Before the celebration of the sacrament of Holy Communion an opportunity will be given the members of the congregation to pledge themselves to attend at least one service of worship each week for the duration of the war as proof to the boys in service that the people at home are willing to do their part as well as those who are in the armed forces.

In the Echo Methodist church a special program will be sponsored by the Girls' League at 11 o'clock in the morning. A basket dinner will be served in the church dining room at noon.
