ORDNANCE GIRLS SHOWER RUNS ON ENGINEER TEAM

Responding to a challenge from Captain Alexander's Engineer Castle girls, Colonel Scott's Ordnance Wild-cats overwhelmed the Castle girls softball team 33 to 2 Sunday afternoon, August 2, at the Hermiston diamond. The Engineers' team put up a game fight throughout the torrid innings, but were routed by a combination of heavy Ordnance slugging and alert fielding.

The Ordnance team collected 40 hits from the offerings of Betty Hough while the Engineers were held to bare five bingles by the pitching of Vera Sisson. Extra base hits were primarily responsible for the Wild-cats high score, with Alberta Johnson, Barbara Moore, Carol White and Dorothy Prah each knocking the apple out of the park on one or more occasions.

The Ordnance team is coached by Captain Baird, Captain McKnight, Lt. Halverson and Alan Dean, with Captain Alexander and Dick Jones instructing the Engineers' team in the fine points of softball. Leon Mohr was umpire.

The lineups follow—Ordnance: c, Arnold; p, Sisson; 1b, Johnson; 2b, Moore; ss, White; 3b, Wells; rf, Prah; lf, Graves; cf, Westmark; rf, Stump. Engineers: c, M. Skinner; p, Hough; 1b, Prescott; 2b, Weaver; ss, Emery; 3b, Murphy; rs, Jones; lf, Leach; cf, G. Skinner; rf, Knox.

The Ordnance employees have also initiated a double elimination softball schedule this past week, and are playing on the depot diamond. So far the Depot Firemen downed the Field Service Property 14 to 11 on August 3, and Transportation and Utilities battled on August 4 to a close game of 9 to 8, with the former team winning. The Officers and Garage hooked up for a frolic on Wednesday night, August 5, for a battle with the Garage taking the game to a score of 35 to 2.

The above story was compiled by 1st Lieut. R. A. McLain of the Ordnance department.

DEAN IVERSON HAS BIRTHDAY

Dean Iverson, 3-year-old son of Capt. and Mrs. H. Iverson, was the honor guest Wednesday afternoon when a group of playmates and their mothers gathered at the Iverson home for games and refreshments. Dean was the recipient of numerous presents and a general good time was had by all those present.

Youngsters in attendance were: Janice Kay Miller, Linda Smith, Jin-ke Wilson, Paula Bracher, Sue Jones, Marjorie Hughes, Dianna Smith, Nancy Smith, Shirley Quiring, Sylvia Quiring, Ida Louisa Raspir, Patsy Beard, Mack Temple, Robbie Temple, Roy Weber, Jerry Jones, Skippy Nolan, Billie Alexander, Darrell Hughes, Michael Smith and Herbie Lee Miller. Ladies present were Mrs. Ralph C. Scott, Mrs. Homer Simola, Mrs. Charles Beard, Mrs. Layton Smith, Mrs. Herbert Miller, Mrs. William D. Alexander, Mrs. Kenneth A. MacMillan and Mrs. Roy Temple.

O.D.T. MEETING NEXT TUESDAY

The office of defense transportation will conduct meetings in Pendleton next Tuesday in the Pendleton Chamber of Commerce rooms at 2:00 and 8:00 p. m. for farm and for-hire transportation industries. E. J. Barry and Tom E. Shea, representing the for-hire industry, will conduct educational meetings for that group in the afternoon. For the farm transportation committees and the dairy group, A. W. Metzger of the department of agriculture and Paul Carpenter, marketing specialist at O. S. C., will also conduct classes.

The night meetings will be open to the general public and talks will be made by the same group of men. E. C. Hosea will represent the traffic highway advisory committee.

PIERSON ENTERS CADET TRAINING

Robert E. Pierson of Hermiston was among the new group of aviation cadets who have come to Minter Field, Cal., to receive their basic flying training. While here, this courageous young man will become a real military flyer. He will undertake a more extensive course of study in the ground school; master the arts of formation flying; take part in many cross-country flights; and thus prepare himself completely for the battle for victory.

