISE

The Hermiston Masonic lodge, No. 138, went on record Tuesday evening, May 5, as favoring an increase in pay of postal employees.

The full statement reads as follows: "Therefore, be it resolved, that this organization go on record as approving of H. R. 6486, a bill, now before Congress, which provides for the reclassification of salaries of Postal Employees and that copies of this Resolution be sent to the Congressmen and Senators from the State of Oregon and to the local newspapers."

GIRL SCOUTS TO HAVE CONTEST

The Intermediate Girl Scout troop has been enthusiastically employed this spring earning badges and awards for higher scout rankings. To facilitate the accomplishing of their plans, patrols have been organized.

The troop is happy to welcome as their assistant leader Mrs. Clinton Weston. Mrs. Weston will work with Miss Thomas supervising the group's activities. Dola Mae Daugherty, high school junior, serves as secretary for

less steel plant and the other a chemical plant. Other sections of the northwest have been trying to pull these industries for themselves and a hard drag has been made by Montana. La Grande also is being considered for a plant of some description, but those who are familiar with the situation refuse to discuss it, explaining that a tip-off would start another community after it.

An educational order has been given to a Portland concern to manufacture gas masks for the civilian population.

COAL AND LOGS TO BE STORED

The Inland Cooperative this week began filling the recently constructed storage warehouse south of the Farm Bureau mill. A shortage of transportation facilities is expected this fall and all surplus storage space will be crammed with fuel.

A campaign will be launched soon by Tum-A-Lum Lumber Co. and the Inland Cooperative to urge every citizen of this vicinity to store as much winter fuel as possible in order to assure a supply for the coming winter.

TO THE VOTERS of Umatilla County

Since it is impossible for me to call on you personally, I am using this means of asking for your support in the May fifteenth primaries.

I am a native of Umatilla County, and have resided almost continually in the county. I am a widow by death, and have a son twelve years of age.

My qualifications for the position of County Treasurer include about fifteen years of bookkeeping and general office experience, and I sincerely feel that I am capable of handling the duties of this position very efficiently.

Your support will be greatly appreciated and long remembered. If I am elected, the duties of my office will be my first consideration.

The records in the County Clerk's office show that for the year 1941 and the first four months of 1942, the County paid \$684.67 for extra help in the County Treasurer's office. While the County paid for this extra help, the Treasurer's office did not have an official deputy from Jan. 1, 1932 to Dec. 15, 1941, when it became necessary to appoint a deputy to sign legal papers on account of the treasurer's absence.

The records are open to the public.
