YOUR STANDARD SERVICE MAN

Here's a front row seat to the best show in town!

No kidding, if you've never watched a Standard Service Man give your car a grease job, you've missed one of the swellest shows there is. Follow one of us as we work our way around your car—or we'll find you a clean place to sit, if you like—and we'll guarantee to make your eyes pop. Several different types of grease guns take part in our act, and many different kinds of oils and greases.

We'll show you, too, the difference between a "cut rate" grease job and a regular "Standard Lubrication". You'll see how an iron clad system keeps us from missing any points—and how "double-checking" insures the safety of your car. Make reservations early!

Guard your Tax Stamp!

Uncle Sam says you have to put your Federal Automobile Tax Stamp where it can be seen—preferably on the lower right-hand corner of your windshield. It has to last a whole year, so be sure to guard it from water damage and theft! Get a free transparent sticker from your Standard Service Man—it's neat, non-advertising, and complies with all government regulations. Play safe with that \$5.00—get your free sticker tomorrow.