Robert is the son of Mr. and Mrs. K. D. Pierson of Hermiston and a graduate of Hermiston schools. He enlisted several months ago.

PHEASANT CAFE OPEN AGAIN

The Pheasant Cafe, under the management of Mrs. Bert Michel, reopened for business Wednesday after being closed for about a week for a thorough reconditioning. New calcimine, new paint, new linoleum and other improvements were made.

Mrs. Michel recently took over the establishment from Mr. and Mrs. Curtis Brown.

CITY OFFICERS MAKE ARRESTS

Hermiston city police are continuing their drive on drinking on the streets of Hermiston and arrested the following this week: Julia Levine, colored lady, fined \$30; Philip Bickler, E. C. Houck, Harry Hedges, C. C. Lyon, William O. Hardisty, Wm. Beike, Paul Svetcoll, Raymond Taff, Claude Taylor, John Laufia, James Perkins, Larence Bennett and Chas. Saunders.

Harold Claxton and Bill T. Terry paid small fines for petty larceny and Earl E. Adsit was arrested for reckless driving.

OREGON SEED TO RELEASE NEEDED BOMB MATERIALS

Oregon's winter legume seed ranks as a strategic war material—in fact, the estimated 200,000,000-pound crop of vetch, Austrian winter pea and crimson clover seed being produced in the state this year is the equivalent of 12,000,000 hundred-pound bombs.

This information as to the importance of Oregon's seed industry in the war effort was given by Washington, D. C. officials of the department of agriculture here attending the recent conference of western states USDA war board chairmen.

Farmers in the southern and east central states have been using large amounts of nitrate fertilizer to produce food and fiber crops vital to the war effort. Now all available ni-

trates are needed in the manufacture of munitions. One bag of nitrate of soda will supply nitrates enough for two 100-pound bombs.

To replace nitrate of soda, southern states' farmers are growing their own nitrogen with winter legume cover crops, using seed produced on Oregon farms. About 25 pounds of cover crop seed will produce a crop to replace 150 pounds of nitrate of soda—enough to make three bombs.

To make certain that seed is available to farmers in all areas where it's needed, the AAA is buying all winter legume and common ryegrass seed that is offered by Oregon growers this year. Purchases are made direct from the grower through established warehouses and dealers, who are paid a handling charge of 45 cents a hundred pounds for hairy vetch, and 40 cents for all other seed.

The state AAA office reports that orders for 250 carloads of seed had

already been received from southern states by August 1, with more coming in every day.

BLAZE DESTROYS STACKS OF HAY

A fire of undetermined origin last Thursday destroyed approximately 65 tons of first and second cutting hay and a 1940 pickup truck on the old Mark Neadau ranch occupied by Sam Carter. Mr. Carter had driven his car from the house and parked it near the hay and went a short distance to make some adjustment for irrigation water.

While doing this, he noticed smoke rising from the stack and rushed to the scene but was unable to save either his truck or the hay. The hay, which was jointly owned by Harvey

Payne and Mr. Carter, carried no insurance but the truck was covered. Due to the high price of hay, the loss will run close to \$1000. Also damaged was a hay stacker near the stack.

Two Carter children, who were with Mr. Carter at the time, escaped without injury.

METHODIST CHURCH

Malcolm B. Ballinger, Pastor
10:00 A. M., Sunday School, Mrs. Alva Boulware, superintendent.
11 A. M., morning worship, with sermon by the pastor: "What the War is Doing to Religious Thought."
8:00 P. M., Youth Fellowship, Miss Rebecca Pierson, president.

Buy Coal Now!

● The government is urging that citizens cooperate in the war effort by filling all available storage space with winter fuel. In this area consumers of coal are especially instructed to buy and store their winter's supply now while coal and transportation facilities are available. Fear is felt that railroad transportation will be greatly curtailed this winter, making the shipping of coal for fuel very difficult. For this reason it is urged that citizens fill all available space NOW!
