Group No. 2 of the Women's Council will meet next Thursday afternoon at the parsonage.

# COAL

## Buy Coal Now!

● The government is urging that citizens cooperate in the war effort by filling all available storage space with winter fuel. In this area consumers of coal are especially instructed to buy and store their winter's supply now while coal and transportation facilities are available. Fear is felt that railroad transportation will be greatly curtailed this winter, making the shipping of coal for fuel very difficult. For this reason it is urged that citizens fill all available space Now.
