MC KENZIE TELLS OF LONG TRIP

(Continued from page 1)

many of the sights of "Beautiful Ohio".

There are wonderful scenes and places in the hills of Ohio, which have been taken over as parks by the U. S. government and cleared and beautified by the CCC boys. We also visited Portsmouth, Ohio, which was visited by the high waters of the Ohio river a few years ago. The water marks showed that many one-story houses had been covered and other houses where the water had been up around the second story. The water at that time was 72 feet high, and the city now has a dike built around part of the town high enough to keep

out a 75 foot raise of the river. Near Chillicothe, Ohio, we visited Mound City, which is a series of earth mounds built, it is supposed, by a prehistoric race of Indians, and used by them for burying their dead. When one of these mounds are opened they are found to contain human skeletons, and many Indian relics, such as arrowheads, clay pipes, etc. Ohio is a beautiful state.

We then, after two weeks, proceeded on our way to Richmond, Va., over the C. & O. R. R. At Richmond we also had the use of Gerald's auto, but gas rationing being in effect in Virginia, we had to use it like whiskey—very judiciously. Thirty-two gallons per four weeks is the maximum allowed, and the maximum speed on all highways is 35 miles per hour, which is rigidly enforced on all passenger cars and also on all passenger stages and trucks. This seemed very

There Should Be No Question About His Question

If your small boy frowns, squints or complains of headaches at school time—something's wrong! No doubt his eyes require a careful examination, and prescription for eyeglasses which will correct his vision defects.

Bring your child to us for scientific attention.

Stram Optical Co.
225 So. Main St. Pendleton, Oregon

slow to us when we had been used to seeing cars in Oregon going 60 to 90 miles per hour.

Our first auto trip from Richmond took us to Williamsburg, Yorktown, Newport News, Old Point Comfort, Langley Field, Virginia Beach, on the Atlantic Ocean, Norfolk, Portsmouth, Suffolk, and Petersburg, back to Richmond. Every highway and byway in the state of Virginia has many markers or monuments showing the site at which important battles of both the Revolutionary and Civil wars were fought.

Of all the cities or towns of Virginia, Williamsburg is perhaps the most interesting and historic. It was started in 1697 by a company of English traders. It was for years the capital and metropolis of the Virginia colony. You step directly into another age as you enter this old city which John D. Rockefeller Jr., at a cost of many millions of dollars, has had many of the old historic buildings restored to their colonial condition on the original sites, some on the original foundations. Among these are the old court house, the capitol building, the Raleigh Tavern, the Ludwell-Paradise House, and the Governor's Palace. As it is supposed to look as it did in colonial times the capitol flies the British flag.

The Public Gaol near the old court house has been rebuilt even to the stocks and pillory. While we were there a group of soldiers were also there and they had locked one of their number in a cell of the jail, and others were locked in the pillory and stocks. They were thoroughly enjoying themselves. At each of these places visitors were greeted by hostesses in colonial costumes. There were also some open carriages drawn by two horses and having a colored driver.

At the Raleigh Tavern, George Washington often came to dine and dine, but as tradition has it he would never stay all night as he said it was too noisy. Much of the furniture, painting, etc., in these reconstructed buildings are the originals.

AID SOUGHT FOR SOLDIER HALLS

(Continued from page 1)

paired by ones loaning or donating it. The room needs drapes, six bright jolly pictures, six metal ash stands, three floor lamps, eight comfortable chairs, two or more davenport, large round table, radio and musical instruments. Each organization may donate some of these articles or loan them for the duration. A list in triplicate will be kept so articles may be returned. All donations of money will be greatly received and a strict account of same will be kept. Money will be used to purchase magazines and newspaper subscriptions; also money donations toward the hospital recreation rooms will be needed as all furniture must be bought and of a certain specified kind.

National Geographic magazines in good condition, Life, Readers Digest, Saturday Evening Post, Colliers and funny books, games of all kinds and playing cards of all sorts, are requested. If you have any of these articles on hand, now please phone Mrs. F. B. Belt, Mrs. Russell Piersol or Mrs. Wm. Logan. We must work fast and let's put Oregon over the top in this war effort as she is over the top in all other drives so far!

HERMISTON TEAM PLACES SECOND

A dairy production demonstration team, the members of which were David Dufur and Glen Wilcox, Hermiston, placed second in the state contest at Portland last Friday. These two boys were very close contenders for first place and if they had won they would have been awarded a free trip to Chicago to compete in the national contest. The boys demonstrated the most practical methods of de-horning calves and young cattle.

Barbara Records, Umapine, also competed in the state style revue contest. She placed second in her division.

Gene Lear, Hermiston assistant county agent, accompanied the contestants to Portland.

COOL WEATHER NOW IN OFFING

The long winter months are now just around the corner and residents had better take advantage of the ideal fall weather to prepare for the lower temperature. Although fuel is difficult to get, local concerns are doing their utmost to meet a majority of their orders.

The readings the past week, according to Chas. Taylor, weather man, are as follows:

Date	Max.	Min.
October 15	69	37
October 16	67	32
October 17	68	30
October 18	73	32
October 19	66	34
October 20	71	36

MAYOR'S PROCLAMATION

Whereas, the United States Navy is fighting the battle for freedom in the waters of the aggressors, and

Whereas, the United States Navy, conjoined with its famed coordinated arm, the United States Marine Corps, has established a foothold upon soil held by the enemy, and is battling heroically to extend that advantage, and

Whereas, by national tradition the debt the people of the United States owe their Navy is annually emphasized through the setting aside of one day to acclaim that branch of the armed forces;

Therefore, I, F. C. McKenzie, mayor of the City of Hermiston, do hereby proclaim Tuesday, October twenty-seventh, nineteen hundred and forty-two as "Navy Day" and call upon all citizens of Hermiston to take part in observance of this day through the many channels open to them and to join in a salute to the United States Navy and its coordinated sea power—the Marine Corps, Coast Guard, Naval Aviation, and the Merchant Marine.

