WHEN is it best to take Wartime Trips?

There is a "best" time, because war has brought changes in travel.

Do you know—

- 1 90,000,000 persons rely on motor transportation!
- 2 Tire-rationing has new millions riding buses!
- 3 Busy bus lines are unable to buy more buses!

You can help the bus lines provide more pleasant travel for all by observing these rules:

How to have a better trip—

- 1 Travel only when necessary; plan trips in advance.
- 2 Select less crowded schedules; go week days.
- 3 Get tickets early; take only 1 suitcase.
