WILLIAM LOUIS SUDDARTH  
William Louis Suddarth was born in Cannelton, Indiana, December 2, 1879, and passed away May 12, 1942, at the age of 62 years, 5 months and 10 days.

He was one of ten children, six boys and four girls. His father, mother and two brothers preceded him in death. He leaves a wife,

four sisters and three brothers to mourn his passing. The only relatives besides his wife in Oregon are her sister, Mrs. A. M. Scarlett and family.

Mr. Suddarth attended high school at Cannelton, Indiana, and DePauw University at Green Castle, Indiana, where he was also a student minister. The church and school were the dominant interests of his life. He was always a great student, especially of the Bible, and became a devout Christian worker in early manhood.

He taught school in Indiana, and in 1906 was married to Martha Orlena Brown, who was also a teacher. In 1908 they went to Wyoming where they spent two years. In 1910 they came to Oregon, and came to Irrigon in 1915. All the years in Oregon were spent in the school room except the last few years spent at the farm here.

His anticipated Glory of Heaven was often expressed in the song he so much loved, "Face to face with Christ My Savior, Face to face, What will it be."

His spirit took its flight so peacefully and quietly that only the Master knew it was passing. It came as he had often expressed the wish for it to be—

"Sunset and evening star  
And one clear call for me,  
And may there be no moaning at the bar,  
When I put out to sea."

## SCHOOL ANNUAL IS DISTRIBUTED

After several months of hard labor, the annual staff finished the job of putting out the 1942 year book.

Students received their annuals Friday after a long period of anticipation. Some 200 books were given out in an assembly to those students who had paid their student body tickets.

The staff wishes to take this opportunity to thank all those who helped make this publication a success. The last part of the past week was spent in assembling the annuals, which really is far more of a job than most of us realize.

To those who helped on this project and donated snapshots and their time, we give our heartfelt thanks and hope that you enjoy this year's publication of the Purple and Gold.

A note of appreciation is also due to Donna Saylor and her staff who, for the first time in history, made a very successful trip to Pendleton and collected ads from the merchants there, which helped immensely in keeping down the cost of the annual.

## 'Land of the Free'

Lord Halifax, British ambassador to the U. S., pays his first visit to the Statue of Liberty. Here he gazes at the symbol of freedom from the boat that took him to Be'lo's island.

This year's book is larger and has more pictures than ever before due to the hard work of the staff and Mr. Kersberg.

## Official U. S. Treasury War Bond Quotas For May

The above map of Oregon shows the War Bond quotas, by counties, for the month of May, 1942. Total War Bond quota for the State is \$5,610,500. Every income earner in the State is expected to step-up War Bond purchases on a basis of ten per cent or more of income. This is necessary to help America's armed forces take the offensive against the Axis powers. The American voluntary method of War Bond purchases must be successful in reaching the quotas set by the Treasury Department for every county in the nation. The job of every American now is to stop spending and save dollars to help win the War.

We Reserve the Right to Limit Quantities on All Orders.