Whereunto, I have set my hand this 22nd day of October, nineteen hundred and forty-two.

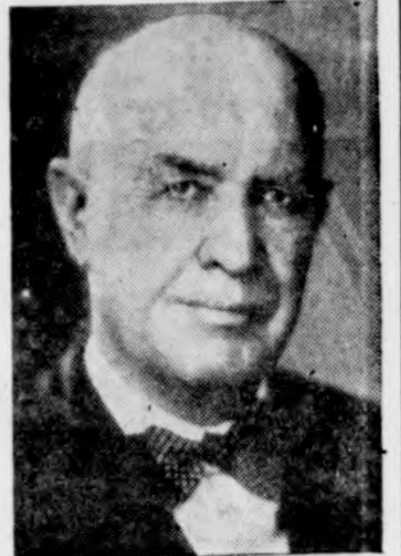

F. C. MCKENZIE, Mayor,
City of Hermiston.

POWER COMPANY AIDS SCRAP DRIVE

Umatilla county's growing scrap stockpiles got 5495 more pounds of salvage metal Friday when Pacific Power & Light company crews hauled away the heavy water wheels and shafting that drove a generator at the Umatilla river hydroelectric plant near Hermiston, once the sole source of electric power for Hermiston, Umatilla, Echo and Stanfield.

A. M. Thrasher, P. P. & L. manager, said the salvaged material, put in use by the old Hermiston Light & Power company prior to World War I, was replaced with new equipment installed by Pacific Power & Light company about two years ago. Steel in the 17-foot-long shafting is of particularly high quality and will make an unusually valuable contribution to the nation's stockpiles, he said.

OREGON NEEDS THE PRESTIGE OF Walter M. Pierce in CONGRESS

He is the only man west of the Missouri River on the Agriculture Committee—he is in a position there to do a lot of good for the people of Eastern Oregon as he has in the past.

No NEW man can acquire that seniority without many years of service.

His record is:
RIGHT ON THE WAR.
RIGHT ON RUBBER.
RIGHT ON FARM CREDIT.
RIGHT ON LABOR.

Congressman O'Connor of Montana Says:

"I take this occasion to compliment the gentleman, (Pierce) on the matchless service he rendered the American Farmer as a member of this house. I do not know any member of the house who has been more faithful to the interests of the poor man and the farmer, regardless of what he has been producing, than the distinguished gentleman from Oregon. We in Montana, as well as the people in the gentleman's state are to be congratulated that we have the benefit of his splendid service."

The Pierce Bill H.R. 6315 Resulted in a Saving of \$116,585.00 in This County Alone.

RETAIN HIM!

(Pd. Adv. Pierce for Congress club. C. J. Shorb, Secretary)

PUBLIC AUCTION TO BE SATURDAY

A public auction has been scheduled for Saturday, October 24, at the Wesley Townsend place one mile NE of Columbia school. The ranch formerly was operated by the M. C. Baragars. Included in the sale will be 19 head of milk cows, seven calves, hogs, horses, mowing machine, other farm implements and other items.

George Hodge is the auctioneer and B. I. Whitney will be the clerk. The sale is scheduled to get underway promptly at 1:00 o'clock.

SERELLS HONOR GUESTS MONDAY

On Monday evening, October 12, a

farewell party was given by the Baptist ladies at the home of Mr. and Mrs. E. G. Tilden for Mr. and Mrs. J. A. Serell, who recently moved to Ontario. The rooms were artistically decorated with dahlias, zinnias and other fall flowers and dainty refreshments were served.

Mr. and Mrs. Serell have rented their home here and will reside in Ontario for the school year where their daughter, Miss Rosmary Serell, is a teacher. Their son Donald expects to leave soon to rejoin the services.

CENTRAL CHURCH OF CHRIST C. Warner, Pastor

Our sermon topic for the Sunday morning worship service will be "The Right Within the Church", and Sunday evening around the text we find in Matthew 20:22, Jesus said, "Are Ye Able." We suggest that the entire chapter of Matthew be read.

Old Time Baked Beans

- 2 cups white beans
 - 1 1/2 teaspoons salt
 - 2 tablesp. molasses, more or less
 - 1/2 teaspoon mustard
 - 1/4 pound fat salt pork or bacon sliced
 - 1/4 cup granulated or brown sugar
 - 1 small onion, if desired
 - 2 tablespoons catsup, if desired
- Wash beans; cover with 2 quarts water and soak overnight. Cook slowly until skins burst or until just tender. Drain. Place half the beans in an earthenware bean pot or casserole. Burv part of pork in beans and add half of combined remaining ingredients. Add remaining beans and seasonings. Place remaining pork over top. Cover with boiling water. Cover and bake in slow oven (250 degrees to 300 degrees) 6 to 8 hours. When necessary, add water. Serves 6 to 8.

- Red Hill Catsup 12¢
14 oz. bottle
- Heinz Ketchup 19¢
14 oz. bottle

- Edward's Coffee 24¢
In the new lb. bag
